Model school bell rings for Bicentennial

Ontario's bicentennial year started off right for residents of Madoc Village on Monday, when the Madoc Model School Bell cast in 1878 rang clear and loud from its home atop the new bell tower at Madoc Public School.

Hundreds of villagers, students and interested people attended the official ringing ceremony that also signified the silver anniversary of the Madoc Public School and the 25th year John Murphy has been principal of the school.

January 2 was the first time the bell had sounded through the streets of Madoc since June 1959 when it was given one last ring before the old Madoc Model School was demolished. The new public school was opened following its closure.

Murphy says the ringing of the bell symbolizes peace and during the ceremony he asked locals to "say a little prayer" for peace if they hear the bell ringing at noon in days to come.

From now on the bell will ring every school day at various times, with different students of the school taking turns. For the first ringing, Wilfred Forestell, retired farmer and community worker was asked to pull the rope. The other dignitaries followed and one student from each class got a turn.

People who rose to praise members of the bell committee during the ceremony included: Tom Burnside, chairman of the Hastings County Board of Education; Reeve Terry Pigden, Director of Education; Bruce Mather (Hastings County); and Jim Pollock, MPP, and Jim Pollock, MPP. Reverend Larry Mack of Madoc gave the blessing.

"We'll say a little prayer for peace," says Madoc Public School Student President Rhonda Taylor. "I believe that prayer is the answer."

The 400 pound bronze bell cast in the U.S. spent some time in storage at Ann Street in Belleville until the Bell Committee managed to bring the bell back to Madoc where it remained until

money could be raised for the tower. To date, about \$9,000 has been raised to

pay for construction costs. Also during the ceremony, students of the

school sang, "It's a Small World After All" and "Let There Be Peace On Earth".

Wilfred Forestell, retired farmer and active community worker rings the Model

School Bell for the first time last Monday during the official ringing ceremony.

John Murphy, principal of Madoc Public School poses beside the old Model School

and the newly constructed tower after the official ringing ceremony

held last Monday.

Madoc year end review

BY STEVE GOMBOS,
EDITOR

It's the same old story. At about the middle of August, things get hot and sluggish, and you wonder if the year will ever end. Then when it's over and time for a review, you think time went fast.

It has been a busy 1983. It was my first complete year in Madoc as editor of the local paper and resident of the village. I feel like I've just begun making the necessary contacts to effectively cover the area. There are a lot of interesting and informative people living in Madoc and surrounding Hastings County.

To get to the point, Madoc has had a lot of things happening this year. I think the two biggest events this year were the

construction of the Madoc Public School Bell tower and the introduction of the MTM Junior C Hurricanes. The first official ringing of the Bell took place January 2, but the actual drive for funding mainly took place in 1983. The rookie Junior C club is now aggressively skating toward the finals and are showing definite improvement.

JANUARY 1983

In January the drive for completion of the bell tower had already started, but the highlight that month was probably when the Hastings and Prince Edward County Health Unit opened its new office.

The new office was opened on January 10, at 12 St. Lawrence Street in Madoc, after operating out

of Centre Hastings Secondary School for about six years.

Dr. P.F. Halkett, medical officer of the counties' health units said they moved because there was insufficient room at the high school and privacy was limited.

"Frankly, the room became too small, and early last year the unit at Belleville saw the need for an increase in services at Madoc," said Halkett at the time.

Of course also that month, the annual Madoc Winter Carnival took place.

FEBRUARY

The month started with the changing of dealership at the Madoc Canadian Tire. See Review page 2

Teenager dies from exposure

Douglas Andrew Norman, 17, of RR 1, Eldorado, was found dead from exposure on Lot 19, Concession 5, in Tudor Township at 3 p.m. on January 1. The teenager is believed to have become lost after his snow-

mobile broke down during the night.

Investigating officer Constable D.C. Bush of Madoc, Ontario Provincial Police Detachment says Norman was wearing light clothing when he was found.

Village gives plaques

Ray Burris, Mel Bronson and Tom Burnside were given plaques recently at the Madoc Village Council Christmas dinner in recognition of their service as advisors to council and members of the Finance Committee.

Reeve Terry Pigden presented the plaques that read: "In grateful recognition of his voluntary service as an advisor to the council and a representative of the people of the Village of Madoc as a member of the Finance Committee of the municipality."

Woman remembers Model School

Reverend Robert Flurey of Madoc read his mother's account of her year at Madoc Model School in 1914-15, during the ceremony held at the public school before the official bell ringing took place last Monday. Flurey came from Kingston in August to replace Peter Murphy at Sacred Heart of Mary Church, Madoc.

Memories of Madoc Model School, 1914-1915 from MARY GRAVES FLUREY

When interviewed, Mrs. Flurey prefaced her remarks by saying, "You

have to remember that was 1914, a very long time ago. I really don't know if I can recall very much."

Having said this, she then launched into the following lucid memories. "I went to Madoc in the fall of 1914 with a close friend and classmate, Nonnie Goodwin, two young ladies, 18 years of age, whose parents had impressed on us that we were attending Model School to work hard and become qualified as teachers. That also was the message given us by the principal, Mr.

McConnell, whom I remember as a very kind and thoughtful man, but firm. "The teachers I remember best are those with whom I had the most contact, Miss Bristol, Miss Breakwell and Nettie Fee-ney, who later became Mrs. Wallbridge and a close friend of our family, after she moved to Belleville.

"That year, due to the war, I suppose, there were about 20 student teachers in the school, mostly girls but there were a couple of young men.

See Memories page 5

Madoc continues to be an active community

Continued from page 1
Store, Carlo and Rebecca Weickert moved to a bigger dealership in Fort McMurray, Alberta, while Rick Butler and his wife Jeanette moved from Cambridge to take over.

Although there wasn't much snow, the natives enjoyed an exciting Cooper Winter Carnival.

Probably the biggest news for Madoc during February, was the fact that the raccoon dog population at Supi Farms had been exterminated. The conversion of the farm to breeding North American foxes came as the final chapter of a story that began in September 1980. In 1980, 140 of the raccoon dogs (Nycteputes procyonides) were imported from Finland and were raised as breeding stock here. The Canadian Wildlife Service, the provinces and non-government organizations were concerned that a possible escape of the prolific animal would lead to serious wildlife and agricultural problems, based on similar European experience.

As a result, further imports were prohibited on October 26, 1981. Provincial governments and the U.S. imposed similar bans.

MARCH

The feature this month was definitely the introduction of the MTM Junior C Hurricanes. The official announcement was made and the Hurricane fund-raising lottery to start in

May was announced. Another headline news story in March followed the rescue of Laura McNeil of Queensboro and Kara Dennis of St. Jacobs who were lost about two miles outside Queensboro.

The girls were rescued by a local Ontario Provincial Police Canine Unit after a four hour search in the area. The girls were cold and tired, but otherwise unharmed.

APRIL

Don Clark of Havelock was elected as president of the Hastings-Peterborough Conservative Association on April 6, succeeding Terry Pigden of Madoc. The association meeting was held at the Madoc Kiwanis Centre, and keynote speaker, Claude Bennett, minister of Ontario Municipal Affairs and Housing, said critics in Toronto believed he was spending too much money in "the boonies."

The former secretary and treasurer were re-elected into the association. Peter Trembley of Bancroft remains the association secretary and Willis McLaughlin of Corbyville was re-named treasurer. Vice-presidents elected to Hastings County were: Bob Leach, Faraday; Doreen Watson, Bancroft; Lloyd Churchill, Herschel; Pres Nickle, Madoc; Bernie Young, Deloro; Ross Berman, Tweed; George Lyons, Stirling; Ted Wilson, Plainfield; Lena Murray, Foxboro; Ross Parks, Thurlow;

and Marvin Cooney, Rawdon.

MAY

May was a very busy month for Madoc. Through half of the month, local gas stations were involved in a vicious gas price war. The prices fluctuated from 25.5 cents per litre, to 46.9 cents. The price went back up just before the May 24 weekend.

Daryl Kramp, owner of Kramp's Family Restaurant and gas bar in Madoc said that in general, gas prices across the province averaged higher than 25.9 during the war.

Another feature for the month was the announcement that five students were forming a support network for social services in Hastings County. The students were financed by the Canada Summer 1983 Student Employment Program, and were primarily concerned with co-ordinating all the social service-related activities in Centre Hastings and maintain communications. They also prepared a social service directory for Centre Hastings.

Bill Vankoughnet, MP for Hastings, Frontenac, Lennox and Addington Conservative riding, was re-elected at a convention held in Madoc on May 7.

Two other men were nominated for the position along with Vankoughnet, but even before the ballots were filled most delegates sported Bill Vankoughnet.

buttons.

Conservative party leader Eric Nielsen attended the meet and made a speech denouncing the Trudeau government.

After a public meeting, the Madoc Village Council voted against approving a proposed summer daylight cafe for the front of Madoc Hotel.

Nearing the end of the month, Madoc was entertained when the Martin and Downs Circus came to the fairgrounds.

JUNE

One of the biggest stories this month came when Madoc Village Council decided to take the legal route to sort out problems which occurred during well development. Both Kirk Lightfoot contractors and Ram Mechanical sub-contractors said they were not responsible for the problems which were caused because the well driller did not ream the well to the proper depth. They also felt they were not responsible for the incorrect pump size.

Mike Wade of Lee Engineering phoned both Councillor Jim Watson and Clerk Doug Parks on May 31, and suggested that the hydrologist, well driller and contractor may be at fault for not performing contracts as required. Wade suggested legal action.

Shortly thereafter the main well in Madoc broke down. The emergency back-

up well at the Kiwanis Centre was put on for a few short hours until one of the new test wells was put into action. Before this took place, the water tower in Madoc filled with foul tasting water that took about three days to clear out. It was the breakdown that prompted the village to put pressure on the contractors to finish work on the new wells.

Another big story for June was when Belleville Chief of Police Douglas Crosbie told Centre Hastings Community Corrections that one of the reasons more juveniles are diverted, is because the service here is doing an effective job.

An annual board meeting of the GHCC held June 2, in Madoc, Crosbie said he opposes the planned increase in the mandatory juvenile age increase. As of April 1983, the age will go up from 16 to 18 years of age.

"I don't feel there was no need for change, but I think they went too far," said Crosbie. "In 1981 there were 239 16 and 17-year-olds charged with criminal offenses and 44 charged with liquor offences. They project that the increase in charges will increase the workload (for the force) by 352 per cent."

He added that custodial costs, transportation costs and court security costs will also increase.

It was also announced in June that the O'Hara Mill

historical pioneer site northwest of Madoc, off Highway 7, will no longer receive funding from the Moira River Conservation Authority for upkeep and restoration. The Conservation Authority still owns the land and contents which they purchased from the O'Hara family in 1965.

As a result of the decision, an O'Hara Mill Board of Management team was appointed to seek out other funding.

Christmas returns

again
next
Saturday

by Jeannette Moore

While most of us have now finished with Christmas and New Year celebrations for another year, there is a large group of Canadians who, while following through with the rest of us in making merry on December 25 and New Year's Eve, continue festivities to celebrate their ancestors' traditional 12 days of Christmas, about which we sing, the original Christmas based on the Julian calendar which is honored by followers of the Greek Orthodox Church—Greeks, Ukrainians, Bulgarians, Albanians, Syrians, Rumanians, Yugoslavians, Serbians and Russians.

Mary and Gordon Podolski who live on Highway 7 between Marmora and Havelock are two such lucky people who, after enjoying Christmas with their children and grandchildren on December 25, travel to the home of Mary's mother in Toronto on January 6, in time for a Ukrainian Christmas Eve 12-course feast followed by midnight mass and Christmas Day's "running all-day banquet of chicken, goose, cabbage rolls, hams, and kasha," on January 7.

Mary was born in the Ukraine coming to this country in 1929 because conditions in her native land were unfavorable to Ukrainians under the Polish government which was ceded the Ukraine after World War I. Gordon, too, is of Ukrainian descent, but since he was born in Saskatchewan, he does not have memories of old times in Europe as does Mary.

"The year before I left for Canada, I was allowed on St. Jordan's Day, (January 19th, the Ukrainian New Year) to go to the banks of the river and watch as the men drilled holes in the ice and with picks and saws cut huge crosses which were blessed to make holy water," said Mary.

But let's start at the beginning. Mary described for me the kind of Christmas Eve dinner she and her family and brothers and sisters and their families share with their mother on January 6, Holy Night, when St. Nicholas pays his visit to the children. The time for the meal is set

around 6 p.m. when the evening star first appears, the bright star now seen each evening near the moon.

The meal starts with a dish known as kutya, made by slowly cooking wheat in water and salt until—tender overnight in a slow oven is about right—and to this is added honey, ground poppy seeds, chopped walnuts and raisins. The father of the family first proposes a toast—each member of the family taking a small amount of liquor in one swallow. Then all must have at least one mouthful of the wheat dish whether they like the taste or not.

"It used to be the custom to throw any of the remaining kutya to the ceiling. If it stuck there that meant good fortune for the next year and bad luck if it dropped," laughed Mary.

Next a beet soup, usually containing mushrooms, was served. The mushrooms were more like truffles than ones grown here. My mother now buys them dried at the Kensington Market for \$40 a pound.

No meat is served at this pre-mass meal but the soup is followed by four kinds of fish—salted white fish soaked overnight, boiled, and prepared with a type of gravy, fried or baked fish, boiled pike or carp made into jellied fish, and pickled herring.

Next comes perogei or a sort of dumpling—a dough base with fillings of potato and cottage cheese, chopped sauerkraut, and fruit, usually plums or blueberries—"whatever preserves they had." The pastry with its filling was sealed and boiled.

There is also a mushroom gravy cooked with onions, whole wheat, and dark rye bread, honey cake, home-made doughnuts and fried cookies or "butterfly wings" made of egg yolk and flour and salt, rolled thin, deep fried and sprinkled with icing sugar. "They used fine sugar in the Ukraine," said Mary.

At the conclusion of the meal the children were given a little coffee to drink along with the adults.

After dinner the custom was to take the family to the

nearest neighbor, knock and ask permission to sing carols, and, of course, permission was always given, after which the carollers were given a treat—sweets or, for the men, a shot of whiskey. The neighbors would then dress and continue to the next neighbor's and so on, the group growing as it progressed and becoming more and more jolly until it was time to go to mass.

"In Canada we go carolling in cars and the driver is not allowed to drink. Instead of accepting a treat, mostly a collection for the church is now made," said Mary.

On Christmas Day everyone goes to church at 6 a.m. and after that the all-day meal is held. "The women prepare for weeks ahead of time—Christmas is visiting day, the time when families get together."

Then there is New Year's Eve on January 18th when everyone attends midnight mass, followed by Jordan's Day or New Year's with more carol singing and wishes for long life and prosperity. This is mostly a religious holiday.

There are two types of carols sung. Some are of recent origin composed since the adaptation of Christianity in 988 and others of pre-Christian origin, most of them modified and adapted to the times in such a manner that their pagan origin is not readily recognized.

The general motif is glorifying, praising and well wishing to the owner of the household and his family. The idea seems to be that words have magic powers and that by presenting a picture of wealth, good luck and joy some of this will remain in the household to which the carollers have come.

Ukrainian Christmas festivities continue from Christmas Eve, January 6 to St. John the Baptist's Holiday, January 20, following Jordan's Day. The singing of carols is continued in church, in public or private gatherings up to February 15 when the Christ Baby, 40 days after his birth, was presented in church for blessing.

Recipe for Ukrainian kutya

1 pound of wheat
½ pound of honey
¾ pound of poppy seeds,
ground up
1 cup of raisins

1 cup of ground nuts.
Boil the wheat slowly
until tender. Then add the
remaining ingredients.
The dish is eaten cold.

Library needs contract

Unless Madoc Memorial Library gets a contract signed by all municipalities using the facility, the provincial government will not provide any grants in 1984. Also, if the contracts are not signed, then the government would incorporate a county library system that will be funded through additional taxing, says Madoc Library Board Secretary-Treasurer Lenore Keller.

Keller says that until this year the province has honored municipal bylaws stating that funds per capita would be given to pay library expenses, but now they are trying to cut down funding. She said that the incorporation of a county library would mean that the province would hire a qualified librarian at about \$30,000 salary, and additional technicians will cost \$15,000 a year.

"Belleville and Trenton have opted out of the county library system. They could have carried some of the tax load if they were in the

county system, but alone the costs would be phenomenal for us," says Keller. Keller says the board approached the village council after receiving a copy of the "Green Paper" which outlined the necessity of getting participating municipalities to sign a contract. Council said they would take care of the matter.

"The contract doesn't do

Liquor bags with a message

The Liquor Control Board of Ontario has embarked on a public awareness campaign to discourage people from drinking and driving.

As a pilot project, four LCBO stores across Metro Toronto are being supplied with liquor bags bearing the message "IF YOU DRINK DON'T DRIVE."

"Consumer relations to the bags at the stores has been so positive, we are considering extending it across the province," said Dr. Robert Elgie, Minister

of Consumer and Commercial Relations.

The project was initiated by the ministry in co-operation with the Attorney General's anti-drinking and driving campaign.

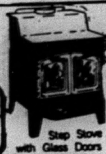

"We believe that the liquor bag warning can accomplish two things. It will add support to the government's campaign on drinking and driving by creating yet another avenue for getting the message out. It also gets the attention of the consumer at the source," said Dr. Elgie.

OPP REPORT

Officers of the Madoc Detachment of the Ontario Provincial Police investigated a total of 41 general occurrences during the week of December 11-17, 1983.

Among the occurrences investigated were one break and enter, two thefts, 1 assault and 2 domestics.

Two charges were laid under the Motorized Snow Vehicle Act and two under the Liquor Licence Act.

Spot checks for drinking drivers resulted in a total of 359 vehicles being checked. One of these drivers was charged with impaired driving and two twelve hour driver's licence suspensions were issued. Other various charges were laid as a result of the checks. The spot checks will continue and are conducted at various times and locations.

On December 11, Adam Godfrey, RR 1, Madoc, reported the theft of his truck. Later in the day the truck was recovered by the Campbellford OPP detachment. As a result of an investigation by Const. D.W. Hill, Ian MacNaughton, 21, has been charged with theft.

During the night of Dec. 14-15, the Marmora Curling Club was forcibly entered and a quantity of cigarettes, liquor and money was stolen. Const. R.V. Bonter is investigating.

A total of 8 motor vehicle accidents were investigated during this time period. However, only four were reportable.

On Dec. 12, at 1:30 p.m. Carrol Archie of Belleville was driving northbound on Highway 62, south of the CNR subway south of Madoc. At this time, Deborah Neil, RR 2, Madoc, was travelling southbound when her vehicle skidded and collided with the Archie vehicle. Neil sustained minor injuries. Damage to the vehicles was estimated at \$1,300. Const. G.H. Rollins

investigated.

With the recent snowfall, snowmobilers are preparing for another winter of fun. As a reminder, snow vehicles being operated off the owner's own property must be licensed for the current year. If they are being operated on roadways and public trails the snow vehicle must be insured for Public Liability and Property Damage and the driver and passenger must wear an approved helmet.

Officers of the Madoc Detachment of the Ontario

Provincial Police investigated a total of 40 general occurrences during the week of Dec. 18-26, 1983. Twelve accidents were investigated, 8 of which were reportable. Investigations included four break, enter and thefts and one of false pretence. Two warrants were executed.

Spot checks for drinking drivers resulted in 221 vehicles being checked. Five persons were charged with impaired driving. Ten persons had their driver's licence suspended for

twelve hours. Three persons were charged with violations of the Liquor Licence Act. Various other charges were laid in relation to Highway Traffic Act violations. The public is advised that these spot checks will continue into the new year and are asked to exercise good judgement before driving a vehicle while under the influence of alcohol.

On Monday, Dec. 19, 1983, at 3:30 p.m., a logging truck collided with a transport on Highway 37 at Chapman Corners which resulted in one of the drivers being taken to Belleville General Hospital.

John Hines of Oshawa was operating a 79 Chex tractor trailer southbound on Highway 37 and had to brake suddenly to avoid traffic stopping ahead. His vehicle swerved into the left lane and struck a logging truck driven by William Petzold of Denbigh. The Petzold vehicle which ended up on its side in the west ditch received approximately \$11,000 damage. The Hines vehicle separated and ended up in the south lane with approximately \$7,000 damage. Hines was admitted to Belleville Hospital with neck and back injuries. After an investigation by P.C. Sawkins, Hines was charged with following too close.

1984 school grants

Details of the 1984 grants will be sent to school boards next month. Education Minister Dr. Bette Stephenson said last week.

The grant information contains data pertaining to weighting factors, grant ceilings, mill rates and other information which boards need to determine their budgets.

Provincial grants to the boards will total \$3,041.8 million, an increase of five per cent over this year. The

amount is \$144.8 million more than was allocated this year.

Dr. Stephenson said that enrolment is expected to decline 1.5 per cent next year while the assessment base is expected to rise by about two per cent. The \$3,041.8 million allocation should allow school boards to adopt budgets that will reflect the provincial five per cent guideline for public service wage restraints. Dr. Stephenson said, "The boards should consider what impact their budgets will have on the education mill rates and strive to keep the increase in local taxes to a minimum next year."

Child rearing

Provided as a public service by Hastings and Prince Edward Counties Health Unit, Children's Mental Health Services

BY SHIGE MORITA

Five-year-old Mary has been feeling a little sad and seems to cry a lot lately. She clings to her mother for no apparent reason. She is not talking much. She often appears indifferent to her two-year-old brother whom she used to fuss over so much. She is sometimes reluctant to go to school in the morning and has to be coaxed to leave the house. To make things worse for Mary, her mother started working part-time in the afternoon. So she does not see her till she comes home from work. But when she is home, she always seems busy with the housework and with her little brother.

There are many children like Mary. And many families are like Mary's. Some of those families do not have a father.

Even for fifteen minutes in the evening, your time completely alone with Mary would make her feel so much better. And you can say to Mary, "This is Special Time just for us."

Memories of old Model School

Continued from page 2

"The course of studies was highly concentrated, because the course lasted only 6 months. We studied mathematics, grammar, spelling, geography, history, reading, penmanship, and, of course, pedagogy. Practice teaching was done in the Public School whose students seemed to survive the constant onslaught of neophyte teachers. Although I cannot remember any of the pupils' names, I do recall there were a few rascals among the boys.

"After completing the course and qualifying, I stayed on, teaching in the Public School until the end of June but then Nonnie having left at the end of the course, I was very lonesome and homesick so I, too, returned home to Pictou.

"Since the course of studies required a lot of homework, there was very little opportunity for much social life. Once in a while, we did go to the movies and, one Sunday, I recall, we ventured out to the lake. We were greatly impressed with its depth and the whiteness of the lake and thought it would be classified as one of the seven wonders of the world.

"Some of the people I remember with fond memories are Mr. and Mrs. Callery with whom we boarded and their children, Tom, Mary, Celine and Celestine. Mrs. Callery was very motherly and a wonderful cook. Her homemade bread was especially good. Another family, who kindly invited us to supper several times was Mr. and Mrs. Cox

and their sons and daughter, Vincent, Clement and Mary.

"I believe that is all I can remember but I do want to take the opportunity of congratulating the Bell Committee on their success in restoring this part of Madoc's history and hope that for everyone in the community it will be a reminder of their heritage, each time they hear it ring."

ANNOUNCEMENT

Alex Winkler and Bruce B. Karten
announce the dissolution
of
KARTEN AND WINKLER,
effective January 1st, 1984.

Alex Winkler

Alex Winkler will continue to carry on the practice of law at 80 Division St., Suite 21, Trenton (392-2509) and at 33 Mill Street, Stirling, (395-3977).

Bruce B. Karten

will continue to be associated with Alex Winkler for the practice of law in the Hastings County area, as counsel in criminal matters.

On December 23, Sam Danford of Sam Danford Construction presented watches to two long standing employees of the company. Jack Jarvis, right, is 56 years old and has worked for the company for 17 years and George Hurley [second from right] is 71 and has worked for 21 years. Both men are still working for Danford. Sam Danford [left] and Secretary Karen Bailey presented a silver watch each to the surprised men.

Queensboro News

Mrs. Arthur Holmes spent the Christmas week-end at the home of Mr. and Mrs. Gary Holmes, Woller and they all visited Mr. and Mrs. Robert Turner "Sr." on Christmas Day, also Goldie and Gary visited Mrs. Lena Ash at Green Acres Nursing Home on Boxing Day.

Solicitor for the Executor,
Vincent Murphy

1984 is year OPP celebrates 75th anniversary

The Ontario Provincial Police are celebrating their 75th year of law enforcement in 1984.

The provincial police force was founded in 1909. From the original 45 men, it has expanded to its present-day complement of 5,200 officers and civilian support staff.

The OPP polices almost one million square kilometres in Ontario as it has a

"residual" policing responsibility; that is, it polices all of those areas which do not have an established police force.

OPP Commissioner Archie Ferguson said, "The OPP has been an important element in the development of this province during the 20th century. The OPP is present in almost 200 communities and many of the anniversary activities planned will involve people in the communities we

police."

Comm. Ferguson said that one of the first signs of the 75th anniversary will be bright colored decals displayed on OPP cruisers. The decals will also be placed on doors leading into OPP buildings.

An underlying theme of the anniversary will be the provincial police force's preparation for the years leading up to the hundredth anniversary in the year

2109.

Prominent in the 75th birthday celebrations will be

the OPP Pipes and Drums Band and the Golden Helmets Motorcycle Preci-

sion Team. They will be visiting fairs and parades all over the province.

Join 4-H Fitness Fare

If you're 12 years old by January 1st, why not join the up-coming 4-H project, Fitness Fare. As the title suggests it's about 2 very popular topics, food and fitness, and how they affect each other.

Since food is the basic fuel for exercise, getting the right mix in the right quantity is important for playing and working well. This project will stress good breakfast, lunch and snacking habits. You'll have fun preparing recipes that are low in fat, high in fibre, not

too sweet and still taste good. How about bacon and egg loaf, chili con carne, apple jog nog, apple crunch sundae or cheesy popcorn.

You'll also learn how to keep your weight where you want it and what you should eat if you like to compete. One of the club activities is to compare your stamina and flexibility to other Canadians of your own age. You'll learn to take your pulse and why you should.

Your 4-H leader will teach you the right routine of warm-ups, endurance, cool-

down and strengthening exercises for you. The highlight of the project during the meeting 6 will be the Fitness Meet, planned by the club members.

An important part of the project is learning why food diets don't really work and why they should be avoided especially when you're still growing.

Fitness Ontario has a program called "Family Fit Together" which is based on activities that the whole family can do together. See Fitness page 15

Marmora Atoms host Madoc

The Marmora Lions' Atoms hosted Madoc Atoms on December 22. Madoc took the lead in the first period with goals from Gord Preston and Tim Bailey and kept the 2-0 score until the third when Bernie Cassidy scored unassisted and Jason Nicolson scored assisted by Cassidy and Andy Meers.

Pat Graham broke the tie for Madoc only to have Robbie Cole and Brad McNiven tie it. In the last minute of play Madoc's Brad Phillips scored to end a very well played game 4-3 for Madoc.

On Dec. 23rd Colborne came to Marmora and left winners with a score of 8-5.

The action-packed game saw Colborne score first. Marmora came back and scored twice. Robbie Cole assisted by Brad McNiven and Andy Meers assisted by Jason Nicolson and Bernie Cassidy. Colborne ended the first period with two more goals.

Andy Meers scored twice in the second with the help of Bernie Cassidy. They were the only goals of the period.

Colborne took the lead in the third with two more goals. Mike Shorts tied the game up again but late in the third Colborne scored three unanswered goals to win the game.

Dec. 30 saw the Lions Atoms, in Madoc for a snappy game that saw Marmora win 6-2.

Bernie Cassidy was the big gun to watch as he scored three goals, two of which were unassisted and one assisted by Andy Meers. Andy Meers drew attention by scoring twice with one assist each to Bernie Cassidy and Robbie Cole. Kevin Nobes received one goal assisted by Robbie Cole and Brad McNiven. Scoring for Madoc were Charlie Brownson and Scott Tracey. These two teams meet again in Madoc on January 7, at 12 noon.

Ed Ottley appointed Advertising Manager for Cembal Publications

Mr. Joseph Cembal of Cembal Publications (1981) Ltd. is pleased to announce the appointment of Mr. Ed Ottley as Advertising Manager of the seven papers in his newspaper chain.

Mr. Ottley will be no stranger to many of our clients as he worked as advertising representative for Cembal Publications, originally in the Campbellford, Hastings, Norwood and Havelock areas. He was then promoted to General Manager of The Amherstview Heritage, another Cembal Publications newspaper.

Mr. Ottley will be returning to the area he started in with Cembal Publications as the advertising representative for that area, but he will also be responsible for Belleville.

"Ed has served every area he has worked in well," said Mr. Cembal, "and we are confident he will continue his fine work in his new position with our newspapers."

Michael Labossiere, who was the advertising representative in Belleville has now been promoted to Advertising Manager of The Amherstview Heritage.

To Ed, returning to the Campbellford - Havelock

area is like a homecoming. "I know many of those people and enjoyed my former association with them. I am looking forward to renewing old acquaintances and making new friends. As for Belleville, it's a challenge I'm looking forward to."

Patrick Lawrence is the new advertising representative for Stirling and area. Pat has been working with Cembal Publications for the past few months in the Madoc, Marmora and Tweed areas and he will continue to cover those areas as well as his new responsibilities in Stirling.

Novice Hockey: Havelock meets Campbellford and Hastings - wins all games

From Dec. 14-16, the Havelock Novices played two exhibition games with Campbellford and a league game against Hastings. In Hastings, the locals skated away to a 10-9 win with the team showing good balance in goal production.

Adam Levesque, Lee Reynolds, Calvin Larmer and Blair Emery each scored two goals with singles going to Pascal Hill and Dale Watson. Assisting

on the goals were Adam Levesque (2), Blair Emery (2), Lee Reynolds (1), and Calvin Larmer (1). In the first exhibition game against Campbellford, the locals won handily, skating to a 9-1 victory. Lee Reynolds and Pascal Hill collected three goals each with singles going to Calvin Larmer, Chad Wrightly and Adam Levesque. Lee Reynolds also collected four assists with singles going to

Brian Gratton, Calvin Larmer, Travis Toms and Danny Roffey.

The return match in Campbellford was a different game as Havelock narrowly edged an improved Campbellford team 3-2. Scoring for Havelock was Pascal Hill with two goals and Chad Wrightly with one. Assists went to Brian Gratton, Chad Wrightly, Pascal Hill and Calvin Larmer.

Bantams: Tournament Jan. 14, 1984

Last week there was an error in the DVSA Bantam game report.

Goal scorers for Marmora were: Craig Nobes assisted by Dwayne Bertrand when a man short. Chris Peters

assisted by Tim Cassidy and Kevin Terrior. Stephen Pascoe assisted by Cassidy and Peters, Kevin Terrior with 2 more, one which was short-handed, Kevin Doyle assisted by Terry Deline,

Stephen Pascoe assisted by Kevin Terrior, and 2 more for Kevin Doyle unassisted.

The DVSA Bantams will be hosting a tournament Sat., Jan. 14, 1984.

Stirling's Mean Machine takes on all challengers

Dateline Mean Machine

Mean Machine rookie "Hammer" Locke has been named the Mean Guys Premier Player of the Week for his instrumental performance in the MM's win over the Bert Jones Boys. Hammer's unique hockey style, which combines power skating and ballet, pooped him the hat trick that rallied the Mean Machine to an 11-7 victory. Voting was close but Hammer's dressing room performance gave him the nod. Andy Faulkner scored a slew of goals for the losers

but if he wants his picture in the paper he'd better change teams.

On the 28th, the Machine played the Guelph Platers farm team, the Guelph Serving Trays. Due to the fact that the Mean Machine was on holiday for the game, Mean Al Linesref was chosen player of the week. The score was Mean Machine 2, Pat Tracey Jr.'s Serving Trays a bunch more.

MEAN MACHINE, MEAN MACHINE, MEAN MACHINE.

"Hammer" Locke

Mean Al Linesref

Norwood Minor Hockey report

Tues., Dec. 20: The Branch 300 Legion Juveniles were on the road for league action in Warsaw. In this game the locals slipped past their opponent by a 7-5 score. Goals by: Gary Wilson with one, Rob Buchanan with two and Mike Lytle added four.

Wed., Dec. 21: The Norwood Legion Branch 300 Juveniles were at home to Warkworth. The local squad faced their second loss of the season as they went down to defeat by a 5-3 score. Scoring were: Rob Buchanan with one while Greg McCulloch added two.

Thurs., Dec. 22: The Lakeway Atomis were at home to Douro. These two

teams played end to end hockey resulting in a 2-2 tie. Scoring for the locals were: Ricky Murray from Terry Redpath, Andrew Hamilton from Chris Snetsinger and Jason Jones.

The local Novices were on the road to Douro. This game saw the locals return home 3-1 winners.

Fri., Dec. 23: The Norwood Home Hardware Bantams played host to Ennis more. This contest saw the locals shutout by a 4-0 score.

Tues., Dec. 27: The Norwood Branch 300 Legion Juveniles attended a tournament in Lindsay. In their first game the locals faced Douro and had little trouble

as they outscored the opposition by a 7-1 count. Scoring singles were: Greg McCulloch, Mike Goutley, Kevin Heffernan, Craig Dart and Kirk Jogle, while Mike Lytle added two.

In their second game the locals faced Stroud. This game proved very entertaining taking overtime to determine a winner. Regulation time goals were scored by: Craig Dart and Mike Lytle. The winning goal was scored by Mike Lytle from Craig Dart. This 3-2 win advanced them to the championship.

In the finals the locals faced Ops. This proved also to be very exciting, requiring overtime again. The locals were not able to come up with the winner and were defeated 3-2.

Thurs., Dec. 29: The Norwood Novices attended a tournament in Warkworth. In their first game the locals were defeated 11-0.

In their second game the locals faced league rivals, Keene. This game was very entertaining and required overtime to determine a winner. The locals could not

hold-on and were defeated 5-4 and eliminated from further competition.

Fri., Dec. 30: The Lynch's Pee-wee team hosted Warkworth in league play. The locals managed to slip by the opposition 3-1. Goals by: Jimmy Crawford assisted by David Stewart, Jimmy Crawford from Scott Rogers and Cal Clarke. Final goal by Todd Wood from George Moffat and David Stewart.

Lynch's Texaco Pee-wee A team went to a tournament in Colborne on Dec. 29.

In game one the locals played Omemee and defeated them 5-2. Dave Stewart had 2 goals and Jim Crawford 1. This was Omemee's first loss of the year.

Game two was against Pickering and Norwood won 5-0. Scoring singles were Scott Rogers, Jim Crawford and Dave Stewart. This put Lynch's into the final.

It was really no contest as Norwood blasted Trenton 11-2. Leading the way were Greg Snetsinger and Dave See Norwood on page 14 and 12.

Jeff is an outstanding player who plays forward for the 'Rep' team. Last weekend he picked up one goal and one assist in the game against Ernestown Township. Photo by Linda Manlow

Dairy Queen Novice Blues introduces No. 9 Jeff McMullen

Eric Manlow slips one by the Napanee goalie to beat Napanee 2-1 in the last 15

seconds of play. The game was end to end throughout and the fans had no

shortage of excitement until the final whistle.

Stirling Dairy Queen Novice Blues

On Fri., Dec. 30, the Novices travelled to Ernestown and faced close competition.

The first game against Napanee was exceptional. The play was end to end throughout the game. Napanee scored the opening goal. Eric Manlow from Greg Barr tied it up in the second.

The third period kept the fans in suspense until Mike Moore, our reliable defenseman made a precise pass to Manlow. Racing against the clock, Manlow beat the goalie and had 15 seconds to spare. Final score was Stirling 2, Napanee 1. MVP for the game was Eric Manlow.

The second game against Ernestown featured exciting hockey with the teams being evenly matched. The opposition was first to score but Stirling quickly pulled into the lead. Andrew Rodgers from J. McMullen and L. Kahler scored a fantastic goal.

Then McMullen from Rogers and Rodgers showed great team work to put in another. Ernestown bounced back to tie the game at the end of the first period. Manlow put us

ahead in the second. Ernestown tied us. However, with a slip of our stick, Ernestown was credited with another goal. In the last

minutes of play they put in two goals to secure their lead 6-3.

MVP for the game was Andrew Rodgers.

Hurricanes humiliated on home ice to Gananoque

MTM Hurricanes went down in agonizing defeat last Thursday night in Madoc against Gananoque. The final score was 7-6. The game was close from the start, but Madoc kept the edge until the final two minutes of period three.

The final started with the score at 6-4 for MTM, but Gananoque quickly scored one. Then, with 2:03 left, they tied it up. The home team could not keep control of the puck anywhere on the ice. With about 1:48 left, Bruce Palmatier made what

looked like a shot to clear the puck behind the Hurricane net, but the puck hit the post, bounced out, and was deflected back in again past Jeff O'Neill. The sure victory was taken out of the Hurricanes' hands with only two minutes left. Midway

through period two, Tom Clement [above] of the Hurricanes slipped in a beautiful goal after the goalie had been drawn out. It's too bad that playing couldn't have lasted...

Stirling Blues are runners-up at Buffalo

Stirling's Bird's IGA Blues Juveniles captured the consolation trophy at the 8th Annual Festival of Hockey in Buffalo, N.Y., last week. The Blues were entered in the Junior C division which was open to juvenile teams from Canada.

After suffering a 4-1 setback to the Mississauga Jets, the Blues rallied to tie Buffalo's Knights of Columbus 5-5 and then skated to a 5-1 win over the Buffalo Hornets.

Rob Elliot fired the lone Blues' goal against the Jets. Don Wellman led the Stirling attack in game 2 with a pair of markers. Single tallies were by Eddy Vanattan, Greg Fraser, and Rob Elliot.

In the 5-1 win over the Hornets, the host club, the

Blues dived up the scoring as Don Wellman, Steve Wells, Eddy Vanattan, Jim Fennell and Greg Fraser all chipped in with a goal apiece.

Blues now have won 2 As and 2 consolation championships in the five tournaments they've entered to date. In the other, at Belleville, they went undefeated but were eliminated on goal average.

The next tourney, the biggest, comes at the end of the month when the Blues travel to Mooretown (near Sarnia) for the North American Silver Stick Juvenile Finals. Blues have been finalists the past two seasons.

Next home game, Mon., Jan. 9th, at 9 p.m. vs. Campbellford.

"Roll Blues Roll"

Madoc Atoms show well in tournament

On Dec. 28, the Madoc All Star Atoms came out of the Warkworth Invitational Atom Tournament with a win and a loss for the day.

Game 1: Madoc 5, Oshawa Bruins 2. Oshawa were very impressed with a top team effort by the Madoc team. Even though Oshawa outshot Madoc 20-18, the Madoc boys completely outplayed, outmaneuvered and outlasted Oshawa for the win.

Tim Bailey was Madoc's big gun with 3 goals and 1 assist; Brad Phillips had 1 goal, 2 assists; Ian Ketcheson, 3 assists; Pat Graham, 1 goal, 1 assist; and Clayton Cavel 1 assist to round out Madoc's point getting.

Marty Shaw held off Oshawa's attempts and with a strong goaltending per-

formance backed Madoc for the victory.

Game 2: Campbellford 2, Madoc 1.

This was a heartbreaking loss as both Madoc and Campbellford battled through 2 scoreless periods and then Madoc scored with only 5:17 left in the game to get what looked like a big goal. Tim Bailey scored it from Ian Ketcheson. However, Campbellford scored with 4:06 and 1:44 left in the waning minutes to take a tear jerker from the hands of Madoc. Campbellford outshot Madoc 15-12.

Even if the Madoc lads bowed out at this point in the tournament they put up a good performance during the day's play and have nothing to be ashamed of.

Marmora Peewees meet Madoc

BY SUSAN M. CUDDY

The Marmora IGA Peewees met Madoc for the fourth time Friday night for a spectacular hockey game. Jeff awkins started Madoc rolling with an unassisted goal. Just minutes behind Matt Cuddy scored to tie the game with an assist going to Evan Robinson and Troy Bertrand. Jason Bailey assisted by Jeff Sawkins and Dereck Woods put Madoc in the lead but they were unable to score again until late in the third period when Brian Forestell scored two

assisted by Jason Bailey and Jeff Wood on one, and Paul McMaster on the other. Jason Bailey's goal was unassisted.

The final score was 5-1 but the game was not one-sided as both teams played good hockey. Marmora's next game is Jan. 8, at 4 p.m. in Marmora against Stirling.

The Marmora Merchant Peewee Bs had no games over the holidays but on Wed., Jan. 4, at 6:30 they host Norwood.

200 Club winners

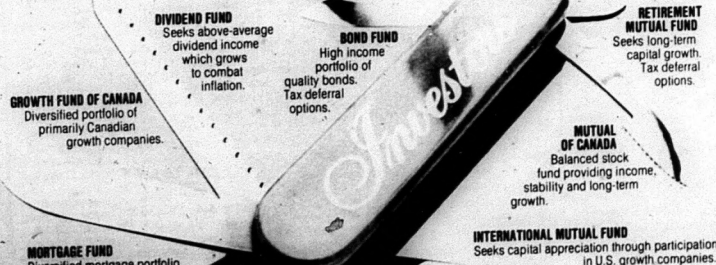

The lucky winners of the Minor Hockey 200 Club this month were Terry Clements, Bill Delane, Ky and George Lummis and Betty Welch.

THE INVESTMENT EDGE

INVESTORS HAS NINE FUNDS TO CARVE OUT YOUR PERSONAL STRATEGY FOR FINANCIAL SUCCESS.

In the battle between investment dollars and inflation, your Investor's advisor gives you a competitive edge. It's a proven investment concept called "Management for Capital Growth." It works because it's based on a comprehensive review of your present position and future needs. It identifies your "investment comfort zone," then pinpoints your portfolio strategy with razor-sharp accuracy.

Your balanced portfolio might combine the security of guaranteed income with the tax benefits of Canadian dividends and the high growth potential of "blue chip" Japanese stocks.

"Managing for Capital Growth" enables you to create a portfolio that's right for the times — flexible, diversified, competitive. Get the Investment Edge. See your Investor's advisor now and start cutting inflation down to size.

To contact an Investor's advisor, just look in the phone book under "Investors". Or write our Head Office: Investors Syndicate Limited, 280 Broadway, Winnipeg, Manitoba R3C 3B6.

"WE CAN SHOW YOU HOW TO SHARPEN YOUR INVESTMENTS."

DUNFORD
SALES & SERVICE

Hwy. 30 South, Havelock
Phone - 705-778-3767

Hours: Mon. to Fri. 8 a.m. to 8 p.m.
Sat. 9 a.m. to 1 p.m.

Watch your step when buying land

Lakefront lot, 43 acres of hardwood bush with over 5000' of shoreline. Only \$35,000.

200 acres and trout stream. Just \$31,900. Plenty of trees. Close to a small town. Hydro.

A 6-acre lakefront lot on a lake with 15 miles of boating. Beach. Year round access. Only \$15,000.

These are typical examples of newspaper advertisements that are leading some people into the hands of unethical land speculators.

The Ontario Ministry of Consumer and Commercial Relations has received numerous complaints from people who say they were bilked by companies in the purchase of cottage and "great" land located throughout Ontario.

The complaints range from the loss of property downpayments of \$500-\$10,000, to gross misrepresentations of lots for sale.

All buyers who complained to the ministry had responded to advertisements in Toronto newspapers, similar to those above.

To avoid being bilked when buying land we suggest you follow the tips below:

Consult a Lawyer - Real estate transactions are complicated and should be overseen by a lawyer paid to look after your best interests. Never use a lawyer who is also acting on behalf of the vendor or the vendor's agent.

Shop Around - Once you know the type of property you want, begin your search by consulting real estate listings in newspapers and at

real estate brokers' offices. Never buy land unseen. It's always wise to inspect several lots before deciding on one.

Deal With A Legitimate Vendor - Property in Ontario can be sold directly by the owner or his representative real estate broker (s). Be extra cautious when buying land from a private seller who you do not know. Unlike a real estate broker, a private seller has neither a registration certificate to lose nor a business reputation to protect. There is no specific legislation governing private property sales.

A private seller could be a land speculator who buys and then resells the property at inflated prices. There is nothing illegal about speculating on the market.

Always ask to see the vendor's deed (proof of property ownership) or the real estate broker's authority to sell on the vendor's behalf.

See Proof Of Registration - All real estate brokers (the agents contracted to sell property) and their salesmen must be registered by law with the Ontario Government.

Ask to see the broker's registration certificate (it may be displayed on an office wall). If you want to check a registration for authenticity or if you encounter an agent who is operating without current registration, contact the consumer ministry at (416) 963-0444.

Study The Agreement Before Signing - An agreement of purchase and sale is a legal contract, in which you, the buyer, agree to purchase a property from the vendor

according to specific terms and conditions. The offer should detail every facet of the transaction and every feature of the property. Never sign an agreement without studying it privately, away from sales pressure. Your own lawyer also should review the agreement for legal loopholes and fairness before you sign it.

Insist On Conditional Buys - Any offer of purchase and sale should contain a clause giving you the right to cancel the contract - and have your deposit refunded - if any claims are found to be registered against the property or the vendor. View any vendor with suspicion who refuses to give you two working days to check for claims.

Ensure Clear Title - After you have signed an offer to purchase containing a conditional clause as noted above, have a lawyer search the title to see if it is free of unpaid taxes, liens, mortgages and other possible claims. You could do the search yourself but the process is complicated and any errors could be costly. When you buy property, you assume responsibility for claims registered against it.

Watch Out For Extravagant Claims - Vendors who boast of offering "once-in-a-lifetime deals" or "one of a kind properties" should be approached with caution. There are no give-aways.

though reasonable buys do exist.

Check Municipal By-Laws - Check with your municipal council for any bylaws that may restrict the property use (for instance, you may not be able to build on the lot). Also check with your municipality for any right-of-ways for such things as telephone lines or roads, and for municipal services such as water, electricity and sewerage. The cost of extending services to your property may be prohibitive.

Talk To Locals - Ask local residents about conditions you cannot see that should influence your decision to buy. For instance, learn about seasonal road and weather conditions, uncooperative neighbors and other possible problems such as lakes unsuitable for swimming. You may discover, for instance, that a property that looks ideal on inspection in summer is usually flooded with water in the spring.

If you feel you have been bilked in a property sale, please contact your local police or a Consumer Services Bureau, Ontario Ministry of Consumer and Commercial Relations. Bureaus are located in:

Toronto - 8th floor, 555 Yonge St., M7A 2H6, (416)-963-0521

Ottawa - Suite 102, 1673 Carling Ave., K2A 1C4, (613) 725-3679

Peterborough - 8th floor, 139 George St. North, K9J 3G6, (705) 743-8728.

Comments on the Crow's Nest Pass freight rates

BY BOB TROTTER

Weeks and months of parliamentary haggling and partisan lobbying and the Crow's Nest Pass freight legislation has finally been passed.

Few people outside of agriculture in Canada have a ghost of an idea what the legislation will mean. Even some people who are opposed to the bill are fuzzy about what will happen. Even some members of the government that sponsored the changes do not know the ramifications.

I have been an observer of—and sometimes a participant in—the farm scene for 35 years and I'm still perplexed. All I know for sure is that some changes were necessary. Even many Western farmers agreed changes were needed.

I am convinced that the changes will mean a greater shift away from livestock farming in the west which will mean they will be even more dependent on grain markets and foreign sales. Whether this is good or bad remains in the hands of the rest of the world and the demand for grain.

If world grain prices fall, they could all go bankrupt.

The new legislation is exceedingly complex and much of the complexity has come from sentiment, special influence and lobbying. To attempt an explanation of the whole package is beyond my abilities but it seems to be the clear winners in the package are the railroads.

Western grain farmers may get better service from the major cities in the west.

Bulk shippers of coal, potash, sulphur and forest products will rejoice because they will also get better service. Or the railroads have promised better service. There is a difference. Certainly, manufacturers of goods in the east will get a better break.

The emphasis on improving rail service will definitely not help those hundreds of grain farmers who are off the beaten track, the little guys and the big guys who live miles from the main lines. The railroads have constantly emphasized the double-tracking projects that will be completed if they can charge more. You know, and I know, those double lines will not be placed into small farming communities, some of which

have been abandoned by the railways for five or 10 or 15 years.

These smaller communities will have to pay truckers to get the grain to the larger centres. And there goes the profit.

When these branch lines were left to rot, promises were made that the roads would be upgraded. Those farmers surrounding the now-isolated towns are not holding their breath waiting for improved roads.

The fight is not over. In April a commission of interested representatives will study the method of payment of the hundreds of million dollars of federal subsidies.

It seems to me that the railways will have their way again and the farmers will be left whistling in the cold

prairie winds.

Big business, big corporations have again won the battle and the human aspect has been forgotten.

The aforementioned commission is supposed to determine whether the subsidies will be paid direct to railways or to the grain farmers. The report is supposed to be tabled by April, 1985, in time for a promised review of the Crow rate under the new rules.

Farm organizations will continue the battle at that time. Because farmers lost this battle, they should not be discouraged because the war is not over.

I would be willing to bet that big business, big corporations will again become victorious.

Ain't it a shame?

How to design and build your own home

The Thousand Island Institute - Owner Builder Learning Centre will be repeating its series of workshops on "How to Design and Build Your Own Home". A series of free introductory seminars are being held in the region in the following fashion:

Peterborough Jan. 10, 1984 7 p.m. Peterborough Public Library 547 Aylmer St.

Belleville Jan. 11, 1984 7 p.m. Loyall College - Pioneer Building - Room F28 - Loyall Rd.

Kington Jan. 12, 1984 7 p.m. Kingston Public Library - Wilson Room - 150 Johnson.

Canada's first Owner Builder School is expanding the program to now include

people who are interested in designing and self-contracting their home.

The program is designed for women and men without previous building experience. The advantages for people who complete the course are 30 per cent - 70 per cent savings on the cost of building the home. Truly energy efficient designs which consume 80 per cent less energy (without spending extraordinary amounts of money on solar hardware) personal design features such as cathedral ceilings, and techniques which enable anyone with a helper to build a home in 27 weekends.

The course consists of 12 workshops to be held on

weekends starting Jan. 21 at Loyall College in Belleville. Each workshop is four hours long - combining lecture-series with "hands on" experiences. The workshops include everything an owner builder (or self contractor) needs to know to do the design, electrical, plumbing, foundation, exterior walls, roofing, interior finishes, storage, kitchen, heating and cooling, windows, doors as well as permits and mortgages.

Registration for all or part of the series of workshops is possible after the free seminars, or Jan. 21 8:30 a.m. at Loyall College in Belleville or by phoning 615-476-7213.

Cooney Farms Atoms win 'A' championship

Stirling Cooney Farms Atom Blues had a bad game on Thursday night losing to Brighton 5-0. The team just could not get anything going.

On Friday they travelled to Omece on their annual Atom Tournament and

came home with the "A" Championship.

In the first game they played Stouffville and won 5-1. In the first period Jeff MacRae scored assisted by Trevor Torrance and Todd Reid.

In the third period Dennis

Murray scored from Todd Reid and finally for the Blues. Trevor Wallace scored assisted by Todd Reid and Damon Osborne.

In the second game they boys had to play the rough and tough Lakefield team which proved to be very

hard on the nerves for Manager Ted Reid as he said he "almost had to leave the arena as the game went two full overtime periods" with neither team scoring, but the game was awarded to Stirling because in the final overtime period Stirling

had three shots on net and Lakefield two.

After the game was over, coach Rodney Cooney and assistant coaches Bob Ellis and Bill Osborne were very pale as though they were a little nervous took along with the Blues' fans.

The third game also proved to be very exciting as the Cooney Farms boys played Knox United from Peterborough for the "A" Championship and won 2-1.

There was no scoring in the first period and then in the second period Trevor Wallace scored by carrying the puck in all alone and this goal was unassisted.

Madoc Peewee B's dropped by Stirling B's

After holding Stirling B's to a 2-2 tie here in Madoc earlier, the Madoc B Peewees were 6-4 losers in Stirling this time.

The local Madoc boys are

still hopeful of winning a game yet, as they now own a season's record of 0-4-2 (wins, losses and ties).

Stirling jumped into a 2-0 first period lead. Madoc

came back in the second to close that lead to 2-1. Only Stirling added three unanswered counters to pull away 5-1 after the second round.

Beginning the second period Madoc again drew first blood when Pat Bailey scored his second to make it 5-2. Stirling then made it 6-2 before a hard fight back

by Madoc earned Mike Kehoe two goals, and drew the count to 6-4. It was too late for any more and Stirling were winners.

Point getters for Madoc were: Pat Bailey, two goals, one assist; Mike Kehoe, two goals; Tim Osborne, two assists (now has a four game point streak); Angus McNeil, two assists; and Dale Sager, one assist.

At 1:34 of the third period Jason Walsley scored assisted by Brock Ellis and Trevor Wallace.

Jason is a new member on the team. He has been playing two to three weeks and is doing a good job. Looking good! Jason!

Scott Sharpe came through strong for the boys in all three games making some spectacular saves. Also playing very strong on defence were Brock Ellis, Damon Osborne, Jason Vanslyke and Todd Reid who had three big assists in the first game.

The entire team played like real "pros" and showed good sportsmanship. "Roll Blues Roll!"

Colborne wins third straight over Madoc

By BILL DENISON
Colborne, Mon., Dec. 19

Colborne made it 3-0 over Madoc Midgets in games played thus far with a 7-2 trouncing over the local club. Previously, Colborne had defeated Madoc 5-1 on their home ice before, and

5-1 right on Madoc ice. This loss leaves Madoc Midgets with a 5-4 season record.

Colborne led only 1-0 after period one. It was 4-1 after two for Colborne and then a final tally of 7-2.

Each team was assessed

10 penalties in the fairly rough tussle.

The Colborne club seemed to overpower Madoc and took advantage of their scoring opportunities to run away with the result.

Tucking the puck in the net for Madoc Midgets

were: Duncan Koszwick (his ninth and high for the team) from Troy Melvin and Danny Powell (his 10th tying for team lead); and Peter Brady, from Kevin Bertrander (his 10th tying for team lead) and Troy Melvin (his second of the game).

Point getters for Stirling were: Scott Blackburn, three goals; Chris Maybee, one goal, three assists; Steve Dracup, one goal, one assist; Steve Baldwin, two assists; David Reeks, two assists; Trevor Torrance, one goal; one assist each to Jeff Sharpe and Glen Chivers.

Belleville beats Madoc 3-2 in exhibition play

Madoc, Sat., Dec. 24
Belleville Pizza 'N' Mug Minor Atoms edged Madoc Atoms 3-2 in a closely contested hockey match.

therefore outmuscled. Belleville had their hands full in just defeating Madoc 3-2 for their first win this year.

Madoc on goals by Pat Graham and Tim Bailey had

leads of 1-0 and 2-1 after periods one and two respectively. Tim Bailey also assisted on the first goal.

The degree of intimidation made the marked difference as Belleville muscled their way through for two third period goals to

take home the squeaker victory.

Belleville gathered seven penalties to Madoc's two. Marty Shaw played another top notcher in Madoc's goal to hold Belleville shooters to just three counters.

Madoc Peewee B's fall to Havelock 6-0

Havelock Peewee All Stars downed Madoc Peewee B's 6-0 in a good game of hockey played on Fri., Dec. 30. The Madoc lads were playing against a

higher classed team but put on an overall good effort in their loss.

There were 13 penalties given with 7 going to Havelock and 6 to Madoc.

Madoc Atom B's go down again to Marmora 6-2

By BILL DENISON

For the second time in two weeks, the Marmora Lions Atoms ran over Madoc's Atom B team on Fri., Dec. 30, by the same score 6-2. The previous encounter was played in Marmora.

This is the third straight loss for the Madoc Atom B team since they entered the All-Star level in place of Tweed.

Marmora had leads of 3-0 and 4-1 after the first and second periods.

Bernie Cassidy fired home 3 goals to lead Marmora scorers. Andy Meers tallied two goals and had 1 assist for second best for Marmora. Also getting points for Marmora were: Robbie Cole 2 assists; Kevin Nobes, 1 goal; and Brad McNevin, 1 assist.

For Madoc, Scott Tracey and Charlie Bronson scored goals and Tommy Burnside assisted on both of them.

Marmora had 5 penalties and Madoc 3.

Madoc Midgets downed by Tweed

After previously thumping Tweed Midgets 10-3 and 11-3 the Madoc club was dumped by a determined Tweed band 6-2 on Fri., Dec. 30.

This evens the season's record for Madoc Midgets at 5-5.

From the beginning, even though Steve Needham slashed home a blazer from the point assisted by Peter Ringelmann and Danny Powell giving Madoc a 1-0 lead, Tweed really domi-

nated the game. It was 1-1 after period one.

Period two fully belonged to Tweed as Madoc just didn't have it. Tweed 5, Madoc 1, after two sessions was how it read.

Going up 6-1 in the third period, it was an easy runaway for the Tweed team. Just 13 seconds were left when Eric Brinks from Kevin Bertrand finished the night's scoring.

Madoc had 10 penalties to Tweed's 7.

Bancroft loses to Madoc Peewees - exhibition play

The Madoc Peewees met Bancroft for an exhibition game on Thurs., Dec. 29. Bancroft Peewees scored first but before period one was over, Brian Forestell tied the game 1-1 from

Jason Bailey. Period two saw Jim Boster score unassisted for Madoc. Jason Bailey from Derek Wood in period three made the final score 3-1 for Madoc.

Cooney Farms Atom Blues win after a visit from Santa!

On Thursday night the Cooney Farms Atom Blues had a very close and exciting game against Campbellford with the score ending at 1-1.

There was no scoring in the first period with both goalies playing well. In the second period Campbellford pulled ahead 1-0.

Finally at 4:52 of the third period Trevor Torrance scored to tie the game with assists going to Rob Donohoe and Todd Reid.

Friday Night - Belleville
On Friday night the Blues had an exhibition game with Belleville Minors defeating them 3-2.

Belleville opened the scoring in the game at the 9:00 mark of the 1st period when Jamie Morton scored to tie the game with assists going to Trevor Torrance and Jeff MacRae.

After hard work, Dennis Murray put Stirling ahead with the assists going to Trevor Torrance.

It wasn't long until Belleville came back to tie the game again. At 1:04 of the third period Jeff MacRae put Stirling ahead 3-2 with assists going to Trevor Torrance and Brock Ellis.

Scott Sharpe played well in net as well as the entire team putting forth a terrific performance.

I guess the boys played so well due to the visit they had in their dressing room from Santa. They all received candy bags. Santa also went into the Belleville dressing room to treat the Belleville team. Thanks Santa!

The Blues would like to thank Wayne and Lois Reid of Reid's Apple Orchard for the apples they donated to Santa for his candy bags.

Madoc Peewees win 13th consecutive game

Madoc, Tues., Dec. 20

Winning their 13th consecutive league game was not any easy task for Madoc Peewees.

The final score over visiting Tweed was 6-2. However, a slim 1-0 lead managed in period one on a goal by Tom Deline from John Pack, was slimly held onto with just under 10 minutes left in the final period. Then fireworks began to take place and six goals were scored in the space of two minutes and 33 seconds.

Quickly Madoc led by Jason Bailey's ace playing scored two (he had three for the night). But Tweed forced in and banged in two just as quickly to again tighten up the battle 3-2.

Again Jason Bailey pulled the trigger as did Jeff Sawkins and Trevor McTaggart to leave the final registering at 6-2 in Madoc's favor.

Tweed put up a strong contested demonstration while the Madoc boys just didn't seem to put it

together. It wasn't because of effort, but the plays just didn't click and it was a toss up through much of the game if Madoc would win. Previously Madoc had won in Tweed 6-1 and 13-0 here on home ice.

Point makers for Madoc were: Jason Bailey, three goals; one assist (10 consecutive goal scoring streak and a 13 consecutive game point streak); Jeff Sawkins, one goal; two assists (a six game point scoring streak); Steve Brinks, two assists; Tom Deline and Trevor McTaggart, one goal each; one assist each to Shawn Chapman and Brian Forrest (continuing his point streak to 13 games).

Jeff McMaster allowed no goals in his half of the Madoc netminding (lowering his goals against average to an amazing .35). Barclay Sexsmith played the last half of the game in Madoc's net and was beaten twice. Tweed had four penalties. Madoc had just one.

Madoc "Tykes" squeeze past Havelock 3-2

Havelock, Sun., Dec. 18

A newly put together Madoc Tyke club came home with a 3-2 victory over Havelock.

The Madoc boys outplayed and outshot the Havelock band and held the play in Havelock's end for a best portion of the second period.

Point getters for Madoc were: Tommy Sanford, two

goals, one assist; Gerry Brownson, one goal; and Brian Phillips, one assist.

John Brownson played as Madoc's goalkeeper. The Madoc Tyke team is as follows: skaters: John Brownson, Jeff Daniels, David Graham, Billy Harrison, Brian Phillips, Tom Sanford, Shawn Smith and Terry Trotter. (Different players will take turns tending goal each game.) Doug Phillips is the hard working coach for this new entry in Madoc.

Norwood results

Stewart with hat tricks. George Moffat added 2, with one each to Scott Rogers, Jim Crawford and Derek Lynch. Scott Toms played excellent goal in all three games. This tournament was the boys' best hockey to date and it was against much bigger centers.

Next tentative game is set for Madoc Sat., Jan. 14 at 5 p.m. against this same opponent: Havelock Tykes.

MEMORIALS

BIRD, Mildred - In loving memory of a dear wife, mother & grandmother, who passed away Dec. 24, 1981. Your presence we miss. Your memory we treasure. Loving you always. Forgetting you never. Loved & remembered by Jim & family. 11

BIRD - In loving memory of a dear friend, Mildred, who passed away Dec. 24, 1981. Ever remembered by Jack & Ruby Francis & family. 11

BIRD - In loving memory of a dear friend, Nellie Bird, who passed away Dec. 24, 1981. Beautiful memories are wonderful things. They last till the longest day. They never wear out. They never get lost. They can never be given away. To some you may be forgotten, to others a part of the past. But to us who loved & lost you, your memory will always last. Lovingly remembered & sadly missed - by Geo. & Joan Williams & family. 11

SEARLES, Lorraine - In loving memory of a wife, who died Jan. 18, 1977. Just when your life was brightest, Just when your years were best. You were called from this world of sorrow, To a home of eternal rest. Lovingly remembered by her husband Garnet & Stepien Lance & Todd. 11

SEARLES, Mrs. Annie - In memory of my dear mother & grandmother who passed away Dec. 25, 1976. In a quiet little graveyard, Where the gentle breezes blow, Lies the one I loved so dearly, And lost seven years ago. Till memory fades & life forgets, You will forever live in my heart. Remembered by son Garnet & grandsons Lance & Todd. 11

KERR, Martin - In warm & tender memory of my much beloved mother, Ruth Eleanor Kerr (Martin), who passed away 1 year ago Nov. 6, 1982. And to the fond memory of my grandparents, Harold & Pearl Martin, especially remembered with bitter-sweet memories at Christmas time Eleanor & family. 11

MARTIN, Maggie - In loving memory of a dear cousin, who passed away Jan. 5, 1983. As time unfolds another year, memories keep you ever before me. Silent thoughts of time together. Hold memories that will last forever. Lovingly remembered by Della, Ralph & family. 11

A Special No Cost Upgrading Opportunity At Loyalist College

If you don't have the basic academic skills you need to get the job you want - Loyalist College can help!

Loyalist College is offering a special full-time upgrading program to prepare individuals, particularly women, for further study in trades and technology.

Our counsellor will help you plot a career path and choose the courses that meet your needs and goals.

This *program is up to 20 weeks in duration, depending on your needs and is OFFERED AT NO COST. Loyalist College also offers special programs including Introduction to Non-Traditional Occupations (INTO) designed for those planning careers in non-traditional fields.

This NO COST program is a result of the support from the Ministry of Colleges & Universities and the Board of Industrial Leadership & Development.

For details on these programs call Loyalist College at 962-9501 Ext. 307 and ask for T.U.P. information after January 2nd, 1984.

*Authorization for this program ends March 30th, 1984.

More of Madoc year end review

Continued from page 2
were the Canada Day Sidewalk Sale and the 1965 Madoc High School reunion. On July 1 and 2, Madoc business section was the scene of some of the most frantic shopping in years. Stores reported successful sales during the hot, sunny holiday.

The fun and festivities for the reunion lasted through out the weekend at Centre Hastings Secondary School (CHSS) and Madoc and District Recreation Centre.

Another big event that took place in July was the presentation of the Annual Man of the Year Peace Award to Roland Michener, former Governor General of Canada. The award was presented by representatives of the Lester B. Pearson Park in Tweed, at the Trinity United Church in Madoc.

AUGUST

Madoc Village Council told the village firemen not to respond to fires in another municipality where there is no agreement. At the July 27, Village Council meeting, Deputy Reeve T.C. Barton explained that if a fireman was injured in an outside municipality where no agreement existed, Workmen's Compensation would not honor a claim. Also, if a fire occurred in the village while the Madoc firemen were at an outside fire, the Madoc resident could sue for lack of protection.

Also that month, a

Belleville man named John James McConnell, 31, was found dead in seven feet of water, 45 feet off the shore of Moira Lake. The Ontario Provincial Police divers found the body after searching for approximately 12 hours.

McConnell and two other men were fishing in the lake two nights before the body was found when the boat was accidentally capsized. The victim tried to swim to shore and was not heard from again. The two survivors clung to the boat and were eventually rescued by other fishermen.

A house owned by Glen Briggs on O'Hara Road near Highway 7, burned to the ground. There were no injuries. The house was rented by Brian Nickle when the fire started. By the time Madoc Township Fire Department arrived at the scene, the building was completely engulfed in flames.

SEPTEMBER

September, the month of the Madoc Fair. This month, the Madoc Village Council decided to ask for tenders regarding monitoring any leachate movement at the Madoc Waste Disposal site. The decision was made after the Ministry of Environment (MOE) informed council that there may be problems of leachate movement at the site.

Doug Graham, environment officer of MOE said

the village should get a monitoring system underway as soon as possible.

Ken Adams Contractors were given the go ahead by Madoc Village Council to start \$10,000 worth of sidewalk repairs.

The RCMP were looking for, and later caught the president of Satan's Choice motorcycle gang in connection with the drug bust that took place north of Madoc on September 10. President of Satan's Choice Michael Everett, 34, of Markham, Ontario, is believed to have been involved with the conspiracy to manufacture \$3 million worth of methamphetamine (speed).

Three other people were arrested north of Madoc, after being found in possession of the chemicals.

OCTOBER

During the month of October, local and provincial police forces were warning all citizens to be cautious of strangers following reports that a group of "gypsies" were gaining illegal entry into houses and stealing valuables and cash.

On two separate occasions in the Madoc area, a total of \$5,750 in cash was stolen from homes of elderly people.

By mid-October, three gypsy suspects were taken into custody in Peterborough for multiple thefts including break and enters. The authorities were put back on track when the home of Mr. and Mrs. Lewis

Judge of 24 Prince Albert St., Madoc, was forcibly entered at 11:30 a.m. on October 5. The suspects are believed to have made off with four pieces of jewellery valued at approximately \$1,400.

On October 19, two new multi-plate culverts were placed at the site of the old one-lane bridge on O'Hara's Road.

Another major event that took place in October was the 150th anniversary of Trinity United Church.

NOVEMBER

This month, after a long year of fund-raising, the Madoc Public School bell tower was nearly completed. The official date for the bell ringing was set at December 2.

Dave Brazeau of Madoc was elected as Lieutenant Governor for the Loyalist Division of the Kiwanis, Eastern Canada and Caribbean District. Brazeau is the first Madoc man to receive the title since Jack Baker's term in 1955. The 1982-83 Lieutenant Governor was John Kelderman.

Also this month, the village hired Geo-Analysis to start a \$4,470 leachate monitoring program at the Madoc Waste Disposal site.

Of course, who could have forgotten the Santa Claus Parade in November? Out of the 45 floats that were entered, the Valliers float won Best Christmas Theme and Best Overall Award.

The Madoc Co-op held their annual meeting and reported a good year-end. For the first time in five years the association paid back a dividend to its members.

The Remembrance Day service held November 11 was also very well attended.

DECEMBER

Most of us will still vividly remember the final month of the year. The highlights would probably

be the Christmas celebrations, along with the threat of Ontario Provincial Police spot-checks. It seems there was a balance.

At the beginning of the month, it was announced that the village had authorized the formation of a 1984 Bicentennial Committee to organize events for Ontario's birthday. Brenda Hudson of Madoc was appointed as chairman.

Some good news in December was that Melissa McGarry of Madoc did not suffer serious injury after being hit by a car driven by Brian Richardson of RR 2, Marmora. The incident occurred on Elgin St., just in front of Madoc Public School.

Richardson was charged with careless driving and

dangerous driving.

At this point, the Junior C MTM Hurricanes have battled to first or second place in the standings and look as if they'll have a clear shot at winning the championship. All they have to do is cut down the penalties. On December 1, the locals played a home game against Frankford which ended in a free-for-all fight. The Hurricanes had already won the game 6-7.

Also this month, Jack Kincaid, former Madoc Hydro Commissioner and reeve from 1948 to 1953, and now Hagersville Commissioner, was presented with a commemorative plaque recognizing his 15 years of service to the two municipalities.

Madoc UCW meets

By VIOLA WANNAMAKER

The UCW held their Christmas meeting Dec. 21 at 2 p.m. at the home of Anna Carman. There were 14 members present. The leader Mrs. Vera Smith welcomed all present and opened the meeting with Hymn 58 "Silent Night" followed by "The Lord's Prayer".

Vera read a Christmas poem. The minutes were read by the secretary Verna Empey. Cards of thanks were received from the shut-ins for plates of cookies and poinsettia plants. The treasurer's report was given by Eva Brownson. The worship and program was conducted by Mrs. Joyce McGrath. The greeters for church were discussed.

A poem "Wonders of God's Love" was read. Hymn 58 "It Came Upon the Midnight Clear" and "O Little Town of Bethlehem" were sung. The

meditation of the manger, composed by Myrtle Broadworth was read by Mrs. McGrath. The offering was taken and dedicated.

"Come Lord Jesus Come" was read and responded to by the members, followed by prayer. There was a Christmas reading with members reading messages which were later hung on a small Christmas tree.

Anna had her home decorated so enchanting for Christmas and a delicious lunch was also served by the hostess and her assistants. For the closing of the meeting "O Christmas Tree" was sung then Rev. Roy McGrath closed the meeting with prayer. A social half-hour was enjoyed by all.

The January meeting will lead with a potluck dinner, the meeting following at the home of Verna Empey.

NOTICE

1984

Classified Advertising Policy

Starting January 1st, 1984, all classified advertising must be prepaid before they can appear in the paper.

This does not mean that you cannot continue to phone your advertisement into the newspaper office in your village. All it means is that we will allow time for you to send in your cheque or money order, or come into the office and pay for the advertisement before 4 p.m. on Friday, before we run it in the coming issue.

Auctioneers and till-further-notice classifieds will not be affected by this policy change.

The reasons for this change in policy is to reduce our costs. Billing a classified advertisement once or even twice has made it painfully obvious over the years that billing costs us more than the advertisement. We've also found it difficult to reach those people who have not paid which also costs us many more man hours and expense. Those people whom we have not been able to contact have forced us to write-off their accounts at a great loss to the company.

Also, starting with our first issue in January, we are increasing our advertising rates - from 10 cents per word to 12 cents per word with a minimum charge of \$3.00 for up to 25 words. All classified-display rates will remain at \$6.90 per column inch.

This increase has been made necessary simply because of labor, material and printing cost increases over the last two years.

You will find that a \$3.00 advertisement is very reasonable for the over 40,000 people in our area you will reach each week.

Should you have any questions in regards to this new policy please do not hesitate to contact your local newspaper office for any further explanation.

Dear Subscriber:

STARTING JANUARY 1ST, 1984, WE WILL NO LONGER BE SENDING OUT SUBSCRIPTION RENEWAL FORMS.

INSTEAD OF RENEWAL NOTICES WE HAVE PLACED YOUR EXPIRY DATE IN THE TOP RIGHT HAND CORNER OF YOUR PAPER. AND IT WILL APPEAR THERE EVERY WEEK. YOU SIMPLY CAN MAIL, OR BRING YOUR CHEQUE OR MONEY ORDER INTO YOUR LOCAL NEWSPAPER OFFICE.

ALTHOUGH THIS POLICY IS NEW TO CEMBAL PUBLICATIONS IT IS IN FACT THE POLICY OF MANY SMALLER WEEKLY NEWSPAPER COMPANIES RIGHT ACROSS CANADA. THIS POLICY HAS BECOME NECESSARY DUE TO THE TREMENDOUS INCREASE IN POSTAGE AND OTHER COSTS.

IF YOU HAVE ANY QUESTIONS ABOUT THIS NEW SYSTEM, PLEASE FEEL FREE TO CONTACT YOUR LOCAL NEWSPAPER OFFICE. THEY WILL BE MORE THAN GLAD TO HELP YOU.

Cemba Publications (1984) Ltd.

OBITUARIES

JAMES STANLEY STEVENSON

James Stanley Stevenson, 56 McGill Street, Marmora, Ont., died December 23, 1983, in Marmora, at age 64, after an illness of one year.

Born in Braeside, he was the son of J.S. Stevenson and the late Susie Russet Stevenson.

Mr. Stevenson was a clergyman. He was the pastor of Marmora Pentecostal Church and a member of the Pentecostal Association of Canada.

He served for some time as padre of the Legion and pastored at Renfrew and Peterborough as well as Marmora.

Mr. Stevenson had lived in Marmora for the past 10 years and before that in Braeside.

He leaves his wife Pauline Breen; children, Sharon Chard, Peterborough, Heather Edmonds, Peterborough, Kevin Stevenson, Toronto, John Mark Stevenson, Montreal, and Jamie Stevenson, Toronto; sisters, Anne Greenshields, Toronto, Doris Jeffrey, Toronto, Fern Postma, Braeside, and Iris Mullen, Bancroft; and brother, Rev. Cameron Stevenson, Edmonton.

Funeral service was held in St. Andrew's United Church, Marmora, on December 27th, at 1 p.m. and a second service on Wednesday, December 28th at 1 p.m. at Glad Tidings Tabernacle, Arnprior. Rev. J.P. Wellar officiated assisted by Rev. C. Lynn and Rev. P. Starratt. Interment was in

Arnprior Cemetery.

Pallbearers were Jim Martin, W. Hull, Rev. J. Howard, D. Hillman, P. Greenshields and W. Jeffrey.

SUSANNAH HESELTON THOMPSON

Susannah Heseltown Thompson, Springbrook, Ontario, died December 21st at Edward Street Manor, Stirling, after an illness of seven years.

Born in Seymour Township, she had lived in Edward Street Manor for the past seven years and before that in Springbrook.

She leaves three children, Robert, Hamilton, Clayton,

Hoard's Station and Joseph, Springbrook; a sister Annie (James) Semans, Sask., and one brother Charles Stephens, Edward Street Manor, Stirling.

Mrs. Thompson was a former seamstress. She was a member of Springbrook United Church, a life member of UCW and first president of the Ladies' Aid formed in Springbrook.

THE MARCH IS ON!

Many physically disabled men and women need your help. Please give generously.

thodist Church in 1917. She was also a member of the Eastern Star, the Red Cross and Women's Institute.

Funeral service was held December 24, at 1 p.m. from Springbrook United Church, Rev. James Bryson officiating. Interment was in Mount Nebo Cemetery, Springbrook.

Pallbearers were her six grandsons.

USCO Zone 18 executive meeting

The USCO Zone 18 Executive meeting was held in Marmora Senior Citizens Clubrooms on Dec. 10th, at 1:30 p.m.

Wilfred Sager of Shannonville, President of Zone 18, opened the meeting with his secretary playing O'Canada and the members joining in. After that the Lord's Prayer was recited and then down to the business at hand.

First he reminded members of the updating of the by-laws. He said what was the use of by-laws if they were not practised and obeyed.

Secondly, mention was made of the newsletter voted on at the last general meeting at Shannonville, while it was made plain it was a real asset to all clubs. More news than was expected was sent in and some 400 notes had to be chiselled down to around 100 so as a newsletter would be sent to each club. In my way of thinking, it was a real success and Mary Sallans, the lady assigned to this work, made the newsletters very interesting.

The question was brought up next of the general meeting. 1. Would it be a good idea to have it every two months or would three be more suitable? It was never made in the form of a motion nor voted on and swinging from one item of debate to another. The movement of the Zone meeting and the question of

having a potluck dinner to begin the general meeting was sort of confusing and the potluck dinner was put in the form of a motion and was carried. The members were confused with the bringing forward of every two months for the meeting, which caused some dispute but was quietly settled. We will have our general USCO meeting every two months until we rest for holidays which will be our last meeting in June.

Our next USCO meeting will be Jan. 9, 1984, and we will begin all our general meetings with a potluck dinner much to the satisfaction of the members.

Next the subject was our annual picnic was discussed. Mr. Sager said he knew it was early to talk of a picnic for 1984 and he said he had browsed around and found many convenient dates were taken up already, so he took a chance that Picton Curling Club would be available on July 5, 1984. He brought it before the floor for approval. Four hundred people would require quite a space and no way could Marmora handle that crowd. So, I guess it will be a certainty Picton Curling Club will be

the place. The price \$165 and there will be four clubs responsible for the payment, unless by that time a grant from the New Horizon which USCO Zone 18 has applied for will be on hand. And as Dixie Lee is handy there in Picton he also found out they can cater to 400 in the short time of a half-hour for \$2.75 a plate (chicken, slaw, salad, roll, tea and coffee). All agreed that that was a reasonable price, so

when the general meeting meets Jan. 9th in Thurlow, this will be put in a motion and carried.

Business being taken care of the tables were set for a tasty lunch of fruit breads of various kinds, cheese, tarts, jelly jewels and bran muffins, plus tea and coffee. The Queen was sung and all partook of a delicious luncheon by Ada and her helpers Margaret Wilkes, Ivy Adair and Marie O'Neill.

LOGO CONTEST

Larry Shaw works on a truck at the Shell station. he re-opened on Russell Street. The station was formerly called Monkman's.

Madoc Shell reopens

Larry Shaw, a class A mechanic from Tweed has now reopened the Shell station on Russell St., formerly called Monkman's. He says he's "just trying to get service back into the station."

He says that by press time the station should have its tanks filled and will be pumping gas. The emphasis in the garage will be on service to the customer he says. All customers will be welcome to watch him as he performs repairs on any type of car.

"My specialty will be brakes, minor repairs and safety checks," says Shaw.

Shaw adds that inspectors have yet to check the garage and give authorization for the safety checks, but it should come through sometime in January.

Shaw has spent a total of

15 years in the mechanics trade. He says he owned a business in Port Perry for six years, and after selling out moved to Tweed where he purchased a house last summer. He worked at Midas Muffler in Belleville from June to December.

His reason for opening his own garage in Madoc is because he just likes the small town atmosphere here. And he also says he wants to provide good mechanical service to the community.

Shaw says it's going to be a family operation. His wife and three sons will help whenever they can. Shaw and his son John, 16, have spent time in December painting and renovating to prepare the garage for full business.

Another reason Shaw

decided to open up the station was so motorists could get Shell gasoline. He says the station is the only Shell between Norwood and Belleville.

"And there better not be a car that pulls out of here without a clean windshield, because that's our drive -- our service," says Shaw.

One thing Shaw assures, is that customers will be informed of exactly what he plans to do when repairing their cars. He says that often a garage will hand a customer the bill, and they will not know exactly what work has been done.

"The emphasis is on giving the customer a fair deal and putting the service back where it belongs....I'd sooner lose a customer than do half a job," assures Shaw.

Tornadoes beat Frankford

By BILL DENISON
Madoc, Fri., Dec. 23

The Tornadoes came out with a hard fought 3-1 triumph over Frankford Bantams to increase their season's record to a healthy 10-4.

Previously these two clubs had battled to two 3-2 games, splitting these on each other's ice. So this game was important to each team.

Frankford had a 1-0 lead after the first break.

In period two "Turbo"

Scott Chapman slapped in two goals for Madoc putting them in the lead 2-1. The last period saw "Turbo" Scott Chapman blaze in his third of the night for the hat trick and all the Madoc goals for the night. (This is the third game this year that Scott has gained a hat trick). Steve Bancroft assisted on two of the goals (extending his point scoring streak to 10 games consecutively). Jamie Danford grabbed the other assist for Madoc.

Lennie Hyde performed

skillfully in Madoc's goal and held off Frankford on numerous occasions. The only goal to beat him was on a defensive boob up by the Madoc boys. Hyde's goals against average is now 2.55. The whole game was undoubtedly Madoc Tornadoes' best so far this year. It was a rough, hard slapping and banging game from start to finish. For much of the first half of the game the puck was kept in Frankford territory.

Frankford had five penalties and Madoc three.

MTC to look for solutions to Hwy. 37 problems

Deputy Minister of Transportation Harold Gilbert ordered his ministry to study Highway 37 from Roslin to Tweed to come up with short-term and long-

term goals for improvement last Wednesday.

The decision was made in Tweed after Gilbert heard comments from about 45 local petitioners that

"something has to be done" to reduce the amount of serious accidents and fatalities occurring on the highway.

Highway 37 is termed as

a "feeder highway", meaning that commercial traffic mainly travelling from Toronto to Ottawa use it as a link between Highway 401 and Highway 7.

In the 30 miles of road that stretches from Tweed to Roslin, there were five accidents caused by locals and 14 caused by non-locals in 1982, said Mary Lou Cassidy of Tweed. Sergeant Cain of Madoc Ontario Provincial Police Detachment added that in 1980, there were 65 accidents on the full length of Highway 37, with five involving tractor-trailers. In 1981, he said there were a total of 57 accidents on the road, with four fatalities occurring on the strip between Roslin and Tweed. In the last two years, 68 people have been injured on the road.

"Everyone agrees that the road from Tweed to Roslin is the area of concern. There are not more accidents, but the ones that occur are more severe - almost triple the proportion of people are hurt or killed there," said Cassidy.

Janice Brown of Thomasburg said 17 per cent of traffic using the highway is commercial, whereas only nine per cent of traffic on Highway 7 is commercial. To compare the two highways, she said that Highway 7 was wider and had designated passing lanes at intervals, while Highway 37 was narrow and winding in places.

Gilbert said that he lived in Kingston in 1951, and he

remembers Highway 37 as being "a nice local highway", but now that has changed and it will be difficult to come up with solutions to the problem because it has been there "a long, long time."

"In terms of making major improvements, people would have to move entrances, etc. that would be a major job," said Gilbert. "It's quite obvious we'll have to take a real look at the area to see what type of measures we can take. I don't see how we could build a new highway."

"With all the restrictions, what we can do is look at solutions in the short-term, and then the long term," he said.

Brown said that locals have discussed the feasibility of improving shoulders of the highway so locals can pull over and let the faster traffic pass. She also suggested putting up signs reading "do not pass" in bad areas to warn non-local traffic.

One local man said, "I drive this road a lot and the big problem is people won't drive 50 miles an hour - they will not keep the speed limit."

Sergeant Cain said local traffic has been slowed since the increased patrolling on the highway, but there is still a problem with transports. The police have difficulties pulling tractor-trailers over because of the narrow shoulders on the road. He said that when trucks are pulled all the way over, two wheels still

remain on the road which interferes with moving traffic.

"The trucks, they just have a heyday on that road," said John Clemens, reeve of Tweed. "A lot of people have changed to using Highway 62 because of the Highway 37 problem."

"People going from Toronto to Ottawa don't know the road and are used to driving fast. I think the publicity has really helped local traffic to slow down, but it's still a problem," said Brown.

George Perrin, business representative of Teamsters' Local Union 91, said the dramatic increase of truck traffic on Highway 37 in recent years boils down to economics. To stretch fuel dollars, truckers take the shorter route via Highway 37, rather than taking controlled access highways.

"It costs the trucker \$2 a mile, and if you can save 30 miles, that's \$60 a day going there and back," said an unnamed truck driver.

Gilbert said that Highway 16 to Ottawa will soon be completed and will reduce transient traffic on Highway 37. He said there are some drivers using the highway now. Once the final work on Highway 16 is complete, the distance from Toronto to Ottawa via 16 will be 425 kilometers, which is down 68 kilometers from the 493 it takes using the Highway 401-37 route.

But Highway 16 does not alleviate the present problems of Highway 37. David Cody of Thomasburg suggested the Ministry of Transportation consider adding deceleration lanes for turns to the north and south of Thomasburg, and putting flashing lights at those exit areas so transients passing through will "become aware there are exits. He also suggested continued emphasis on OPP highway traffic control.

"The near misses on the highway - I wish we could have statistics on those. It's unreal the amount of people that have been put off the road," said Brown.

Over 400 residents of the area signed a petition circulated to police and MTC officials. The petition, along with requests from Hastings, Peterborough MPP Jim Pollock prompted Gilbert to come to the area.

"I promise you people that Mr. Forester will be reviewing Highway 37 to see what can be done and will come back with the option available as he sees them," concluded Gilbert.

Harold Gilbert (right), deputy minister of transportation scans Highway 37 near Thomasburg where a large percentage of fatal accidents occur.

Leona Cook wins lottery

Leona Cook of Madoc was one happy woman last Tuesday, January 3, when she found out she had won \$10,000 in the Super Lotto drawn January 1.

According to her daughter, Leona checked the numbers in the Intelligencer, and immediately began screaming with joy and dancing around the house. "I don't know what would have happened if it had been more," she said last week.

But this is not the first lucky break for Leona recently. For Christmas, her children gave her tickets for a holiday in Acapulco, Mexico. And to top it off, she and six others won \$42 in a draw before the New Year which paid for her next two Super Lotto tickets, one of which was the winner.

Seen above is Leona happily holding a copy of her cheque for \$10,000 of tax-free money.

Bicentennial committee applies for grants

Madoc Village Council recently approved the Bicentennial Committee's plans and budget for celebrations to take place this year.

The committee has a budget set at \$6,000 and will apply for the maximum \$3,000 grant from the government and the village will provide the rest.

Committee Chairman Brenda Hudson says there will be some kind of celebration in the village, but they won't know until April whether they will be getting full funding.

"Since Madoc is the site of the first gold rush in Canada, we plan to have some Caribou Days and have children searching for painted gold nuggets in the creek," says Hudson.

She adds that Gord Pigden will make video tapes of the events along with local personality interviews to put together a television tape. And, depending on the funding, the film may be put in the archives.

"As far as the schools, they plan to have Pioneer School Days. We discussed going to O'Hara depending on whether a work crew is there that early," says Hudson.

Another branch of the committee plans to have a sidewalk sale and street dance. She says that merchants will most likely dress in costumes and have bicentennial store window displays. They also hope to have an antique car parade. See Parade Page 2

Pioneer Country Tourist Guide to be published by Cembal

During the week of
January 23rd, Martin
Thompson, Publisher, will
be in the Madoc area to
discuss the all new 1984
Cembal Publications' Pioneer
Country Tourist Guide
with area merchants and
businessmen.

There will be over
100,000 copies of Pioneer
Country distributed
throughout the summer of
1984 in an all new magazine
format. This distribution
makes Pioneer Country the

largest tourist guide of its
kind in the area and will
reach 300,000 people in the
area in its fourth year of
publishing.

Mr. Thompson is a native

of the area and knows the
needs of his customers well.

Parade planned for Bicentennial

Continued from Page 1
which will include horses
and interesting people.
Stagecoach Parade is a

name they have been
considering for the event.
Another idea for the
celebration is to bring in the

Mohawk Indians to dance,
and then to hold a costume
show.

"I am hoping we can
circulate a lot of material to
tourists on the histories of
the area. I hope to have
displays of family histories
in the area that people have
put together," says Hud-
son.

Hudson says she has
written to a committee in
Peterborough telling of
their plans and asking for
help, but she says they are
still looking for participation
from local service groups.
She says that Laura Thomp-
son, teacher at the Adult
Day School has volunteered
help. Bob Bancroft, man-
ager of the Madoc Hotel has
also volunteered for the
second week in July.

"Later in January the
plans will get a better
framework," says Hudson.
"There will be a meeting on
January 20, at 3:30 p.m. at
the Madoc Hotel for those
interested in attending."

Locals said the "trucks"
driving on Highway 37 do
not drive the speed limit.
Seen above is Deputy

Minister of Transportation
Harold Gilbert examining
sharp curves in the road
near Thomasburg.

Thursday bowling

Cheryl Rose bowled 252
on Dec. 2, to secure the
ladies' high single score
during the Thursday Night
Bowling in Madoc. She
went on to total 586 for the
ladies' high triple position
also.

Lorne Miller scored 310
for the men's high single,
and Todd Carrol totaled 764
for the men's high triple
position.

Bowling over 200 that
evening were: Cheryl Rose
252; Jean Asselstine 246;
Diana Cook 213; Judy
Tisdale 205; Kim Taylor

200; Ken Adams 211; Lorne
Miller 219, 310; Weyburn

Over in a week

But all worth the effort

BY JEANNETTE MOORE

So many things about Christmas involve weeks of preparation, planning and hard work - and then - Poof! It's over in one day. At times we wonder if it was all worth the trouble.

One may feel let down about such things as the feasting, which often leaves a person overstuffed and not too happy about the extra added pounds. But some things do endure and leave in their wake a legacy of well-being and happiness that lasts beyond the festive season.

Into this category fall such special things as Christmas music played to and enjoyed by a live audience. Hours of practice by a choir and its leaders are involved in presenting a cantata such as that performed before Christmas by members of St. Andrew's choir, Marmora, but it's all worth the effort according to choir director Barb Sanderson and organist, Ron Moffat, who worked since last September with a group of Marmora and Madoc choirsters to perfect the rendition of the contemporary cantata "Down From His Glory."

"But it wasn't work. It was a joy," said Barb and Ron after the final service which was performed in St. Andrew's United Church, Marmora, on Christmas

Eve. This was the third and final public performance of the choir. The first was held in Madoc's Trinity United Church on December 18th and the second was a rehearsal on Thursday evening, December 22nd, at St. Andrew's.

"And that's it," said Barb. "We will not be putting it on again. However, several people made taped recordings at the rehearsal and again on Christmas Eve, and each member of the choir will be receiving a recording from these tapes."

Barb has been involved with music and choirs for some 30 years and, as well as directing the junior, teen and senior choirs at St. Andrew's Church, she instructs privately and is a music supervisor in the public school system. Ron Moffat has been church organist for seven years.

"We are fortunate at St. Andrew's to have both a choir leader and organist," he said. "It is difficult to combine the two and do a good job."

And good job they did in the opinion of the public, who, in spite of the bad weather on rehearsal night came out to hear the choir perform, and jammed the churches in both Madoc and Marmora for the special services of worship.

"But it isn't Ron and I

who are responsible for the success of the cantata," Barb stressed. "It was a team effort with everyone doing a super job."

And how do the choir members themselves look upon all these weeks of practice for a one-or-two-time event?

"They are keen," say Barb and Ron. "Everybody turned out for the weekly practice unless they were sick, because it is new music and they saw the need to practice and wanted to do their best. It was a difficult cantata to perform requiring much drilling but everybody worked together to perfect it."

"And they really did a super job," continued Barb. "I have listened to the tape and it sounds really professional. In fact it sounds marvelous."

What are the rewards to a choir that goes through months of tedious practice, some having to drive miles to participate? The prime satisfaction, according to the choir leader and organist, is the creation of a special service of worship. But the side benefits come from working together.

Barb: "It's lovely and it's fun. We have made a lot of new friends with the Madoc people coming over. And the whole experience of working together has been

Barbara Sanderson (left) was director for the choir that presented the cantata

Down from his Glory during the holiday season and Ron

Moffat (right) was the organist.

heart-warming and gratifying in a personal way. I received so much pleasure from it."

Soon now, the director and organist will have to set their minds towards next Christmas to make a choice of music and to order it. This is the third year that St. Andrew's Choir has performed a cantata and each time it has been a work

by the contemporary composer John W. Peterson, the two previous cantatas Love Transcending and Night of Miracles. Possibly it will be another Peterson cantata they will choose for next year since they and the choir incline towards his compositions which are melodic and majestic with public appeal.

A copy of the music is

purchased for each choir member and leaders at a cost of \$5 per copy, which automatically permits the reproduction of the work at no extra charge. And it is presented to the public at no charge.

All that is spent is the time and effort of the choir members. But as Barb remarks, "It was worth it. I'm just sorry it's over."

CHSS fundraising drive was a success

Students of Centre Hastings Secondary School (CHSS) sold over 9,000 chocolate bars and chocolate covered almonds between November 17 and 30, which raised about \$7,000 for school activities.

Chemistry teacher Jim Berry was organizer of the drive which focused on getting money for intramural athletic programs

within the school. Money raised will also go toward various club activities at the school like dances, commencement, winter carnival, decorations and more.

The chocolate bars retailed at \$2 each, and inside the packages purchasers received a \$2 discount coupon on any box, barrel or bucket of Dixie Lee chicken.

Top salesperson for the fundraising was Judy Tisdale, who received a cheque for \$50. Second went to Kevin Young who received \$25 and third was Tammy Vilneff who was awarded \$15.

Home room 218 sold \$820 for the highest group sales and were treated to a "Pizza Pig Out".

Other top salespeople's names were entered in a draw. Winners of the draw were: Dawn Donato, who

will receive free admission to school dances for the rest of the year; Kim James wins a "Ghetto Blaster"; Penny Asselstine gets a Coleco Vision; Byron Hobson, a five pound chocolate bar; Linda Cook, a five pound

chocolate bar; Evert Evertson, a Garfield; Steve Gordon, an Odie; Marion Stiles, Lorraine Brenson and Glenda Finch win tickets to MTM Hurricanes hockey games; Warren

Meredith and Ed Luffman won a night's use of a video recorder and movie. Helen Reid won a Walkman. Miss Fulcher won the staff prize, which was a \$40 dinner voucher.

Seen here is Judy Tisdale, a student of Centre Hastings Secondary School who sold the most chocolate bars during a fund-raising drive

held from November 17 to 30. She was given a cheque for \$50. About \$7,000 was raised for school activities.

You can be a 4-H leader too

Want to get more involved with the young people in your community? Consider the challenge of becoming a leader for the January 4-H project "Fitness Fare".

Don't worry if you've never been a 4-H member -

many present 4-H leaders weren't previously involved. The only requirements are loss of enthusiasm and a desire to work with the youth in your community. To prepare you for the project a two-day leader's workshop will be held in these locations:

Organize a 4-H club in your area

Why not organize a 4-H club in your community. If you have a special interest in health, fitness and nutrition or would like to get into better shape then here's an opportunity to personally benefit and also gain leadership skills. After you've attended the 4-H workshop, you return to your community and organize a 4-H club of at least four members. Members must be 12 years old by Jan. 1, 1984 to participate. The project consists of seven meetings usually held at the leader's home or a local community hall.

To conclude the project all members join together in April, 1984 for an achievement program. There mem-

bers get a chance to practise their public speaking skills by putting on a program of skits, exhibits

Madoc United Church Hall, Jan. 19 and 20, 1984; Foxboro United Church Hall, Jan. 23 and 24, 1984; and Picton United Church Hall, Jan. 26 and 27, 1984. Workshops are from 10 a.m. till 4 p.m. each day.

As the title suggests the

and demonstrations related to the project. Award presentations are also made at this time.

Marmora choirs spread cheer

During the Christmas season the three choirs of St. Andrew's United Church, Marmora, spread good cheer with their carolling.

On Wednesday night, December 21, the Teen Choir sang carols at Matthew Place for the residents there and the day before Christmas sang at Deloro Nursing Home. The Junior Choir entertained the self-care patients of Marmora at

the United Church on December 13th.

The Senior Choir, composed of 45 singers including a number of Madoc members, presented their Christmas cantata on December 18th at Trinity United Church, Madoc, again at an open rehearsal in St. Andrew's Church, Marmora, on December 22nd, and gave their final performance December 24th in St. Andrew's.

Mr. and Mrs. Ernie Pearce, Fergus, spent a few days with Mr. and Mrs. Doug Andrews and Ron. Other guests on Christmas

Mrs. Ruth Elder, Belleville, Mr. and Mrs. Don Crowe and boys, Frankford, Mr. and Mrs. Tom White and family, Thomasburg, and Mr. Percy Bateman were guests of Mr. and Mrs. Gerald Broadworth.

Berry, Hawkesbury, were weekend guests of Mr. and Mrs. Ted Preston. Other guests at the same home for a Christmas dinner were Mr. and Mrs. Garth Muir and Nicole and Mr. and

Mrs. Roger Reid, all of Stirling, Gary Preston and Jackie, Belleville.

Mr. and Mrs. Garry Mason, Pam and Chris, Stirling, Mr. and Mrs. Dave Cresney, Belleville, and Mr. and Mrs. Elton Brant, Laura and Sally, Deseronto, were with Mrs. Murney Mason on Boxing Day.

Mr. and Mrs. Ralph Wellman spent a few days at Christmas with Mr. and Mrs. Ray Wellman and boys at Guelph.

Mr. and Mrs. Dick Swanson, Eric and Michael, Livonia, Mich., spent the Christmas weekend with Mr. and Mrs. Stewart Brownson.

Guests at the home of Mrs. Marie Ray on the Tuesday following Christ-

mas were Mr. and Mrs. Jim Tanner, Angie and Robbie, Oshawa, Mr. and Mrs. Dave LaRue and Andrea, Belleville, Mr. and Mrs. Grant Ray, Christine and Lisa, Stirling, Lorie Ray, Tony and Andrew of Marmora.

Mrs. Malcolm Mason spent a few days at Christmas with Mr. and Mrs. Ross Bradshaw, Agincourt, Mr. and Mrs. Lynn Mason, West Hill and their families.

Mr. and Mrs. Denton Merklejohn, Julie and Bruce spent Christmas with Mr. and Mrs. Jack Chynoweth, Peterborough and attended a family Christmas at the home of Mr. and Mrs. Harold Moore, Morrisston, on Boxing Day.

Mr. and Mrs. Ted Pres-

ton visited Mr. and Mrs. Garth Muir and Nicole at Stirling.

Rev. Howard Beare spent a few days with Mr. and Mrs. Bob Beare and family at Markham.

Mr. and Mrs. Hiram Mumby, Mr. and Mrs. Paul Rollins and Kevin were guests of Mr. and Mrs. Don McInroy and family, Belleville, on Christmas.

Mr. and Mrs. Ben Acker, Oshawa, visited Mr. and Mrs. Jack Reid and family for a few days. Other Christmas guests, were Nancy McGregor, Marmora and Mr. and Mrs. Chris Ripley and boys, Belleville.

Mrs. Donna Streight and boys and Mr. and Mrs. Allan Reid were Christmas guests of Mr. and Mrs. Dan Reid and family.

Mr. and Mrs. Ed Fleming, Troy and Tony, Stirling, Mr. and Mrs. Alex Fleming, Carol Anne and Kevin, Cornwall, and Mr. and Mrs. Bob Wood, Madoc, were guests at Christmas with Mr. and Mrs. Delbert Fleming.

Miss Bonnie Danford, Ottawa, spent a few days with Mr. and Mrs. Walter Danford. Other guests on Christmas were Mr. and Mrs. Tom Cook and children, Stirling, Mr. and Mrs. Barry Danford and Adam, Stirling, Mr. and Mrs. Lorne Cook, Bill and Cathy and Mr. and Mrs. Harry Danford and Mary.

Mr. and Mrs. Reg McKeown entertained Mr. and Mrs. Lindsay McKeown, Stirling, Miss Myrtle Mc-

Keown, Peterborough, Mr. and Mrs. Bill McKeown, Leanne and Allan.

Mrs. Myrtle Cassidy had her home tastefully decorated for the holiday season when she hosted the WI meeting on Tues., Dec. 19. President Isabel McInroy welcomed all and opened with a poem, Speak Gently. The roll call was name a Christmas food and the country from which it came, and was answered by 13 members.

The treasurer read the minutes and reported a very successful Blind Canvass had been completed with \$442.50 being turned in to the CNIB at Belleville. Elda Bateman, sunshine convener, sent out several cards and also had gifts on hand for the senior citizens and shut-ins of the community. Isabel McInroy reported for the visiting committee. Happy Birthday was sung to two members, Myrtle Cassidy and Jeanne Williams, who was unable to attend. Esther Leonard gathered the pennies for friendship.

A variety program followed with Christmas readings by Lena Burkitt, Edna Bateman, Isabel McInroy and Edna Broadworth. Iva Burkitt had a humorous reading on "what is a farmer". A few Christmas carols were sung, followed by a distribution of gifts. Everyone received a surprise gift from their secret friend as well as an exchange gift.

Isabel read the Dieters' Prayer before all journeyed to the dining room where the table laden with a the table was laden with a potluck lunch. A social time was enjoyed.

OBITUARIES

RAY HODGINS BINCH

Ray Hodgins Binch of Box 359, Madoc, died in Kingston on December 27, 1983, at the age of 74. Mr. Binch is son of Harold and Laura Binch. He is survived by his wife Evelyn (McParland) Binch.

Mr. Binch suffered a lengthy illness lasting 41 years. Prior to living in Madoc, he resided in Kirkland Lake.

Surviving children of Mr. Binch are: Shirley of Brampton, Ronald of Bloomfield, Dwight of Cardiff, Murray of Kingston and Brian of Belleville. His brothers are Earl of Hamilton and Hilton (deceased) of Malartic, Quebec.

Mr. Binch was born in Cobalt, Ontario, was educated at New Liskeard and Queen's University, Kingston, and was a retired Mining Engineer by trade. He was a member of the

United Church, where he was an Elder and member of the Board of Stewards.

He was also a charter member of the Kiwanis Club (Madoc), Masonic Lodge A.F. and A.M. number 48, and RAM Chapter 161. He was a member of the Professional Engineers Association of Ontario and the Prospectors and Developers Association.

The funeral was held at McConnell Funeral Home in Madoc on December 30, at 1 p.m. Officiating clergyman was Rev. Roy McGrath. Lodge services were also held at the funeral home, with interment following in Lakeview Cemetery.

Pallbearers were Ed Armstrong, Mel Caverley, Garnet Holmes, Gordon Lebow, Truman McCann, and Bud Reid.

DOUGLAS ANDREW NORMAN

Douglas Andrew Norman, 17, of RR 1, Eldorado, died January 1, 1984, in Millbridge. He was the son of Andrew and Norma Norman—an only child.

Mr. Norman was grandson of John and Maud Norman of Millbridge and Emil and Helen Wannamaker of RR 1, Madoc. He was great grandson of Mrs. Norman Miller, Brantford.

The young man was born at Belleville General Hospital and lived in Eldorado all his life. He was a grade 12 student at Centre Hastings Secondary School and was a member of the Anglican Church. He was also a member of the Centre Hastings Snowmobile Club. Included in his activities were competition in cross-country running, cross-country skiing and competitive chess tournaments.

The funeral was held Wednesday, January 4, 1984, at McConnell Funeral Home in Madoc at 1 p.m. Reverend Paul M. Kompass from St. John Anglican Church was officiating clergyman.

Pallbearers were: John Murphy, Carman Donato, Dave Burnside, Darryl Peters, Farley Ferguson and Tom Bruce. Interment was in Eldorado Cemetery.

The Blakes I.G.A. Chiefs although unbeaten in their last five games are currently five points behind the Lindsay Trent Muskies in the fight for second place in the O.H.A. Junior "C" Central Division.

The Chiefs have two games in hand over the Muskies but face the league leading Bowmanville Eagles twice and the Little Britain Merchants twice also with single games against Port Hope and Cobourg.

The Muskies picked up five of a possible six points during the last two weeks span which included a 5-5 tie against the Chiefs and back to back victories over the Port Perry Mo Jaks.

Chiefs manager Dan Pluard knows his club is going to have to get help from some of the other clubs in the league for his team to finish second. The Muskies face Bowmanville only once more and maybe Little Britain can knock them off.

It would be a great goal to reach considering we ended up in sixth spot last year, in third spot Lakkefield would

Pertinacity
was
something
to behold

Susan M. Cuddy

Marmora: The Marmora Legion Novice hosted Tweed on Saturday January 7 for one of the most enjoyable games I have seen this year. Blair Meiklejohn was the starting goaltender for Marmora, but was injured in the first period and was replaced by Duane Goodchild. This was the first time in net for Goodchild and although things didn't look too good at first he came on strong in the third period to help his team to a very respectable loss of 6-5.

The pertinacity of the team was something to behold. Leading the team in points was Ivan Sopha with four goals and one assist. Next was Shawn Pascoe with one goal and one assist. Marc Robinson received two assists and with one assist each were Jason Bedore, Aaron Logan, John Paul Bertrand, Brian Gaverreau and Jonathan Fluke who just turned five years old.

Lindsay Trent Muskies lead Blake's IGA

Chiefs in fight for Junior 'C' second place

meet Bowmanville in the second round if they advance. I think if we can stay out of the penalty box against the top clubs we can control either Lindsay or Bowmanville.

The Chiefs went on a scoring rampage on December 30th in Uxbridge when they scored 7 first period goals when they outshot the Bruins 11-5. The final score was 12-4 in favor of the Chiefs with Andy Shaughnessy scoring three

goals and collecting three assists. Playing against former teammate Marty Rhodes the Chiefs were outshot in the game 33-24.

In Lakefield January 3 the Chiefs had to come from behind to tie the Muskies 5-5. Lindsay held period leads of 3-2 and 4-3 although the Chiefs outshot Lindsay 34-29 they really didn't come to life until about the middle of the second period when they began forcing the play in

Lindsay's end. Goal scorers for the Chiefs were Robb Gilders, John Ridpath, Garry Nelson, Gord Davey and Daryl Clark who scored with one minute and 30 seconds to go in the game.

Assistant Coach Colin Donaldson felt that the Chief's inconsistency on the power play and needless penalties cost them the win. "We scored three power play goals but at one point had a two man advantage for at least a minute and

were unable to score. We took some penalties that weren't near the play and you usually get burnt on those. The Muskies scored three power play goals and that turned out to be the difference."

The Chiefs will host the Cobourg Cougars on Fri. at 8:30 p.m. Donaldson feels that although everyone is concentrating on getting into second spot in order to stay away from Bowmanville in the second round his

team should be getting prepared for whoever they may meet in the first round.

"If we were to start playoffs, now we would meet Port Hope and the way they have played the last three weeks winning 5 of 7 we would have our hands full. We have to be ready for every team. I think if there is a team to watch for upsets in the league it would be Little Britain who are presently fighting it out with Port Perry for fourth spot. They are capable of beating any team and their play has been better than their record indicates."

There is no doubt that the way the Chiefs have performed at times this season belong in the category of the top three teams, but their inability to play well against the lower place clubs just may turn out to have cost them second place. When the Chiefs hit and pass at their best it is good hockey to watch and they will have to be at the top of their game at home Friday against the Cougars who are just two points behind Port Hope for sixth spot.

Mean machine runs amuck

Jan. 4 marked the first game of the new year for the Mean Machine. Unfortun-

nately their first victory of 84 over Misener Beverages (Pepsi) of Belleville was

marred by a post game incident in which certain team members, still fired up

from their 5-4 win, savagely beat an unsuspecting Pepsi machine by their dressing room door. Mean Machine 1, Pepsi 0.

Mean Mo Feen, the Machine's utility man, barged out J.P. Hansen, of Hansen Brothers fame, for Player of the Week. But Mo Feen's two-goal performance, brilliant defence, and game winning save between the pipes, gave him this illustrious honor.

To help alleviate the disappointment of Mean Machine fans, continually being turned away from the door, the Machine announces its first Seasons Tickets Contest. Contact your local team member QUICKLY for entry forms, as only a few hundred tickets are available.

Mean Machine players, shown above, ruthlessly attacked an unarmed Pepsi machine after they dispatched the Misener Bev-

age challengers 5-4. Mean Mo Feen, player of the week, looked too mean to be put on the Midweek front

page (some kids read this too) so we had to plant him inside. See page 6 if you dare.

MEAN MACHINE. MEAN MACHINE. MEAN MACHINE.

Madoc Peewees finish regular schedule 17-0

By Bill Denison

Two more victories this past week for Madoc Peewees brought them to an undefeated finish in regular season games with 17 victories and no defeats.

Fri., Jan. 6, the Madoc team travelled to Stirling to play their "B" team which never showed up. Therefore Madoc were given the game by default.

Then on Sun., Jan. 8, in Colborne the Madoc Peewees barely escaped with a tough, rough 3-1 win. It was apparent from the beginning that Colborne

was out to win. Very rough play ensued with some unruly body contact, stick slashing and overall "rough house" style hockey. Madoc could not put their passing together and Colborne confounded them time and time again defensively.

After a scoreless period one, it wasn't until 10:38 of period two before a marker was gained. Colborne got it, to go one up.

Jason Bailey tied it two minutes later from a mad scramble in front of the goal and tucked the puck in the corner.

Then came a rash of rough penalties and with Madoc a man short Brian Forrestell blasted home his first of two for the night. Less than two minutes later Forrestell rifled home a "big goal" while Madoc were two men short. Assists went to Peter Denison and Trevor McTaggart and Derek Wood.

Forrestell extended his point streak to an amazing 16 games. He also leads the entire league in overall scoring with 27 goals and 19 assists for 46 points. Jason Bailey potted his 13th

consecutive game goal, plus adding to his point streak to another one with 16 games. Bailey also is second in the Pee Wee League scoring race with 28 goals and 15 assists for 43 points.

Barclay Sexsmith was beaten in Madoc's goal for the only goal scored by Colborne. Jeff Sawkins played the last half allowing none and lowering his goals against average to an unbelievable .39.

Colborne were assessed 14 minutes in penalties and Madoc 10.

Havelock
Bantams
lose 3-1
to Warkworth

Havelock Bantams lost a Saturday night game in Havelock 3-1 to Warkworth, but the game was a big improvement over their last effort before Christmas against this same team. In that game in Warkworth, the locals were soundly whipped 13-0. In the game Saturday night, Havelock could have come away victorious if they had taken advantage of their scoring opportunities around the net.

Wayne Merrill scored Warkworth's first goal of the game at 3:18 of the first period assisted by Shawn Rock. Chris Hobson increased Warkworth's lead at 1:47 of the period from Lee Young and Shawn Rock. At that point, Warkworth seemed to be getting prepared to dominate the game having produced a solid performance to that point. But in the last minute of play, Warkworth slacked off and Havelock jumped on the opportunity. Marcus King sent the locals into the dressing room down by one goal as he shot the puck. See Havelock on page 6

SPORTS

Hastings Novices playing 500

Mean Mo Feen,

mean machine player of the week

The Hastings Novices are playing 500 with a record of 7 and 7 halfway through the season—a great improvement over last year's winless season for the little tykes.

They are just coming off an exciting B Championship win in the Warkworth Novice Tournament Dec. 29.

Led by Brett Alexander and Alfie Ford the team

rebounded from an 11-3 trouncing in the first game of the tourney at the hands of Picton to finish with two victories and one loss.

The second game against their old rivals from Warkworth was an exciting six overtime period battle. The overtime format for the tourney had each team lose a player every period until one one forward and a goalie remained on the ice

for each team.

Coach Lloyd Alexander sent out son Brett to face the opposition for the first part of the one on one and then replaced him with Alfie Ford who managed to get away from his check and score the winning goal. Alexander and Ford split the scoring in the 2-1 win.

In the B Championship game, Hastings was up against Keene and Alexan-

der lead the team to victory with three goals in the 3-1 win.

In league play, things haven't been as successful lately with Hastings splitting last week's two games first with a 3-1 win over Douro on the strength of an Alexander hat trick. At home last Thursday night, Hastings was defeated by Warsaw 3-0 on goals by Jeff Armstrong, Michael Bullock and Barry Clifford.

Havelock Bantams lose

over the sprawled body of the Warkworth goaltender with just 37 seconds remaining in the period.

That almost proved a costly mistake on the part of Warkworth as Havelock came out in the second period and missed three chances to put the puck in the net in a goalmouth scramble within the first minute of play. Instead, Warkworth continued their solid skating performance but failed to score another goal in the period. Both teams had chances, but neither could find the

range.

Warkworth's Chris Hobson scored the final goal of the game with four minutes remaining on the clock assisted by Lee Young and Carl Seppanen. Havelock

sagged badly at the point and never did threaten to score after the goal. During the game, however, at least three pucks hit goalposts for Havelock and several other opportunities were missed

as the puck just wouldn't seem to respond to Havelock's efforts. One spectator said, "They get tongue-tied with the puck if that's possible."

DVSA Bantams win 2 out of 3

The DVSA Bantams played three games in eight days and were victorious in 2 of the 3 games. They started this run of games with Frankford on December 29th winning 7-0. Point getters for Marmora were Craig Nobes with 3 goals (one unassisted) and one assist. Kevin Doyle with 2 goals: Kevin Terrion. 1 goal and 1 assist; Jeff Clemens 1 goal: Dwayne Bertrand with 2 assists and with 1 assist each were Steven Bedore, Stephen Pascoe, Tim Cassidy and Chris Peters.

On December 30th Marmora defeated Madoc on home ice 6-1. Tim Cassidy opened the game assisted

by Kevin Terrion. Terry Deline scored assisted by Tim Cassidy and Kevin Terrion. Jeff Clemens finished the first period with his goal assisted by Kevin Doyle and Jeff Kelly. The second period saw a lot of close checking with no goals scored. Kevin Terrion got the third period rolling aided by Jeff Clemens. Dwayne Bertrand was next in line assisted by Steven Bedore and Terry Deline. Scoring number six was Craig Nobes assisted by Terry Deline and Scott McTaggart. The first goal for Madoc was also the final of the game scored by Scott Chapman assisted by Steve Bancroft.

2-0 at the end of the first period. Dwayne Bertrand got Marmora's first goal in the second period assisted by Jeff Clemens and Kevin Doyle.

Craig Nobes with the help of Stephen Pascoe and Terry Deline tied the game, but Frankford broke the tie before the period was over and scored one more in the third. Marmora received 18 minutes in penalties and Frankford 10 minutes. There were no penalties assessed in the second period.

The DVSA Bantams have two more games to play before they start their playoffs. Be sure to watch your local paper for the playoff schedule.

The Bantams also can be seen in action on Saturday January 14 when they host a tournament.

On January 6th Frankford came to Marmora for a rematch and came out on top this time, winning 4-2. Frankford put on the pressure early and were winning

Madoc Tykes game change

MADOC TYKES have changed their exhibition game vs. Havelock Tykes from Sat., Jan. 14 to Fri., Jan. 15 at 7:00 p.m. in Madoc.

There was a good deal of action around both teams' nets in the Pee wee 'B' final game in Stirling last Saturday. Stirling eventually triumphed 2-0 over Frankford to win the 'B' championship.

Stirling Pee wees capture "B" championship

The Stirling and District Lions Club Pee wee 'B' Blues turned in 3 fine performances to take home the consolation pennants at their own tournament on January 7.

In the first game, a hot Frankford goalie turned away over 50 shots and held Stirling to a single goal. Despite being outplayed for much of the game, Frankford edged the Blues 2-1. Stirling's lone goal was scored by Trevor Torrance assisted by Kevin Rollins.

Chris Maybee was named MVP for the Blues.

In the second game, again the Blues outplayed their opposition, but some bad luck around the net led to a 3-2 Norwood victory. Steven Baldwin opened the scoring on a nice pass from Chris Maybee and Steve Dracup. Norwood then tied the score and a short time later went ahead 2-1. Stirling tied the score on a goal by Steve Dracup assisted by Trevor Torrance and Scott Blackburn.

Norwood went ahead to stay at 9:45. The Blues gave it their all to tie it up but fell short. Steve Dracup was named MVP for the Blues.

In the third game, a re-match with Frankford, the Blues were determined to get their revenge.

David Reeks opened the scoring for the Blues with help from Trevor Torrance

and Kevin Rollins. Moments later Steve Dracup assisted by Steven Baldwin and Trevor Torrance put Stirling ahead 2-0.

Again, the Frankford goalie turned in a strong performance but this time Stirling came out ahead. David Reeks was named MVP and Rodney Torrance earned the shutout.

Havelock Novices lose to Pickering season's first

The Havelock Novices had an easy game on December 22, just before Christmas, but games after Christmas proved more competitive. In fact, the Novices lost their first game of the year and they also were tied by Norwood.

On Dec. 22, Keene travelled to Havelock but found the Novices poor hosts as they went home defeated 13-0. Blair Emery and Lee Reynolds led the Novices with four goals each, while Chad Acorn, Dale Watson, Danny Roffey, Travis Toms and Pascal Hill collected singles.

collected singles.

On Dec. 29, the team travelled to Warkworth for a tournament and immediately defeated the home team 7-1. In the second game, Picton extended the locals to overtime before Havelock finally won an exciting game 7-6. That advanced Havelock to the finals where they came up against a tough, aggressive team Pickering. They lost that game 11-0 for their first defeat of the year.

The Norwood Novices came to Havelock on Jan. 4 and proved to be stubborn opponents as they skated to a 2-2 tie. Blair Emery and Lee Reynolds scored the Havelock goals while Chris Heffernan scored both Norwood goals.

Madoc Atom B's lose two more to Marmora and Colborne

Playing host to Marmora Lions Atoms Saturday January 7 here in Madoc and being laid low to the tune of 11-1 and then travelling to Colborne Sunday January 8 and suffering a 14-2 drubbing, leaves the local Atom "B" team with an 0-6 season's record.

Because of the "B's" playing against higher class teams, their record doesn't look good, but the boys have got to be congratulated for

their efforts.

In Saturday's game Marmora led 5-1 after 1 and 6-1 after 2 periods and then added 5 more for good measure in the final period.

Marmora's point getters were not available from the score sheet.

Derek Davidson scored Madoc's goal assisted by Scott Tracey.

Then in Colborne Sunday the strong Colborne team ran away with the game, but

the Madoc lads never gave up.

Colborne led 4-0 at the end of period one, 10-1 at

the finish of the second round. Outscoring Madoc 4-1 in the final period left the lopsided finish at 14-2.

Madoc's marksman was Tom Burnside with both goals assisted by Pat Graham on the first and

Scott Sheerin and Scott Tracey on the second. Scott Tracey has at least one point in all five games played.

Future star of tomorrow

By BILL DENISON
Lennie Hyde
Madoc All Star Bantams
"Tornadoes"

Versatility is the word for Lennie. Playing both center and as goalkeeper keeps Lennie busy this year in minor hockey.

Lennie demonstrates growth and maturity on the "Tornadoes". He uses his head well and is able to anticipate the play. This is his second year as a Bantam. Good playmaking is another asset Lennie brings to the "Tornadoes".

Goalkeeping is another area where Lennie has performed capably. To date as of Sun., Dec. 4, Lennie is sporting a keen 2.50 goals against average. Lennie displays quick hands and is able to handle hard high shots well.

Scoring from center thus far (as of Sun., Jan. 1)

Lennie has accumulated three goals and 10 assists for 13 points in seven games played. He has tended goal for seven games to date, allowing 18 goals for a 2.57 average.

Lennie says he considers himself a "10-year veteran" as he started playing between four and five years of age. He has played three

years in house league, and for the Madoc Novices in tournaments before Madoc went into the OMHA. Also two years were played with the All Star PeeWees.

Lennie shoots left while playing centre.

Stats: Age 14; height 5'2"; weight 113 lbs.; school CHSS, grade 9.

Lennie's hope: someday to play for the Hurricanes.

Agriculture brief

Milk substitute banned

A powdered drink product advertised as a substitute for milk has been banned from commercial sale in Canada.

The product, called "Pure Delight", is manufactured in

Florida.

According to experts of the Health Protection Branch of Health and Welfare Canada, the ban was issued because the product is nutritionally inferior to real milk.

Federation of Ontario Naturalists

Woods may become site of housing project

By Arlin Hackman

One of southwestern Ontario's finest natural areas, a 64 hectare woodland on the edge of London, can be converted to a large housing project. That's the ruling of Ontario Municipal Board Hearing Officer D.M. Rogers, who agreed to a developer's plan for laying waste to the virtually untouched remnant of mature deciduous forest known as Warbler Woods.

Named after the golden-winged warblers which nested within, Warbler Woods has been enjoyed and studied by naturalists since 1910. No wonder. It is an excellent and remarkably undisturbed example of the mature upland forests once blanketing southern On-

tario. The steep ravines and rolling hills defined by the underlying till moraine, support a rich assortment of deciduous trees such as red maple and white oak, as well as more southerly species such as shagbark hickory and black cherry. In early spring, carpets of white trilliums heighten the pleasure of walking tour.

At least six species of plants occurring in the woods are considered rare in Ontario or Canada. One of three known American chestnut trees remaining in Ontario stands in Warbler Woods and this species is now rare in North America.

All these natural values have not gone unnoticed. The McIlwraith Field Naturalists of London, have

been fighting to keep the woodland "as is" since 1976. They were initially supported by the provincial Ministry of Natural Resources (MNR) which recognized Warbler Woods as a natural area of provincial significance, worthy of provincial park status. But after completing a host of studies backing up this designation, the Ministry backed away from the issue, because senior officials were unwilling to intervene in the municipal arena. The McIlwraith Naturalists were left to defend the public interest at their own ex-

pense before the OMB.

In reaching his decision to approve development, the hearing officer concluded from MNR's failure to formally object, or purchase the property, that it did not have high regard for the woodland. He also turned down a number of compromise proposals from the naturalists, rejecting their arguments about long-known public benefits of maintaining a bit of natural heritage in favor of those who can afford to pay at least \$250,000 for the large homes to be built. Ironically, all this was rational-

ized by saying "the Board must be concerned about the greatest value to the greatest number of persons...."

It's not a happy story. Southern Ontario is losing an important natural area of rare Carolinian vegetation. The MNR has failed, once again this year, to defend the public interest in conservation as well as its own land use goals. And the OMB has shown, again this year, an amazing indifference to Environmental concerns. Some changes are due.

Queensboro News

Supper guests of Mr. and Mrs. Raymond DeClair and family on Friday last were: Earl and Betty Wannamaker and John and Brenda Gegen and baby Daniel, Belleville; Brian and Judy Renouf and boys of Strathmore, Alberta; Dean and Linda Wannamaker and family of Marmora; and Jessie Holmes and Walter Lynn of Queensboro.

Mr. and Mrs. Desmond Van Rooyen of Toronto spent several days during the Christmas holiday with Mrs. Frank O'Rourke and Clifford Evans.

Mr. and Mrs. John Walker and Allan were Christmas Day visitors of Mr. and Mrs. Kelly Lucas and Lawrence in Belleville. They spent the supper hour with Mr. and Mrs. Ralph Dufor in Tweed.

The euchre party was held on Tues., Jan. 3, in the recreation hall with Lisa Devolin winning ladies' prize and Bill Roushoren the men's prize. Also, Bill was winner of the door prize. The next euchre party will

be Jan. 17, at 7:30 p.m.

Mr. and Mrs. Doug Reid, Dana and Karrie of Trenton, and Mr. Robbie Holmes and finance Bev, Spenchly of Brantford, visited Mrs. Arthur Holmes on Sat., Dec. 31.

Mr. and Mrs. Robert Lynn and Jeffrey of Grafton visited Mrs. Will Lynn on Friday last.

A miscellaneous shower was held on Friday night in the recreation hall for Miss Nancy Holmes, a bride-to-be.

Mr. and Mrs. Alex Clarke called on Mrs. Helena Whiteman and family, Mr. and Mrs. Herb Brady and Mr. and Mrs. John Yzerief, Cooper, on Wednesday before Christmas.

New Year's Day visitors of Mr. and Mrs. Alex Clarke were: Mrs. Shirley Cooper and Mark Stevens of Belleville; Mr. and Mrs. Allan Bates and boys of Stratford; Mr. and Mrs. John Walker and Allan, Queensboro; Mr. and Mrs. Kelly Lucas of Belleville also called on

them and Laurence Walker, who had spent some holidays with the Clarks, returned home with them.

PROPERTY ASSESSMENT and your 1984 Municipal and School Taxes

Regional Offices located throughout Ontario are responsible for assessing all real property for the purposes of municipal and school taxation.

The resulting Assessment Rolls are delivered to municipalities which use them to set their mill rates and compute municipal property tax bills.

The amount of property tax you pay on your home or business depends on the assessed value and the mill rate set by your municipality. The assessed value multiplied by the mill rate will determine your 1984 property taxes.

Open House Sessions

Open Houses are your opportunity to fully understand your assessment and to evaluate its equity.

Open Houses are held in every municipality at convenient times and locations, to provide you with the opportunity to discuss your assessment with staff of the Regional Assessment Office.

An assessor will be pleased to explain the basis of your property assessment and is authorized to amend any information as may be necessary prior to the delivery of the Assessment Roll to your municipality.

If you have any questions but are unable to attend the Open House, please contact your Regional Assessment Office at the address or telephone number shown below.

Assessment Notice

Property owners and tenants will receive an Assessment Notice only if information regarding their property or assessment was changed during the past year, if the assessment was appealed last year, or if the property has been reassessed under section 63 of the Assessment Act. If you receive an Assessment Notice, it may reflect changes you have requested in your school

support designation, the amount of your assessed value, or other recorded information on last year's Notice.

Appeal Procedure

If, after attending your local Open House, you are still dissatisfied with your assessment, you have a right to appeal it to the Assessment Review Board. The Assessment Review Board conducts informal hearings and is responsible for determining whether the assessment under appeal is fair and equitable with the assessments of similar properties in the vicinity or neighbourhood, and may alter your assessment accordingly.

Appeal Deadline

The final date for appealing your assessment is March 7, 1984.

Your appeal must be forwarded, either on a Notice of Appeal Form or as a letter, to the Regional Registrar of the Assessment Review Board on or before March 7, 1984, noting your property address, Roll Number and the reason for the appeal.

To assist you in this regard, Notice of Appeal forms and the address of the Regional Registrar of the Assessment Review Board are available at Open Houses, your Regional Assessment Office, or your municipal office.

Schedule of Open Houses

Tories to challenge Liberals to election

We will support and pass the job creation legislation but challenge the Liberals to a Spring election was the message coming out of PC Party Leader Brian Mulroney's response to the Throne Speech recently.

The people of Canada have been ill served by this Liberal Government," said William Vankoughnet, MP, Hastings-Frontenac-Lennox-Addington. "Broken promises and failure to follow through on commitments have left a trusting nation, which expected action with smoke and mirrors. It's time the electorate had a chance."

Touching on the Throne Speech response, the PC

member indicated his party was willing to support positive proposals which would address the fact a million or more women in the Canadian work force will lose their jobs by the end of the decade because of technological change. In addition, a positive position will be taken on job creation for youth, with one out of five young people now unemployed; increases in the guaranteed income supplement to the single old-age pensioner and more funds for women's groups and research on women's issues.

Vankoughnet said his party will urge the adoption of a massive manpower

retraining program for four million technologically misplaced Canadians and undertake a joint provincial-federal thrust with business to develop and create hundreds of thousands of jobs.

Research and Development spending in Canada is the lowest percentage of Gross National Product (1.16 per cent in 1981) of any of the countries in the Western world. It is the key to new industries where the jobs of the future lie, the key to new products and the key to creating permanent jobs. "An increase in R & D spending by one per cent will eventually produce 800,000 new jobs," Van-

koughnet said.

Summing up the directions the Party will pursue, the member said the PCs will:

- push for an all-party resolution in support of basic peace principles;

- woo back the massive capital driven away by the retroactive position of the national energy program and the discretionary power of FIRA;

- address the erratic changes in the personal income tax;

- return to co-operative federalism;

- match our trade competitors in technological re-education and retraining; restore civility to the House of Commons;

- endorse Medicare as a sacred trust;

- embark upon an aggressive international marketing program which will create hundreds of thousands of jobs;

- reduce the climate of conflict between business and labor;

- develop an industrial

strategy that has small businesses and a fair tax system as the cornerstones.

Vankoughnet said: "It's time to call an election, issue the writ and let the people compare our platform. The present government has lost the confidence of the people and it cannot be legislated back."

THE HASTINGS AND PRINCE EDWARD COUNTIES HEALTH UNIT Have The Following

OPENINGS FOR EMPLOYMENT

1. A Confidential Secretary to the Medical Officer of Health

The successful candidate will have preferably grade 13 or equivalent, a minimum of 5 years secretarial experience in a professional office environment, preferably with excellent shorthand, computer and wordprocessing skills. This is a category 4 position.

2. A Secretary to the Director of Dental Services.

This position is presently 28 hours per week with a possibility of full time. The successful candidate will be a high school graduate, minimum Grade 13 or equivalent, possessing a diploma in commercial studies, with a minimum of 3 years and preferably with word processing and/or computer knowledge. This is a category 3 position.

Applications, complete with resume stating qualifications and experience will be received by the undersigned not later than January 16, 1984.

Deloro social news

A pre-New Year's family dinner party was hosted by Helen and Gerald Belanger at their home last Friday evening. On hand for the event were her parents, Mr. and Mrs. Charles Hulsman of Deloro, Jerry and Linda Hulsman and family of Peterborough, Jim and Sandra Hulsman and family of Douro, Rita and Albert Peppiat and family of Trenton, Ann and Garnet Gray of Belleville; also the Belanger's daughter Lisa and her husband Barry Dunn of Ottawa, and son Pierre.

Mrs. Ann Galloway and Veronica were guests on Christmas Day at the home of Margie and Paul MacDonald in Port Perry; and on Boxing

Day they gathered with other members of their family at the home of Mr. and Mrs. Pat Galloway and family in Oshawa.

Fred and Marie Bedore entertained their son Alan and his wife Anita of Napawan, Leo and Doris Bedore of Marmora and Don Flynn and friend Eileen of Kingston at New Year's.

Rose and Alan Cribbitt welcomed home their daughter and son-in-law, Donna and Don Hives of Toronto, and their son Brian of Humber College in Toronto for Christmas. The Hives and Brian left shortly after to spend two weeks in Florida.

Barry Mantle and son Barry Jr. of Pickering spent five days at Christmas time with his mother, Iva Meehan and her husband Bill.

A lack of demand for tickets has led to the cancellation of the annual New Year's Eve supper-dance at the Deloro Community Hall.

Three new residents have arrived to live at the Deloro Retirement Home - Leo Hickey of Peterborough, Lloyd Young and Ollie McCauley, both of the Apsley area.

Mrs. Ada Donaldson, Bernice Young, Darlene and

Terry Fluke and two boys, Kevin and Jonathan, travelled to Frankford for Christmas dinner with Karl and Joanne Young and family in Frankford.

Helen and John Eaton spent Christmas Day and the weekend with her daughter, Judy Edwards and family in Peterborough.

Obituary

[GRACE]

MARION FERGUSON

(Grace) Marion Ferguson, RR 2, Marmora, died at her home December 26, 1983, at age 61.

She leaves her husband Clarence Ferguson, a sister Frances Fiddler, Vancouver, B.C., and a brother

Ralph Lynch, Ottawa.

Mrs. Ferguson was born in Ottawa.

Funeral service was held December 29, 1983, at 11 a.m. from McConnell Funeral Home, Marmora, Rev. W. Mittler officiating. Interment was in Matawahan Cemetery.

ONTARIO FARM MANAGEMENT ANALYSIS
PROJECT - T. Wayne

Martin

For many years the Ontario Ministry of Agriculture and Food and the School of Agricultural Economics and Extension Education, University of Guelph have worked with farm businessmen to pro-

Ontario microcomputer available to schools soon

The first Canadian-designed educational microcomputer will be available to Ontario school boards within weeks, according to Ministry of Education officials.

The machine, known as ICON, is an advanced 16-bit microcomputer based on some of the most up-to-date electronic components available. It provides advanced high resolution

graphics capabilities and the hardware required to support sophisticated educational software.

The ICON is specially designed to accommodate the physical characteristics of children. The keyboard has been sculpted to suit their hands, and the screen is mounted on a pedestal which adjusts to the proper angle for any learner, adult or child.

The ICON's raw processing power far exceeds that of current standalone microcomputers now used in school. This power is needed to provide the fast delivery of graphics, the effective animation of images, the simultaneous operation of programs and the flexibility to upgrade features in the future.

"Software developers who wish to create educational programs will be able to add detailed coloured diagrams to enhance the traditional text presentation of lessons," said Lorne Smith, chairman of the ministry's computers-in-education project. "A chemistry experiment, for example, could be illustrated in colour and animated in stages to demonstrate each step in the process."

Smith added that the ICON has a voice synthesizer which can be programmed to speak letters, numbers, words and phrases. "This feature will be particularly useful for students with learning difficulties," he said. "We can also connect Braille, BLISS symbol, and oversized keyboards to the ICON as they become available."

The ICON's name is based on one of its "friendliest" features, the use of graphic images, or "icons", to control the computer. Young pupils can ask questions and give answers by pointing at the screen, using a "trackball". This hand-controlled device moves a cursor to various locations on the video screen as a means of communication with the microcomputer. By spinning the trackball, children who are not yet capable of handling a keyboard can still use the computer for learning.

The ICON's operating system will allow the use of several software programs at the same time. Each program will be displayed on the video screen in segments called "windows". This will allow a student who is working on a physics problem, for example, to use a mathematical help program in one window, a language help program in another window, while continuing to use the physics program appearing in the main window of the screen. Until now, this feature has only been available on the most expensive business computers, not those commonly used in classrooms.

To assure an abundant supply of software programs for the ICON and other approved educational microcomputers, the Ministry of Education has allocated \$5 million from BILD to stimulate software development during 1984 - 85. This funding is expected to grow to \$10 million annually by 1986.

To meet the need for software until these new programs are developed, the ministry has arranged to convert 30 of the best software programs now available to the operating requirements of the ICON. In addition, another 57 programs which exemplify high standards in educational software and meet the ministry's curriculum guidelines will be converted for use on the ICON.

The ICON can use seven of the most important computer programming languages available - COBOL, Fortran, APL, Pascal, BASIC, Logo and C. Most of these versions were developed at the University of Waterloo, and were chosen because they are easily purchased additional ICONs "portable" from one manufacturer to another.

This portability factor See computers Page 13

means that software written in any of these languages can be used on all microcomputers which may be developed by other manufacturers, if they meet the ministry's functional requirements. In this way, the government's growing investment in educational software will be protected as new and more advanced machines are developed.

The ICON was developed by CEMCorp, a Canadian company specially created to design and market microcomputers and software for the educational market. The Ministry of Education worked closely with the Ministry of Trade and Industry to help establish the privately-owned company through funding from Ontario's Board of Industrial Leadership (BILD).

The ministry's contract with CEMCorp is expected to result in the production of between 2,000 and 3,000 workstations. The ministry will then sell the machines of 25 per cent of its cost. Later, school boards will purchase additional ICONs at a commercial price, a price that

Madoc OPP report

During the past week, Dec. 25, 1983 - Jan. 1, 1984,

Madoc Detachment officers investigated a total of 40 general occurrences. These investigations included assaults, thefts, liquor violations as well as domestic confrontations. During the week Madoc Detachment participated in the province wide program to reduce impaired drivers. As a result of the spot checks, seven persons were charged with impaired driving and eight, 12-hour suspensions were imposed.

During the week Madoc Detachment also investigated a total of five motor vehicle collisions. None of these accidents resulted in personal injuries.

Now that Christmas and New Year's are over for the year, drivers are reminded that the OPP intends to continue the crack down on impaired drivers on the highways. For this reason, spot checks will continue.

On Dec. 17, Mable Gifford, RR 2, Marmora, was involved in an accident on Hastings Road 11, as she drove out of a driveway and collided with a vehicle driven by Donna Sarrazin of RR 2, Marmora. Gifford received minor injuries. Total damage was estimated at \$700. Const. D.W. Hill investigated.

HELP WANTED

The Construction Manager for Hastings Manor, Home for the Aged, requires a Project Co-ordinator - Site Superintendent for upcoming additions and alterations to the Manor.

Applicants should have a minimum of five (5) years' experience and be well versed in handling projects in excess of \$1,000,000.00.

This will be a phased project, with a duration of approximately two (2) years. The applicant should be available for mid March, 1984.

Duties as a Construction Manager's on site representative will include, but not necessarily be restricted to the following:

- (a) dealing with on-site contractors and co-ordinating their work with the schedule.
- (b) checking and processing of shop drawings.
- (c) overseeing the installation of the various trades.
- (d) keeping daily records and filing reports.
- (e) keeping up-to-date, as-built, drawings and records.

Please forward your resume and references, including anticipated salary, to the undersigned no later than January 16, 1984.

James R. Duffin, A.M.C.T.,
Personnel Officer,
County of Hastings,
P.O. Bag 440,
Belleville, Ontario,
K8N 3A9

Kim Groves, a student in Mrs. Winkelmann's class at Stirling's Junior School, was First Prize Winner in the Cembal Publications' Christmas Drawing Contest.

Schools to use computers

Continued from Page 12
will be competitive with those of equipment of similar quality from other manufacturers. The contract provides assistance on a "one-time-only" basis to help the new company establish itself and to introduce the new generations of more powerful microcomputers to Ontario schools.

As an incentive for school boards, however, the ministry will recognize purchases of microcomputers meeting its functional requirements as "extraordinary expenditure". This commitment means that purchases of the ICON will not fall within the ceiling established for the board's

ordinary expenditures, and will receive a grant rate averaging about 75 per cent. This additional grant assistance will also be provided for purchases of microcomputers from other manufacturers which meet the ministry's functional requirements.

The ICON is a state-of-the-art microcomputer designed specifically for use in schools. Ontario students will soon have access to a safe, reliable, highly sophisticated yet easy-to-use tool which will help them to keep pace with the many challenges and opportunities of the technological revolution.

River Valley Women's Institute

It was a night to "salute" the little village with the big heart. The ringing of the village bell brought the January 5th, 1984, RVWI meeting to order.

Mrs. Roy Tucker, hostess, had previously greeted her guests, inviting them into The Centre where gay, colorful New Year's decorations added a party atmosphere.

Arranged on a central table, were the Stirling section of the Tweedsmuir History Book and newsworthy pictures. Included were the mid-30's flood-scaped, private pond and the elm trees being toppled by the covered bridge among others.

President, Mrs. Glenn Bush, opened with a poem, The Bright New Year, and warmly welcomed those present. The communications were numerous. Christmas parcels and visits had been greatly appreciated by the recipients.

The WI is grateful for special donations received. The upcoming Senior Training School, "More Cents Than Dollars" February 28th, and the Rural Seminars for Vital People, February 21st, were discussed.

February is the RVWI month at Hastings Manor.

One-minute reports from the conveners were heard: agriculture, the site for the 1986 Plowing Match in Hastings County has been finalized; world affairs - the "Mint" is celebrating 75 years, January 3rd, 1984. Each of the 175 hospitals across Ontario will receive a commemorative Bicentennial spoon and certificate for their first New Year's Baby; education - "today's chuckle" (Wife left plate with 1 doz. tarts and a note - "Counted" Upon, return only 10 left husband left note "Think Metric"); consumer affairs - a new Zeller's store is to open on the former Bert Jones premises in Belleville; curator - Campbell Monument Company will restore the damage done to angle atop the Moodie monument by the recent ice storm, as a gift to the public. Valerie Clark, Rural Organization Specialist, is conducting two Bicentennial costume workshops at Glanmore House; PRO - noted that Bicentennial quilt entries in the contest, sponsored by the Ontario Agriculture Museum, had climbed by hundreds. The white pine tree is the official symbol for 1984; friendship link - news tidbits from Avon, England, were given.

It being the official visit of Hastings West District President, Mrs. Roy Tucker, she was invited to address the group. In bringing "Happy Bicentennial New Year's" greetings from the District, she included, in poem form, a recipe for a richer life.

Interesting facts from the 1983 centennial conference were noted as was the FWIO bicentennial project. WIs are asked to have a fund-raising event during WI Week this year, the proceeds of which to go to the Adelaide Hoodless Foundation campaign. WIs were built by women of strong character. Mrs. Wm. Worden Farley of Smithfield, who organized the

River Valley Bunch, was one of these. Others were Laura Rose Stephen and Ethel Chapman, whose pictures hang in the Hall of Fame along with Adelaide Hoodless. Mrs. Alfred Watt has now been nominated for the honor. Backgrounds of these ladies were colorfully described and pictures shown.

Then on to the program, convened under Public Relations Topic - Our "Neighbour" Stirling's 125 years. Sporting hats advertising Stirling Fair and the recent homecoming, Mrs. Roy Tucker and Mrs. George Grills conducted a learning experience. Their pupils sat in a semi-circle at their own tables in front of the pair.

A short history of the founding of Stirling brought out the names of the earlier settlers and how it received its name. Dividing the history of the village into four categories - businesses, personalities, community efforts and pictorial views, proved a delightful and quick way to absorb

history. Clippings were handed to the members. They, in return, gave the highlights, then added their own recollections of that

particular person or place of business, etc.

The roll call was answered to name a Stirling citizen of renown.

Stirling has had and still does have a goodly number. Thus the motto "Stirling Folk Like Stirling Silver. Tried, Tested, and True" was the right one. Mrs. Vernon Harry won the "Name Stirling Streets" contest.

February 2nd, at 7:30 p.m. will be the curators' meeting. Husbands and friends are welcome. Topic, Measuring Time. Speakers, Eugene and Paul of Quinte Time Keepers. Roll call, bring for display, time-pieces or relevant memorabilia.

Lunch and a social time were enjoyed. Card parties will continue through January.

Stirling WI cards

On January 2nd, 1984, the Stirling Women's Institute opened the year's activities with their first card party. Guess there were some who hadn't recovered from New Year's Eve because we had only six tables of players. It was cold but that has been remedied now so forget about it. On January 16th, we will hold

another party.

Winners on January 2nd were, for the men, Melville Grills, 2nd James Hoard; for the ladies, Mary Hoard and Wanda Johnston 2nd. The lone hand came to stay with Melville Grills. Remember the date Jan. 16, same place, same time. Come for an evening of fun.

Alpha Delta Kappa

The December meeting of the Alpha Delta Kappa Teacher's Sorority (Lambda Chapter) was held at the home of Carol Clements, Stirling.

The evening was highlighted by the drawing of the winning quilt ticket. The beautiful quilted coverlet

was won by Betty Gardiner, secretary at Hillcrest P.S.. A short business meeting was followed by a very enjoyable time of Christmas festivities ably hosted by Carol Clements, Madeleine Proulx, and Laurie Andersen. A pleasant evening passed quickly.

Deborah Jean weds Andrew Binger

Deborah Jean Carman, oldest daughter of Mr. and Mrs. Douglas Carman of RR 3 Havelock was married to Andrew McPhail Binger, son of Mr. and Mrs. Edward Coe of RR 4 Marmora, at 4:30 p.m. September 24, 1983 in the St. Andrew's United

Church, Marmora. The ceremony was officiated by Rev. Walter Mittler.

The bride, given in marriage by her parents, wore a candlelight ivory floor-length dress of chiffon over taffeta. The dress was trimmed with lace around the neck,

sleeves, and hemline. The dress was fitted at the waist and a large chiffon bow was tied at the back. She carried a forward drop bouquet of fresh white roses, white stephanotis and needlepoint ivy. Flowers were worn in her hair to match her bouquet.

The maid of honour was Arlene Sarrazan of Petawawa, a long time friend of the bride. Lori Ann Carman, sister of the bride and Teddi Coe, sister of the groom were bridesmaids. The attendants were dressed in melon (peach) floor-length gowns similar to that of the brides' and carried for-

ward drop bouquets of fresh orange tiger lilies, buttercups and ferns.

The best man was Stephen Hobbs of Toronto, friend of the groom. The ushers were Mark Spencer, friend of the groom, and Glen Carman, brother of the bride. The groom and attendants wore tuxedos with tails of dark brown with ivory ruffled shirts and dark brown bow ties; the groom wore a boutonniere of a white rose, white stephanotis and ivy, and the attendants wore boutonnieres of orange tiger lilies.

A reception dinner was held in the church upper room and the head table was decorated with a three tier wedding cake, made and decorated by the groom's mother. Master of Ceremonies was John McPhail, uncle of the groom. A wedding dance followed at the Reim Club in Marmora.

The bride's mother wore a knee length dress of royal blue georgette that draped from the neck and shoulders. A corsage of a white orchid with blue tinted baby's breath and back accessories completed her ensemble. The groom's mother wore

a knee length dress with navy accessories and a corsage of pink rose buds.

Mrs. Beatrice Davidson of RR 2 Marmora, grandmother of the bride, was presented a corsage of lily-of-the-valley. Mr. and Mrs. Arthur Binger of Lindsay, grandparents of the groom were presented with a corsage of white roses and a boutonniere of a white carnation.

Prior to her wedding, Debbie was honoured at three showers. The happy couple have taken up residence in the Havelock area after returning home from a two week honeymoon in Hawaii.

By Mildred Graham

Mr. and Mrs. Jim McIntosh of Oshawa, spent Saturday evening Dec. 31 with Mr. and Mrs. Gerald Clancy and Harry.

Mr. and Mrs. Jack Sharp, entertained their family on Christmas Eve.

Congratulations to Miss Virginia Pollock and Mr. John MacGillivray, who were married at Bethel United Church on Friday, Dec. 29 with the reception at the Lions Club in Marmora.

Miss Freda Graham of Toronto, spent a few days with Mrs. Mildred Graham and Eleanor.

Mr. and Mrs. Jack Sharp, spent Christmas day with Mr. Harry Keating at Marmora.

Mr. and Mrs. Bruce McIntosh of Toronto, spent a few days with Mr. and Mrs. Gerald Clancy and Harry.

Mr. and Mrs. Howard Wallace, were supper

guests on Christmas with Mr. and Mrs. Garnet Wallace and children.

Supper guests on Boxing Day with Mrs. Mildred Graham, Eleanor and Freda were, Mr. and Mrs. Edgar Graham and Angela of Oshawa. Mr. and Mrs. Larry Legree and Neil of Toronto, Mr. Harold Graham of Campbellford, Mr. Paul Graham of Calgary, Mr. and Mrs. Glen Graham, Vicky and Scott, and Mr. Jeff Henry of Belleville.

Mr. and Mrs. Howard Wallace, were dinner guests on Christmas day with Mr. and Mrs. Keith Boldrick of Ridge Rd.

Mr. and Mrs. John Heagle spent Christmas day with Mr. and Mrs. George Fleming and family.

Christmas guests of Mr. and Mrs. Gerald Clancy and Harry were, Mr. and Mrs. Wayne McGeachy, Lisa and Jason, Mr. and Mrs. Jim McGeachy, Michael and Derek, Miss Diane Fisk of Belleville, Mr. and Mrs.

Mike Cuculuzzi of Trenton and Mr. and Mrs. Harry Brown.

Mr. Kevin Pollock of Bolivia, spent a few days with Mr. and Mrs. Jim

Pollock and family.

Mr. and Mrs. Lyle Pollock of Oak Ridges, and Miss Heather Pollock of Kingston, spent a few days with Mr. and Mrs. Jim Pollock.

Wellman's Corners

Obituary

LEWIS REID

Mr. Lewis Reid passed away in Belleville General Hospital on January 2nd, 1984.

Born to the late Mr. and Mrs. Sylvester Reid (Lily Eleanor Reid) on March 5, 1905, he resided at RR 4, Stirling, until his death in his 79th year.

Mr. Reid was single and retired from farming in the Holloway area.

He was predeceased by brothers Wellington, Harvey, Ernest and Howard.

Mr. Reid is survived by his sisters: Mrs. Stellar Kellar of Ivanhoe, Miss

Rosie Reid of RR 4, Stirling, and Miss Addie Reid also of RR 4, Stirling. He is also survived by one brother Mr. Alvie Reid of RR 4, Stirling.

The funeral was held at the William J. Thompson Funeral Home, 87 James St., Stirling, at 1 p.m. on Thursday, January 5, 1984. Interment will be in the Foxboro Cemetery in the spring.

The Rev. J.C. Macfarlane was the officiating clergyman.

Pallbearers were Orval Kellar, Elmer Wilson, Bob Woods, Harvey Smith, Floyd MacInnis and Coleman Townsend.

Drug and alcohol abuse seminar

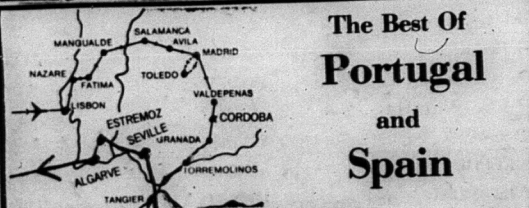

Drug and alcohol abuse seminar to be held...

Are you aware of the extent of alcohol and drug abuse in our community? Recent statistics tell us 75 per cent of 3,270 students surveyed in grades 7, 9, 11, and 13 in Ontario drank alcohol and another 30 per cent smoked marijuana. Is this happening in our local schools?

A group of concerned people in Madoc are working on organizing a task force to meet the problem head on. It is believed to be quite serious in this community.

Randy Walsh, a CFB Trenton alcohol and drug counsellor will be the special guest speaker at a meeting on Wednesday, January 18, 7:30 p.m., in Centre Hastings Secondary School. Randy is presently involved in the Belleville area task forces.

Show your concern, please be there!

Hurricanes defeat Ernestown in Madoc

The MTM Hurricanes defeated the Ernestown team in Madoc last Thursday night with a final score of 6-3. Ernestown, who had been in last place early in the season, may be picking up the tempo. The game proved to be a little more challenging for the locals than they were expecting.

In period one, Hurricane Barry Smith opened the scoring with John Desjardin and Robert Empey assist-

ing. With five minutes left in the first, Tom Clement scored a nice goal, with franks and Bonter assisting to set the score at 2-0. In the last seconds of the first, a defensive error by Ernestown enabled Doug Reid to take his time placing the puck past the Ernestown goalie. Period one ended 3-0 for MTM.

Period two scoring opened at the half-way mark when Dale Prevost skated in

for a smooth goal. Mike Burris assisted. The final goals of the period were scored by Ernestown's Darcy Drew and John Lawrence.

Hurricane goals scored in the period three were made by Mike Franks, with assists from Robert Empey and Tom Clement, and Barry Smith from Robert Empey. The Ernestown goal was made by Mike Kelly from Mike Lawrence.

NOTICE

1984

Classified Advertising Policy

Starting January 1st, 1984, all classified advertising must be prepaid before they can appear in the paper.

This does not mean that you cannot continue to phone your advertisement into the newspaper office in your village. All it means is that we will allow time for you to send in your cheque or money order, or come into the office and pay for the advertisement before 4 p.m. on Friday, before we run it in the coming issue.

Auctioneers and till-further-notice classifieds will not be affected by this policy change.

The reasons for this change in policy is to reduce our costs. Billing a classified advertisement once or even twice has made it painfully obvious over the years that billing costs us more than the advertisement. We've also found it difficult to reach those people who have not paid which also costs us many more man hours and expense. Those people whom we have not been able to contact have forced us to write-off their accounts at a great loss to the company.

Also, starting with our first issue in January, we are increasing our advertising rates - from 10 cents per word to 12 cents per word with a minimum charge of \$3.00 for up to 25 words. All classified-display rates will remain at \$6.90 per column inch.

This increase has been made necessary simply because of labor, material and printing cost increases over the last two years.

You will find that a \$3.00 advertisement is very reasonable for the over 40,000 people in our area you will reach each week.

Should you have any questions in regards to this new policy please do not hesitate to contact your local newspaper office for any further explanation.

Mom's smoking is harmful to children

Mom, did you know your smoking may be damaging your child's lungs? A Boston study which monitored the lung function of more than 1000 children for a period of seven years has revealed that the lungs of nonsmoking children who are inhaling their mothers' second-hand smoke showed only a 95 per cent growth rate compared to children of nonsmoking mothers. Further research by this Boston based study concludes that the combination

of the children's own smoking habits along with the additional smoke inhaled from the mothers' cigarettes may be an important factor in the development of chronic obstructive disease of the airways in adult life.

Other studies have linked parental smoking with childhood respiratory illness. When both parents smoke, the incidence of pneumonia and bronchitis in the first year of a child's life is high. The children of

nonsmoking parents have a lower incidence. Smoking parents should consider the fact that early childhood respiratory illness may lead to respiratory illness in later childhood and adult life.

The Lung Association is deeply concerned about this

smoking hazard to children. Parents are urged to "kick the habit" and we can help you do it. January 22-28 is National Non-Smoking Week. Why not join the many thousands in Ontario who intend to break free of the smoking habit during this week.

The Lung Association's **FREEDOM FROM SMOKING** is a self-help program designed to guide you through the quitting process

and help you "stay quit". Contact your local Lung Association and start kicking the habit. Remember **LUNGS ARE FOR LIFE.**

Monday bowling

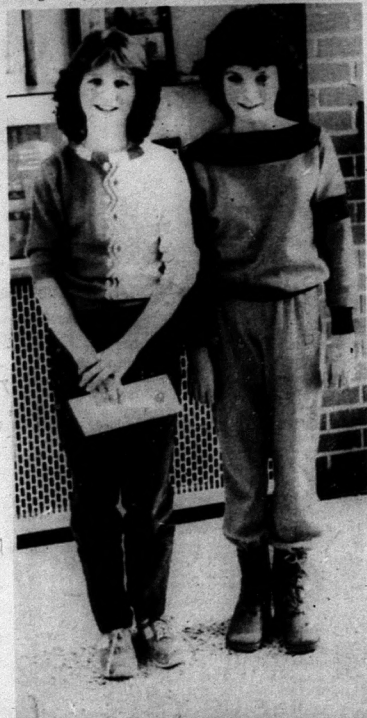

On Mon., Dec. 19, B. Ramsay bowled 250 points to score the ladies' high single. She also totaled 577 points to secure the ladies' high triple position.

A. Sharpe scored the men's high single with a score of 244 and made the men's high triple also with a total of 652.

Bowling over 200 during the Monday Nite's Bowling were: B. Ramsay 250; A. Sharpe 244, 235; O. Gordon

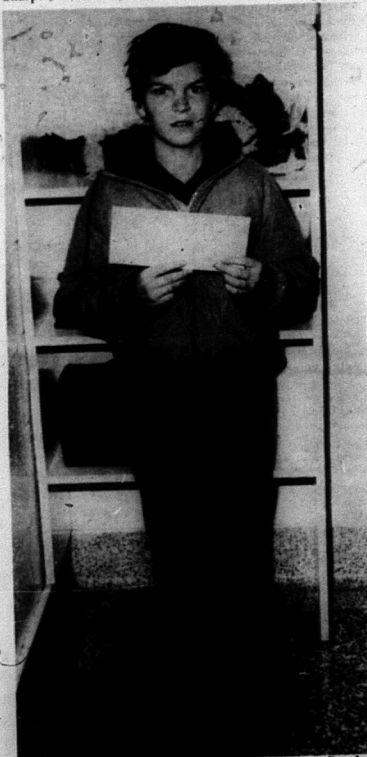

223; R. Rollins 204; Betty Rollins 202; L. Miller 229; F. Pringle 207; D. Chapman 220, 215; H. Tisdale 212, 214; H. Ramsay 223; K. Stewart 229.

The team standings to date show Als Pals out front with a total of 36 points, Angels second with 31, Heildammers third with 28, Expo's II fourth with 21 points, Head Pins fifth with 17, and No Name sixth with 11 points.

Kim Ramsay (left) and Krissy Gordon, both Grade Seven students at Madoc Public School, received awards for their entries in Cembal Publications' drawing and poetry contest.

Ramsay received honorary mention for her senior essay and poem, and Gordon was awarded second in the senior drawing contest. Both received \$2.50 in cash.

Kenny Neal, Grade 6 student at Madoc Township Public School, was given \$2.50 and an honorary mention for his drawing entered in the Cembal Publications' Drawing and Writing Contest held before Christmas.

Holiday visitors

Jane and John Schleihau and three children of London spent a few days last week with her parents, Mr. and Mrs. Cec Neal. They also visited sister Joy and her husband Vince Lynch and their family in Winchester on Wednesday. Both families were visitors at their parents' home on Thursday.

With Fred and Frances Parcells for Christmas and Boxing Day were son Joe, his wife Florence and son Joseph of Blairton Bay, daughter Mary Elizabeth and her husband Don Murat of Lindsay, son Pat and his wife Cindy of Bramalea.

Visitors at the home of Mr. and Mrs. Archie Ellis during the holiday season were: Kenny Kesh of Newcastle, Mr. and Mrs. Brian Carman and son Shane of Marmora, Mr. and Mrs. Archie Staller of Newcastle, Connie Ruttan of Marmora, Mr. and Mrs. Don Ellis of Campbellford, Mr. and Mrs. Tim Ellis of Marmora, Mr. and Mrs. Ken Ellis and Penny Bedore of Cordova, Mr. and Mrs. Norman McFarland of Toronto and Joanne McFarland of Belleville. Jim Ellis of Marmora, Harry Ellis called from Calgary to wish his parents a very merry Christmas.

Stirling Dairy Queen Novice Blue defeated by Napanee

On January 8th, the novice team travelled to Napanee for exhibition play in which they were defeated 3-1. Due to the fine defensive play of Lucas Kahler, Casey Rutan and Mike Moore the game remained evenly matched.

Jeff McMullen scored for Stirling.
The Blues are looking forward to the game in Havelock Wednesday evening at 6:00 p.m. Both Havelock and Stirling are undefeated in their respective leagues.

Cooney Farms Atom Blues peak just in time for playoffs

After winning the 'A' Championship at the Ome-noc Tournament on Friday the Cooney Farms Atom Blues kept up their stride as they met Bancroft on Monday night only to lose a hard fought game 5-2. They really played well but could not put the puck in the net.

The Blues did not get on the scoreboard until 1:05 of the second period. Trevor Torrance scored assisted by Jason Vanslyke. Then, at 8:08 of the third period Jeff MacRae scored from Trevor Torrance.

On Wednesday night the boys travelled to Campbellford and came home win-

ning 3-1. Stirling scored all three goals in the 1st period.

At 7:35 Jamie Morton scored from Trevor Torrance and Jeff MacRae. Jamie Valcamp popped in another at the 2:06 mark assisted by Dennis Murray and Damon Usborne.

Finally at 1:45 Trevor Torrance put another mark on the board for Stirling assisted by Jeff MacRae and Jason Vanslyke.

The entire team played a super game, with every player will be against Brighthorn on Wednesday night at 7 p.m.

Madoc Pee wee B's runners up at Stirling

Sat., Jan. 7, Stirling:
Game 1 - Norwood 5
Madoc 0.

Mike Kehoe was Madoc's MVP.

Game 2 - Madoc 5
Norwood 0.

Leads of 2-0, 3-0 and 5-0 were period finishes in Madoc's favour.

Robbie Lake got the Shut-out Pin for his performance in Madoc's goal.

Point getters for Madoc were: Pat Bailey, 1g, 2a (also gained the MVP award for Madoc); Mike Kehoe, 1g, 1a; 1g each to Jeff Wiggins, John Pack, and Tim Osborne; 1a to Scott Armstrong.

Game 3 - 'A' Championship Match

Norwood 3 - Madoc 1.

No scoring took place in period one. Norwood clung

on to a slim 1-0 lead after period 2. It then went 2-0 and 2-1 for Norwood. They snatched the insurance goal with only 6 seconds left in the game.

Norwood were awarded the 'A' Championship and Madoc Pee Wee 'B's' were titled runners up. Dave Osborne who played out-standingly in Madoc's nets for this game was their MVP.

Marmora meets Madoc

Susan M. Cuddy
MARMORA: The Marmora Lions Atoms travelled to Madoc to play the atom B team. Madoc opened the scoring with Derek Tracey which proved to be their only goal as Marmora went on to win scoring 11 consecutive goals.

Although the score was high the Madoc goalie stopped countless good shots.

Scoring for Marmora were: Bernie Cassidy with 4 goals and 2 assists, Robbie Coal 3 goals and 1 assist, Jason Nicolson 1 goal and 2 assists, Andy Meers 1 goal and 4 assists, Brad McNevin 1 goal and 2 assists, Mike Shurtliff 1 goal and 3 assists, Kevin Nobes and David Woodrow with 2 assists each, and Jamie Clemmens with 1 assist.

The Lion Atoms meet the Madoc Atom A team in Madoc on Friday night at 6 o'clock.

Rod Torrance received the Shutout Pin for his performance in the Pee wee 'B' championship competi-

tion at the Stirling arena last Saturday. Stirling Pee wees downed Frankford 2-0 to take home the prize.

Marmora Pee wee B's victorious over Norwood

The Marmora Merchants Pee wee B's hosted Norwood Wednesday night to a good fast game of hockey which saw Marmora the victors 5-2. Shawn Prindle opened the game assisted by Stephen Coens. Norwood Todd Murray assisted by Chris Townsend tied the score only to have Calving McKeown aided by Shawn Prindle to jump ahead again. Norwood added some excitement when Scott Bark assisted by Paul Flemming tied the game for a second time but to no avail as Marmora took over

the scoring for the rest of the game. Stephen Coens assisted by Blair Vesterfelt broke the tie and the insurance goals were scored by Greg Coens assisted by Paul Ramsperger and Ramsperger assisted by Stephen Coens. Steve Riley played a super net for his team.

The Pee wee Bs can be seen in action on Wednesday night January 11 at 6:30 in Marmora against Douro. The Douro team has scheduled a return game in Douro on Saturday January 14 at 1 o'clock.

Lakefield Chiefs profile Colin Donaldson

Assistant Coach
Colin Donaldson:

Colin, 28 years of age is married with two children, Ian and Brooks and is a resident of Lakefield having lived in the area all his life. Playing all of his minor and Junior Hockey in Lakefield he was captain of the Chiefs during his playing days. It is his third year of coaching having been with the

PeeWee all stars prior to his move up to the Jr. Club. Although he admits it has been a big step he finds it just as much fun with the older players. "They react very well in different strategy situations and you know that they come to play hockey. I have enjoyed this season very much and hope to return next year."

Marmora Peewees lose to Frankford 7-1

Susan M. Cuddy

The Marmora IGA Pee-wees hosted Frankford on Friday January 6 and lost to the tune of 7-1. Although the boys have a good team they just seemed to have an off night, while Frankford was right on. With the exception of two goals in the third period all of Frankford's goals were scored by different players. Marmora's lone goal was scored by Doug Prindle assisted by Evan Robinson and Deryk McNeven.

The boys were up and at it again on Saturday morning and hosted the Belleville Selects in a very well played game that saw the Selects win 3-1. Marmora scored the first goal of the game. The scorer was Doug Fluke

assisted by John Croskery and Jamie Nicolson. Belleville scored the next three to end the game.

Sunday saw the IGA Pee-wees extend their hospitality to Stirling in one of the best games the boys have played. Stirling opened the scoring but Evan Robinson assisted by Brian Sanderson and Matt Cuddy tied it up at the end of the first period. Stirling came on strong in the second period and scored three goals in 3 min. 3 sec. but Marmora was undaunted and charged back with two goals in 1 min. 5 sec. The goal getters were Doug Prindle assisted by Evan Robinson and Matt Cuddy assisted by Doug Prindle. Marmora opened the third period with Doug

Fluke scoring assisted by Bernie Cassidy and Brian Sanderson to tie the game.

The boys worked very hard but lady luck was riding on

Stirlings' shoulders and they scored the final goal to win the game 5-4. The Marmora Pee-wees can be seen Saturday night at home for a 7 p.m. game.

Madoc Atoms beat Frankford 9-1

By Bill Denison

Madoc, Sat., Jan. 7:

Madoc Atoms made it 4 straight over Frankford Atoms in season's competition against each other with a 9-1 count. Previous scores in Madoc's behalf were: 10-2, 6-0 and 7-1.

Season's record to date for Madoc now is 7-1.

The Madoc club were in high gear and with some line changes and strengthening the forward line thrust the team poured it on and built up 3-0 and 5-1 first and second period bulges. Four more unanswered in the last stanza and the game was 9-1 for Madoc.

The Madoc team worked the puck around as well as any time so far this season and it really paid off.

Marty Shaw was top notch again in Madoc's nets

and held off Frankford particularly with some great stops in the early part of the game. Shots on goal were: Madoc 26 and Frankford 13. Shaw now owns an excellent 2.47 goals against average.

The amazing team function is evidenced in that 26 points were gathered of a possible 27. Truly this is outstanding.

Point men for Madoc were: Pat Graham, 2g, 3a; (now leads the team in overall points with 23); Ian Ketcheson, 3g, 1a; Brad Phillips, 3g; Tim Bailey and Jason Francis 3a each; Joey Kehoe, Clayton Curl and Gord Preston 2a each; Wesley Cromwell, 1g and Troy Trotter 1a.

Paul Carr scored Frankford's goal assisted by Tony Geneareux and Paul Reid.

Madoc Tornados defeat Tweed Bantams 9-4

By Bill Denison

Madoc, Friday January 6

After losing one week previously, to Marmora DVSA Bantams, 5-1, in a jointly agreed upon four point game bringing the Madoc Tornados Bantams to a 10-6 season record, they came out and ripped Tweed's roots out to the tune of 9-4. Now 11 wins and 6 losses are the totals for the Madoc locals.

Tweed, before this night, had edged Madoc 2-1 on their ice. Madoc then shut them out 3-0 her in a return affair, then the Tornados squeezed out a 2-1 win back in Tweed. So in this year's competition with Tweed, Madoc has taken 3 of 4 games.

The above mentioned 9-4 win was one of the Tornados best outings this year and absolutely assures them of at least a tie for second place in the Bantam level.

Period scores were 3-1, 6-2, and 9-4 in the Tornados favour.

A few line changes brought about some neat fast combination effects which proved to be winners for Madoc.

Robert Pelletier blocked many Tweed shots to help Madoc's win as he tended the nets.

Tweed gathered eight penalties and Madoc seven.

Steve Bancroft led the Tornados with a four goal barrage, plus one assist (extending his points streak to 12 games). Other Madoc point getters were: "Turbo" Scott Chapman, 4

a; Lennie Hyde 2g, 1a; 1g, 1a each to Derek Chapman and Clinton Carswell; Larry Bird 1g; and 1a each to Alan Danford, Greg Tobin and Brian Derry.

Pee-wees thump Hastings 4-0

Pat Hill led the Havelock Pee-wees to a 4-0 win over Hastings last Saturday night with one goal and two assists.

Hill scored the first goal of the game at 3:56 of the first period with an assist from Jason Fraser. Just over a minute later, Dan Darrington of Havelock scored with Jason Fraser and Pat Hill assisting.

In the second period, Havelock increased their

lead by one goal as Mike Taylor scored assisted by Pat Hill. Hastings seemed to be able to skate with Havelock but on this night, they could not put the puck in the net. Havelock kept pressure on Hastings in their end and took advantage of their opportunities. At 5:30 of the final frame, Mike Whitney popped the twine for the final time assisted by Stephen Gough.

MEMORIALS

YOUNG, Eleazar. In loving memory of a dear father & grandfather who passed away Jan. 10, 1982. What we'd give if we could say Hello Dad, in the same old way; To hear your voice, see your smile To sit with you and chat a while. So you who have a father, Cherish him with care. For you'll never know the heartache, Till you see his vacant chair. Lovingly remembered by son Guy, Anne & family. 11

YOUNG, Eleazar. In loving memory of a dear father & grandfather who passed away Jan. 10, 1982. He left us quietly. His thoughts unknown. But left us a memory. We are proud to own. So treasure him Lord. In your garden of rest. For when on earth, He was one of the best. Lovingly remembered by wife Lavina, son Alex. 11

YOUNG, Eleazar. In loving memory of a dear father & grandfather who passed away Jan. 10, 1982. We often think of bygone days. When we are all together. The family chain is broken now. But memories will live forever. For us, he has not gone away. Nor has he travelled far. Just entered God's eternal home. And left the gate ajar. Lovingly remembered, daughter Darlene, Terry & family. 11

AYLESWORTH. In loving memory of a dear father & grandfather, Garfield Grier, who passed away January 10, 1981. So many things have happened. Dad. Since you were called away. So many things to share with you. Had you been left to stay. Beside your grave we sometimes stand. And think about the past. Remembering all the things we shared. Right up until the last. If we all had one wish today, And knew it would come true, We'd telephone to Heaven And ask to speak to you. Dear loved & sadly missed by Harry, Judy & Lynne. 11

MARSHALL. In loving memory of a dear husband & father, Harold Edwin (Ed) who passed away January 7, 1982. We always have our memories. Of our loved one laid to rest. He always will be sadly missed. By the ones who loved him best. Always remembered by wife Jean, son Robert & Tammy. 11

HARDISTY, John. In loving memory of a dear husband & father who passed away Jan. 10, 1983. Your presence we miss. Your memory we treasure. Loving you always. Forgetting you never. Loved & remembered by wife Susan & Daughter, Emma. 11

MEMORIALS

PREST, George. In loving memory of a dear husband, father & grandfather who passed away Jan. 3, 1978. Your presence we miss. Your memory we treasure. Loving you always. Forgetting you never. Always remembered by Nellie & family. 11

New books at the Stirling Library 'Klondike Quest' - Pierre Berton

The Klondike Quest' is a remarkable photographic essay accompanied by a short, but descriptive story written and edited by Pierre Berton. From approximate-

One of the participants of the Klondike Gold Rush

ly 10,000 pictures taken of the men and events surrounding 1897-1899 gold rush to the Yukon and Alaskan region. Barbara Sears has tracked down and sifted out the most poignant, a quest that in some ways must have drawn strong parallels with the men in their own search for the gold of the north.

No doubt, the hardships the men faced were not to be her own for after almost one hundred years she could be whisked at 500 mph 40,000 feet over mountain ranges that 22,000 men scaled 40 times in three months with a 50 pound pack on their backs each time. That was the only way to get the ton of supplies to the top of the Chilkoot Pass. That was the only way to survive the winter of 1897 in the Yukon if the gold fever had struck you as hard as it had the

estimated 100,000 men and women who had left their homes, jobs and families to head for the Eldorado Creek.

One of the more remarkable features of this book is the clarity and depth of focus in the photographs. Many were reproduced from 11 x 14 inch glass negatives of which some were pieced together from shattered remains. They tell the story in the eyes of the men whether they are posing in front of the painted backdrop of a Vancouver photographic studio or standing amongst the sweating men and beasts of burden on a narrow trail through the wilderness. The excitement and the bitter disappointment are all there for the reader to feel.

We have all become pretty used to the Hollywood productions that can

recreate historical times by a great deal of attention to the actual details of dress, architecture and modes of transportation. We can become captivated by these shows and yet somehow we always know that it is just 'make believe'. This is where Berton's book on the Klondike gold rush will amaze you the most. These pictures are all real. This event, "one of the strangest mass movements in history" actually happened.

The way these people lived and the unbelievable hardships that they endured in their quest for those long dreamed about sacks full of gold nuggets look all the more bizarre from our easy chairs in front of the fire.

"And there, were strange things done 'neath the midnight sun by the men who toiled for gold."

"Klondike Quest" proves it.

There was only one trail was jammed with dreamers line would stop, and there to the Eldorado Creek and it from the south. Often the was nothing to do but wait.

Classified Advertising Policy

Starting January 1st, 1984, all classified advertising must be prepaid before they can appear in the paper.

This does not mean that you cannot continue to phone your advertisement into the newspaper office in your village. All it means is that we will allow time for you to send in your cheque or money order, or come into the office and pay for the advertisement before 4 p.m. on Friday, before we run it in the coming issue.

Auctioneers and till further notice classifieds will not be affected by this policy change.

The reasons for this change in policy is to reduce our costs. Billing a classified advertisement once or even twice has made it painfully obvious over the years that billing costs us more than the advertisement. We've also found it difficult to reach those people who have not paid which also costs us many more man hours and expense. Those people whom we have not been able to contact have forced us to write off their accounts at a great loss to the company.

Also, starting with our first issue in January, we are increasing our advertising rates - from 10 cents per word to 12 cents per word with a minimum charge of \$3.00 for up to 25 words. All classified-display rates will remain at \$6.90 per column inch.

This increase has been made necessary simply because of labor, material and printing cost increases over the last two years.

You will find that a \$3.00 advertisement is very reasonable for the over 40,000 people in our area you will reach each week.

Should you have any questions in regards to this new policy please do not hesitate to contact your local newspaper office for any further explanation.

Dear Subscriber:

STARTING JANUARY 1ST, 1984, WE WILL NO LONGER BE SENDING OUT SUBSCRIPTION RENEWAL FORMS.

INSTEAD OF RENEWAL NOTICES WE HAVE PLACED YOUR EXPIRY DATE IN THE TOP RIGHT HAND CORNER OF YOUR PAPER. AND IT WILL APPEAR THERE EVERY WEEK. YOU SIMPLY CAN MAIL, OR BRING YOUR CHEQUE OR MONEY ORDER INTO YOUR LOCAL NEWSPAPER OFFICE.

ALTHOUGH THIS POLICY IS NEW TO CEMBAL PUBLICATIONS IT IS IN FACT THE POLICY OF MANY SMALLER WEEKLY NEWSPAPER COMPANIES RIGHT ACROSS CANADA. THIS POLICY HAS BECOME NECESSARY DUE TO THE TREMENDOUS INCREASE IN POSTAGE AND OTHER COSTS.

IF YOU HAVE ANY QUESTIONS ABOUT THIS NEW SYSTEM, PLEASE FEEL FREE TO CONTACT YOUR LOCAL NEWSPAPER OFFICE. THEY WILL BE MORE THAN GLAD TO HELP YOU.

St. Peter's acquires historic manse

The oldest stone house in Madoc, 37 Rollins St., owned by Mr. and Mrs. Robert Graham since 1970, has

been acquired by St. Peter's Presbyterian Church and will be used as their manse. It was acquired on Dec. 22.

It was built in 1857 by the Rev. Dr. David Wishart who came from Scotland to minister to the Presbyterian

congregation in Madoc and later founded several churches in the area. The house was built to face a

frame church which was destroyed by fire in 1873. The following year Dr. Wishart was instrumental in laying the cornerstone for the present St. Peter's Church, built from the McIntosh quarry to match

his stone residence.

On his retirement after almost 40 years, Dr. Wishart lived on in his own home until 1912 when it was sold to Mr. George Gillespie, owner of the talc mine.

Seen here is a picture of Madoc's oldest stone house on 37 Rollins St. The house,

owned by Mr. and Mrs. Robert Graham since 1970,

has been acquired by St. Peter's Presbyterian Church and will be used as their manse.

Tweed Memorial Park

Jim Pollock, MPP has received word that the Honourable Alah Pope, Minister of Natural Resources has approved a grant of \$40,000 under the Parks Assistance Act for development of the Tweed

Memorial Park on Stoco Lake.

The swimming and picnic facilities will be updated and plans include the addition of a swimming dock and diving raft.

Madoc Peewees fly into playoffs

By BILL DENISON

Last week an error was made and Madoc Peewees still had this one more game left with Frankford ending their regular schedule. So they went to town and showed their sharper edge again as they cuffed Frankford 7-0. Season record ended 18-0.

This was the third meeting of these two and Madoc

had also piled up lopsided affairs 5-0 and 10-1 in the other battles.

So with their engines roaring, the Madoc Peewees set their sights on the first round of playoffs most likely beginning next week.

Madoc jumped up 3-0 after period one, and added one mark in period two. Three more tallies in the

See page 9 Madoc jumped

MTM Hurricanes defeat Napanee soundly

By STEVE COMBOS

The MTM Hurricanes put themselves back on the winning track Jan. 10, when they soundly defeated Napanee by a score of 10-4. The game on Madoc ice featured some good playing by Randy Gray and Robert Empey, who were named MVPs for the night, along with Napanee's Terry Richardson.

The first period opened up fast, with Napanee boasting a full crew of point-hungry players. At 18:42, Terry Richardson of Napanee opened the scoring, with assists going to Bill McMechan and Pat Foley.

Until the half-way mark of period one, it was Napanee all the way. The Hurricanes were too busy crowding for the puck to play positions, but by 9:32, Eric Brinks managed a beautiful pass to Randy Gray, who in turn passed to Dale Prevost at the point, for a smart tie-up goal.

The tempo of period one increased further yet when Napanee managed to score their second goal. Kim Kiddie (moved to Napanee from Hurricanes) scored the

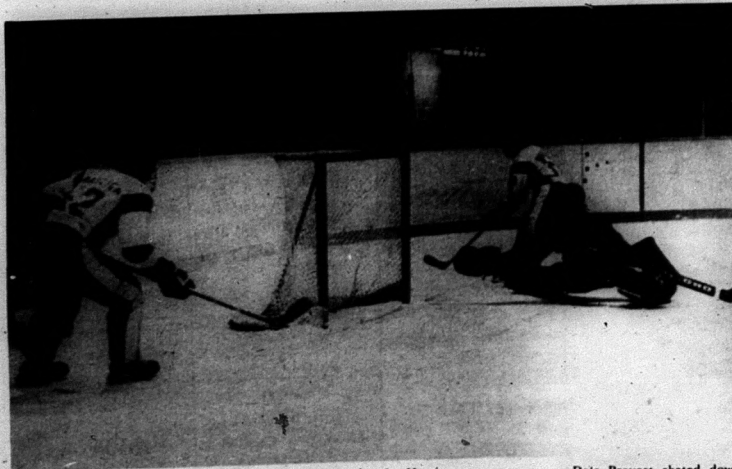

goal, with assists going to Mike Parks and Steve Scott. Score was 2-1 for Napanee.

With 2:58 left in period one, MTM's Tim Willemssen tied the score up with John Desjardins and Doug Reid getting assists. Then, only 12 seconds later, Tim Willemssen banged another goal in with Desjardins and Reid assisting again.

And the first period did not end there. The Napanee confidence was further reduced when MTM's Mike Burris scored the fourth Hurricane goal at the 19:09 minute mark, with Brock Baragar and Barry Smith assisting. The period ended at 4-2 for Hurricanes.

Randy Gray made the first stroke of a scoring blitz for Hurricanes in period two, when he took a pass from the sticks of Dale Prevost and Barry Smith. He went in on the left side, with the Napanee defence out of sight somewhere in centre ice. The score stood briefly at 5-2.

About a minute later, Hurricane Kevin Juby flipped a face-off puck to the Napanee blue line, where Brock Baragar used a

slap-shot to finish the job. Score was 6-2.

At the half-way mark, Napanee's Don Hogan went in for an unassisted goal to set the score at 6-3. But by the 14:54 mark, Hurricane Randy Gray outmaneuvered the Napanee goalie for

Hurricanes' seventh goal. Assists went to Robert Empey and Terry Brinks.

Napanee managed to answer that goal about 15 seconds later when Steve Scott scored with Kim Kiddie and Terry Richardson assisting. Score was 7-4

for Hurricanes.

Period three was icing on the cake for the Hurricanes. Three unanswered goals set the final at 10-4.

The first was scored by Tom Clement, who moved in for a clean power-play goal, unassisted. At 8:36,

Dale Prevost skated down for a breakaway goal after Tom Clement and Robert Empey freed up the puck. Then, with 1:06 left, MTM's Mike Burris slipped in a short one with Brock Baragar and Kevin Juby getting assists.

It is the only complete
history book written on
Ivanhoe, said Fleming.

Letter from the Editor

By the time you read this
letter, I will be a newly
married man. That's right,
on Jan. 14, I will be married
and on honeymoon some-
where on the tropical island
of Jamaica.

Two weeks of sun and
surf. In the meantime, The
Madoc Review will be
edited by the capable hands
of Anna Kreidemann from
Havelock.

What I would like to urge
all those corresponding with
the paper is to send letters
or writeups in early. An
other request I have is that

if there are any newsworthy
events happening between
Jan. 14 and 29, call the
office to inform Anna. Given
proper notice, she will be
happy to cover the events.
I appreciate your con-
tinued support, for if there

wasn't community support,
there wouldn't be a com-
munity paper. See you when
I get back.

Yours truly:
Steve Combos, Editor,
Madoc Review

Letter to the Editor

Gentlemen:

Last Monday evening I
had the pleasure along with
a handful of others to enjoy
a performance of "Twelfth
Night" produced by seven
students in Mrs. Simpson's
grades 11 and 12 theatre
arts class, aided by other
interested students.

The cast gave a well-re-
hearsed and enthusiastic
performance, especially
when one considers the

number of players avail-
able, the very limited
budget and the fact that this
was a first for these young
people.

Shakespeare is a difficult
undertaking for seasoned
performers and these as-
piring young actors and
actresses did a great job.

The only regret I have
was that so few were there
to enjoy the play.

Marion Moriarty

Ski poker run

During the past two
months, groups of volun-
teers have been busily
working in the bush at
weekends, clearing and
grooming ski trails in
preparation for what they
expect to be the biggest and
best yet "Ski Poker Run" at
this year's Cooper Winter
Carnival.

With the choice of three
different ski trails now
nearly ready, the organizers
believe that they will
provide a day of challenge
and enjoyment for every-
one, whatever their level of
skiing ability.

The Ski Poker Run is a
special event, believed to be
the only one of its kind in
Canada, since it enables
everyone to compete
equally whilst at the same
time matching the capabil-
ity of the skier to the trail.

Located around the different
trails are a number of
card stations, with the
added excitement of some
mystery card stations in
hard-to-get-at locations.
All the cards are handed in
when the skiers complete
the trails, and are ex-
changed for playing cards
which then go to make a
"poker hand".

The Dunns are active conservationists

BY JEANNETTE MOORE

Before the early settlers came into this area levelling the trees to establish farms, on land often unfit for growing crops, this part of Ontario bordering the Canadian shield was a forest of stately trees, many of them giants. But to the pioneer farmer, the forest was the enemy to be done away with and as one Englishman in the 1800's wrote back to England, "Every tree was a weed of gigantic growth to the settlers and 'Down with it' was the universal motto. You cannot conceive the singularly cold and dreary appearance of the whole country from want of hedgerows and clumps of trees....you may travel hundreds of miles and nothing meets the eye but the interminable snake-fences."

There are some organizations and individuals today trying to help the land regain its former grandeur and two such people in this area are Elspeth and Alan Dunn who are reclaiming and conserving for future generations 400 acres of sandy rocky soil north of Marmora that, as Alan puts it "should never have been cleared in the first place".

Many of us are on the side of the conservationists, deploring the acid rain problem/the expansion of cities into prime farmland and the rape of the forests. But very few are true to the name of conservationist in an active way as are the Dunns, who found out for themselves last November how few when the Ohio Forestry Association advertised in the U.S. and Canada for interested persons to take an Alpine Forest tour of Central Europe. Only seven other couples besides themselves, all Americans, took advantage of the 21-day trip led by Dr. Clarence Heinke of the Ohio Forestry Association, visiting forests and sawmills and seeing the

sights of the north side of the Alps, through Switzerland, Austria and Germany.

"It was a fascinating experience" said Alan when asked about the trip last week. "Dr. Heinke had arranged for us to be greeted by forestry officials of the government at each stop. We in this country could learn a lot about forest management from Europe. For instance, you'd be fined there if you dared to run a skidder into a forest. They

of about 4800 acres called the Tiergarten, where wild boar, ancient cattle and deer range at will. They are harvested systematically and served in some of the restaurants as game. The private woodlot owners are required to replant and are not allowed to cut trees unless given the go-ahead by a government official. We can also take warning from their experience about the results of acid rain on trees. In some regions, especially

up to inform the public of the results of pollution. The Norway spruce is the species being hardest hit

at Queen's University. Elspeth, for her part, is a keen botanist who can identify just about any plant

of rough pasture which was reverting to sand with no grass. Those trees are now up to 14 feet high. I have restored to productivity a few acres for growing mixed hay and last year got 100 bales to the acre. I have worked at restoring the old dilapidated, but structurally sound barn, have landscaped with ponds, trees, and grass four acres near the house previously swamp-land, and in short have transferred in 10 years a rundown old farm to what I now believe can be considered a showpiece. But our purpose is not to make money or to harvest the trees. Our whole aim is conservation and more and more our interest has focused on the forestry aspect."

That means, in part, he no longer has a barn filled with exotic bird life as in the first years when he kept pheasants, peacocks, guinea hens as well as geese. He now contents himself mostly with an assortment of four-legged animals including several pet donkeys.

The Dunns took many pictures on their trip and have a large repertoire of colored slides. As well as writing a report of the European forests for the Ontario Forestry Association Newsletter Alan has been in touch with other conservation organizations and will be setting up a picture presentation in conjunction with the Ministry of Natural Resources in Tweed for one. His slides are also available for local viewing by any interested organization.

you might set before her.

"I have always been a frustrated forester" said Alan. "So after retiring I was determined to purchase an acreage and devote my time to conservation. The first thing I did after coming here was to reforest 25 acres

have been preserving their trees for 1000 years and have learned from the experience. We were amazed to see that the Vienna woods consist of 500 square miles and surround Vienna, a city of 1,600,000 people. On the very edge of Vienna is a walled wilderness area

Germany their forests are dying from pollution. In some parts we saw no effects as the results depend on the prevailing wind, but German forests are badly affected and at the park centre of the Bavarian National Park a visual presentation has been set

Over all of Germany 55 percent of the forests are showing some die-back and in Bavaria 45 per cent. The pollutants arise from their cars which still burn leaded gas, and also from the commercial factories and power plants of Germany, France and Czechoslovakia.

The authorities are very concerned and are trying to educate the public to the need for action, but Europeans generally are worried for to them the Forest is Life a slogan which appears on many of their bulletins.

For the Dunns, the farm they purchased in Marmora Township 10 years ago and have converted to Dun-Mar Woodlands, was an after retirement venture and an outlet for a life-long interest in the "out of doors" and nature for both of them. Alan spent his working years as a teacher running the gamut from a country school where he taught every grade to final years as Supervisor of Guidance Services for Etobicoke and in his very last year after retiring from the elementary and high school system served as Associate Professor of Counsellor Training

[Centre] Alan Dunn talks to Bronwen, aunt of the baby

donkey Frosty, and above is pictured the devastation in a

German forest caused by acid rain.

Top right is the Dunn farm as it looks today after 10 years of restoration. Lower

right is Frosty, a baby donkey with its mother Rosy, pets of the Dunns.

"Take twelve fine, full grown months. Select only those which are thoroughly free from all old memories of bitterness, rancor, hate and jealousy. Clean them completely free from every clinging spite. Pick off all specks of pettiness and littleness. In short, see that each of these months is freed from all the past so that they are as fresh and clean as when they first came from the great storehouse of time."

Next, cut these months into thirty or thirty-one equal parts. They will keep for only one year, so do not attempt to make up the whole batch at one time. Far

too many people spoil the entire lot in this way. Rather, prepare but one day at a time.

Into each day put twelve parts of faith, eleven of patience, ten of courage, nine of work (some people omit this ingredient and so spoil the flavour of the rest), eight of hope, seven of fidelity, six of liberality, five of kindness, four of rest (leaving this out is like leaving the oil out of the salad - don't do it), Three of prayer, two of meditation

and one part only of well-selected resolution. For spice and sweetening, according to your scruples, add about a teaspoonful of good spirits, a dash of fun, a pinch of folly, a sprinkling of play and a heaping cup of good humor.

Pour love, ad libitum, into the whole and mix with vim and vigor. Cook thoroughly in a fervent heart. Garnish with a few smiles and a sprig of joy. Then be sure to serve with quietness, unself-

fishness, and cheerfulness and a Happy Year is a certainty.

Remember - with a smile and a prayer - twelve new and wonderful glorious months have been issued in your name to do with as you wish. Father Time has signed your note, so that you have been issued a 'credit card' for the entire year!

If you make a mistake, be sure you don't make the

same one over again. Laugh at difficulties, and they will soon vanish. Attempt heavier responsibilities, and you will find them growing lighter. Face a bad situation and it will clear up. Tell the truth, and find an easier way out. Do an honest-to-goodness day's work every day, and reap the rewards. Believe people are honest, and you will find them living up to your expectations. Trust in God each day and He will surprise you with His goodness."

Stirling Scout and Guide news

Our annual Scout Parent and Son Banquet will be under way by 6:30 p.m., Tuesday, February 21st, at the Community Hall. We are expecting another great turnout this year and we will be featuring the canine team again. They were a previous year's success and have again been demanded to entertain us this year.

We also plan our yearly ecumenical service Sunday, February 19th, at the Community Hall.

We have planned a Scout-Guide display during the February 18 and 19 weekend to commemorate our Scout-Guide Week.

The Beaver Christmas Party was held on December 19th. After opening, the

boys went on a candy cane animal hunt. Then the boys made Santa faces out of felt to hang as a tree decoration. A gift exchange and cookies and refreshments followed and was enjoyed by all. They are planning a tobogganing party January 9th, a games night January 16th and an Indian night, January 23rd.

The 2nd Stirling Brownies made Christmas tray favors for Belleville Hospital in December. They enjoyed a Christmas gift exchange, a craft night and party.

The girls went to Edward St. Manor to sing carols. Following this they trekked to the fire hall for a snack and hot chocolate.

The Cub pack completed their candle and log centre-pieces and they were quite pleased with them. They also exchanged gifts and played games.

They would like to thank those parents who sent cookies and other Christmas treats.

On December 11th they held their hike to Sager Conservation Area. The boys packed a lunch and made hot chocolate during that cold, windy day.

A special thank you is extended to Pete Sealey who accompanied us and to Ken Sager who took us through the trails, pointing out various wildlife tracks and logging operations.

The Pathfinders were

involved in a Christmas Sharing Program which worked out very well. They also went throughout Stirling Christmas carolling and had hot chocolate and snacks afterward at McDonald's.

The Pathfinders plan a winter camp at Pine Ridge in Trenton on January 19 to 21st.

On January 14th, the Lions Club are holding a dance at the arena featuring the Land O' Lakes Cruisers. The tickets are selling for \$8 a couple. Proceeds for the dance are going to the Girl Guides. Have a great time while also supporting our girls!

Employment prospects good for university grads

Over 88 per cent of the university graduates who entered the labor force after graduating in the spring of 1982, are employed, 71.5 per cent full time and 17.3 per cent part-time.

The statistics are contained in a graduate employment survey released recently by Colleges and Universities Minister Dr.

Bette Stephenson. The survey shows that 11.2 per cent of the graduates who entered the labor force did not find employment. At the time the survey was conducted the unemployment rate for all those in Ontario between 20 and 24 years of age was 18.7 per cent.

The survey states that those employed full-time

are experiencing high degree of satisfaction with their jobs, with their salaries and with the opportunities for advancement. Most of those surveyed said a degree was required for the

employment they found. The survey included graduates from the province's 15 universities, Ryerson Polytechnical Institute and the Ontario College of Art.

Nursing beds

Two hundred and fifty-three additional nursing home beds have been approved for various Ontario communities, it was announced January 10th by Health Minister Keith Norton.

"Almost 600 other new beds, allocated earlier, are in the planning or construction stage. Many of these will come on stream within the next few months," said Mr. Norton. "Along with the chronic home care program, which will be universally available across the province starting in March, these new beds will help us assure our senior citizens have access to the type of health care they need."

One hundred of the beds announced will be established

in Metro Toronto, 40 in the Thames Valley area, 40 in Kincardine, 30 in Stratford, with smaller allocations to Brighton, Barrie, Oshawa, Osgoode and Barry's Bay.

The allocations were recommended by local district health councils. In cases where more than 10 beds have been allocated to an area, requests for proposals will be advertised in local media.

In choosing licensees for the new beds, the ministry will give preference to those who undertake to admit patients referred from local hospitals and those who need more than the one and a half hours of nursing care per day which is required as a minimum under the Nursing Homes Act.

Two stores burn in Lakefield

Shortly before 9 p.m. last Wednesday a fire which caused an estimated \$500,000 damage broke out

in the downtown core of Lakefield. Forty firefighters fought the blaze for six hours in -36 degree celcius temperatures before bring-

ing it under control. Above: The blaze at its peak around midnight.

DVSA Bantams continue shutouts

Defeat Douro in tournament

The Marmora DVSA Bantams went to Stirling January 9th and beat the Blues 11-0. Scott McTaggart received the shut-out. The point getters for this game were Dwayne Bertrand, 2 goals 2 assists; Darren Thompson, 2 goals, 2 assists; Kevin Doyle with 1 goal and 3 assists; Stephen Pascoe and Terry Deline each with 1 goal and 2 assists; with 1 goal and 1 assist each are Chris Peters, Craig Nobes and Jeff Clemens and Steve Bedore scored 1 goal. Getting assists were Jamie Teetstra, Kevin Terrior and Tim Cassidy.

On January 10th the Bantams, called Colborne out to play and Scott McTaggart did it again. He got another shut-out with Marmora winning 8-0. Scor-

ing in this game came from Kevin Terrior with three goals, Kevin Doyle with 2 goals and 2 assists, Craig Nobes with 2 goals and 1 assist, Stephen Pascoe with 1 goal, Jeff Clemens with 2 assists and Tim Cassidy, Terry Deline, Shawn Prindle and Chris Peters each got an assist each.

The DVSA Bantams hosted a tournament on Saturday January 14th inviting teams from Douro, Deseronto, Warkworth, 2 teams from Peterborough, St. John's Baptist and St. Paul's Wellington and Havelock. There was a good crowd all day and many Marmora fans came out as the word spread that the hockey was good, fast and exciting.

Marmora met Warkworth in the first game and those

there saw an excellent hockey game. There were no goals scored in the first and second periods. At the 7:30 of the 3rd mark Craig Nobes scored assisted by Tim Cassidy and Kevin Doyle, but Warkworth tied up the game soon after. With just 1:05 left Craig Nobes assisted by Kevin Doyle broke the tie to win the game 2-1.

Marmora's second game was with St. John's which was a good game for the first 2 periods, then Marmora took over. Peterborough scored first but Marmora came back to get three. Scoring were Kevin Terrior assisted by Stephen Pascoe and Jeff Clemens, Jamie Teetstra assisted by Craig Nobes and Chris Peters, Kevin Terrior assisted by Tim Cassidy.

Peterborough scored once more to end the period 3-2 for Marmora. Marmora only scored 2 in the second. Stephen Pascoe assisted by Kevin Terrior and Tim Cassidy, Terry Deline assisted by Kevin Doyle. The 3rd period saw Marmora score 5 more goals. Kevin Terrior assisted by Stephen Pascoe, Dwayne Bertrand got 2 assists on one by Steve Bedore, Tim Cassidy assisted by Kevin Terrior and Kevin Terrior unassisted to end the game 10-2.

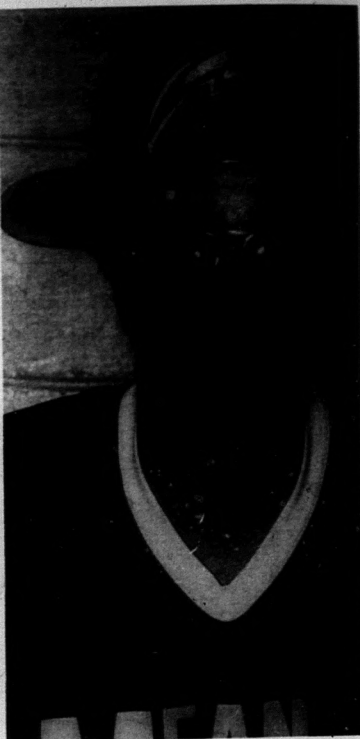

For the A Championship Marmora met Douro to win 6-4.

Douro opened the game, but Craig Nobes scored to tie. Assisted by Steve Bedore, Kevin Doyle got the go ahead goal assisted by Steven Bedore. In the second period Douro scored 2 more goals to go ahead. Kevin Doyle tied the game again assisted by Steve Bedore, but Douro was back again in the lead. This time Kevin Terrior assisted by Craig Nobes tied for Marmora. With 3:48 left Terry Deline broke the tie assisted by Kevin Doyle to go ahead and with one second left Dwayne Bertrand assisted by Kevin Doyle scored the final goal.

Scott McTaggart played net all day. A lot of work was put into the day with much support from the parents. The winning coach was Marcus Strassburg, manager Gary Kelly, trainer Jerry Pascoe, and stick boy Terry Clemens. Rosemary Pascoe was responsible for the money tree and the printing of the tickets. Jean Crookery was the lucky winner.

The Bantams begin their playoffs now with the first team to meet being Colborne.

The first game will be played in Marmora at 8:30 p.m. this Friday.

Mean Mick Coghren

Mean Machine

Six-pack stuns Tweedles, Muskies

The day of reckoning came to Tweed on Sunday Jan. 7 when THE SUNDAY SIX-PACK, Mean Machine's special demolition squad, descended upon the Tweedles and squished them like bugs.

Mean Buck Munchkin, alias The Sawed-off Shotgun, and Mean Mick Coghren accounted for 11 of the Machine's 16 goals in their 16-5 win. When asked why the Shotgun and he play so well with each other, Mean Mick snarled some-

thing to the effect that he was tired of being asked that question and that they were just good friends.

On Wednesday night, the Mean Machine did a little angling and ended up filleting the Madoc Muskies 14-3. The Shotgun scored another 6 goals which makes it easy to see why his protegee, the other number 99, idolizes him so much.

After months of being hounded by "the Senior Blues," the Machine has

Atoms venture north

Susan M. Cuddy
The Marmora Lions' Atoms ventured into the north country to enter the Bancroft two-day Atom tournament. In the first two games, played Saturday, against Napanee and Bancroft they were defeated by scores of 3-1 and 8-1 respectively.

The third game was played Sunday morning against Trenton and they came out the victors with a 2-0 score. Scoring for Marmora in this game were Robbie Cole and Bernie Cassidy with an assist on the first goal by Brad McNevin.

A most valuable player was picked from each team for each game with those players receiving a Texas-style hat. The Marmora players to receive hats were Bernie Cassidy, Robbie Cole and Tony Bowen.

Blues defeated in bruising game against Campbellford

The Bird's I.G.A. Juveniles were slow starters in last Monday's game against

Campbellford but as shown above they caused quite a bit of excitement around the

net as the game went on. It ended 5-4 for the visiting Campbellford team.

There was no shortage of excitement in the Juvenile hockey game played at the Stirling Arena last Monday night between Stirling's I.G.A. and Campbellford Chrysler. Even after the last

buzzer had sounded the boys had enough energy left to get into an all player brawl. Spirits ran high throughout the game and there were enough penalties handed out to keep things

under control.

As the teams took to the ice for the second period there had been no scoring, but with two Blues players finishing time in the penalty

box for first period infractions, things soon opened up. The Blues held off from this disadvantageous position until 4:52 when, with each team playing three men to a side, Campbellford found the corner with a nice backhand shot from just in front of the net. At 3:59 Campbellford again got one past the Blues goalie to make it 2-0 for Campbellford. By 1:08 of the second period it was 3-0 and the Blues headed for the dressing room in a bad position.

However, they came out in the third period undaunted and finally made it on the board at 12:56 and had Campbellford get a penalty

to boot. With several penalties to both sides for rough play the teams found themselves playing with only three men on the ice through much of the third period. The Blues capitalized on the open space and by 2:13 of the last period the Blues were pushing hard with the score at 4-3 for Campbellford. The Blues actually tied it up only to have the goal disqualified for an infraction by #15 committed before the goal. Each team popped one in to make it 5-4 and with only 37 seconds left to play. The Blues kept blasting away at the Campbellford net but to no avail. The seconds ticked away the Blues had to accept a hard defeat.

Dairy Queen Novices win B side

The novice team went trophy hunting in King City this week-end January 13-15 and returned with their mission accomplished. Excellent teamwork and determination resulted in Stirling winning the 'B' Championship.

The opening game against Mt. Brydges had the fans wondering as the opposition took a 3-0 lead in the first period. However, Stirling came to life when Andrew Rodgers assisted by Mike Moore shot in our first goal. Eric Manlow scored in the second period and then on a pass from Rodgers, tied it up in the third. Rodgers fired in the winning goal from Moore and McMullen. MVP trophy was presented to Andrew Rodgers.

The second game against King City was neck in neck. The first period ended at 2-2

and the second ended at 5-5. King City picked up 2 goals in the third. Scoring for Stirling were Eric Manlow with 3 goals and Andrew Rodgers with two. Assists were credited to Rodgers (2), Manlow and McMullen. MVP trophy was presented to Eric Manlow.

At 7:30 Sunday morning the 'B' championship game was truly an eye opener. The boys were ready to tear at the parents slowly took their places in the stands. Eric Manlow started the scoring. Andrew Rodgers from Manlow added a point. Manlow brought the score to 3-0 at the end of the first period. In the second period Mt. Brydges got a lucky break and beat our goalie. Rodgers from Rogers and Manlow made a great connection to bring the final score to Stirling 4 - Mt.

Brydges - 1. Casey Ruttan received the MVP trophy. Both goalies, Kahler and Woodbeck, played a fantastic game. The boys received individual trophies as well as a team trophy. Pins and banners were exchanged between the teams.

Stirling's novice team is one to be proud of.

Havelock, Stirling tie

On January 11, the Stirling novice team traveled to Havelock for an exciting exhibition game. The teams were evenly matched. Stirling's No. 5 Eric Manlow scored twice as did Havelock's No. 5-Pascal Hill. Stirling's No. 14 Casey

Ruttan and Havelock's No. 14 Lee Reynolds each picked up a goal.

Stirling's assists went to Greg Barr, Andrew Rodgers, Jeff McMullen and Michael Rogers. Havelock assist went to Calvin Larmer.

One Foot in the Furrow

By Bob Trotter

To get accolades from reporters on a big business newspaper where farm problems are usually ignored is quite an accomplishment for an agricultural minister.

But that is just what Dennis Timbrell did a couple of weeks ago. When he an-

nounced his red-meat plan for the province at a press conference Jan. 6, Orland French, the Queen's Park reporter for the Globe and Mail, commented that Mr. Timbrell was sharp, crisp, knowledgeable and business-like.

"The man," wrote Mr. French, "has been doing a lot more" than whittling and whistling."

Mr. Timbrell asked for the administrator's job two years ago. In this bustling, industrialized province of Ontario, the agriculture portfolio is as bad as being banished to Devil's Island. Less than five per cent of the population is actively engaged in farming and that does not mean a lot of votes for a politician.

But the portfolio is important to the government.

Farm policies affect the well-being of the entire nation. When agriculture is healthy, 42 of every 100 jobs in the country are affected.

Farmers were a little leary when Timbrell took over the ministry of agriculture and food. He is not a farmer. Before entering politics, he was a Don Mills school teacher, representing a suburban riding whose constituents probably wouldn't know the difference between

a Hereford and a Holstein. But Mr. Timbrell learned quickly and quietly. He took little action in the first year as administrator, content to learn about farmers and farm problems.

Which, to a jaded old reporter like me, was a good idea. He did not play the part of the city boy who wanted to get a little manure on his boots. He played it straight and honest which may be a lost art for politicians.

In his New Year's press conference, he gave answers to every question without being evasive. He was even able to answer technical questions with knowledge and aplomb.

He has obviously done a lot of homework. He has been listening to farmers.

Whether his plan for beef and sheep will be accepted by all farmers remains to be seen. In fact, it would be a miracle if he did please them all. His \$2.5 million plan will not please those who want supply management nor will it please the free-enterprisers.

He is following the successful Tory line of landing somewhere in the middle of both camps.

The plan will re-structure the marketing of beef and sheep. It will not include quotas.

As a farm writer for 20 years, I can agree that beef farmers are, for the most part, fiercely independent and want to stay that way, in spite of the fact they have taken a terrible beating for the last decade with declining prices and increasing production costs along with high interest rates.

About all the new plan is designed to do is ensure competitive bidding for all cattle and sheep.

"I realized that beef producers were in a difficult situation. I was determined to pursue a long-term approach rather than the quick-fix bandage approach which gives dollars, regardless of need," he told the press.

It remains to be seen whether the plan will even begin to address the hardships faced by the red-meat industry. If the first announcement of action is any indication, it will, indeed, be a long-term approach.

The committee appointed as an agency has a minimum of three months and a maximum of six months in which to file a report on how to streamline the marketing of beef.

By the time, a few hundred more beef farmers may be forced out of business.

Woods, Water and Wildlife

BY Arlin Hackman - Federation of Ontario Naturalists

Canada's newest National park is having its share of hard knocks. Fortunately, its official guardian, Federal Environment Minister Charles Caccia, has shown himself willing to fight back. And that's particularly important since some of the problems originate in his own department.

Situated just to the southeast of the town of Marathon, Pukaskwa National Park encloses a 1900 square mile tract of rugged pre-cambrian shield, boreal forest and a most spectacular stretch of Lake Superior shoreline. Though it contains some man-made structures which may date back 2000 years, the Pukaskwa landscape proved too difficult for 20th century settlement. It remains so remote that most of its 750 lakes remain unnamed. Fragile sub-arctic plant communities thrive in the chilly micro-climate afforded by Lake Superior, while Woodland Caribou, lynx, wolves, and bears roam relatively free from disturbance.

Scarcely was this last magnificent stretch of Lake Superior wilderness declared a park, than news broke that interior lakes are dead and dying from acid rain. A short time later in August 1985, Parks Canada revealed plans to build a road and marina in the park, for public use as well as park administration.

Solving the acid rain problem requires action in the international arena where Mr. Caccia is but one player, no matter how important or committed. But Parks Canada's operations are entirely in his

control and to his great credit the Minister called a halt to the marina just before Christmas.

It was a wise decision. Originally slated for a site on or outside the park boundary, this major marine facility was to be rushed ahead at pulpwood harbour instead, so that Parks Canada could take advantage of a special fund dispensed by the Federal Cabinet. Conservationists protested this choice of location, citing the extreme hazards of recreational boating in the area, the destruction of natural values which the road and facility would involve and the lack of prior consultation with all parties regarding alternative sites. In addition, they questioned why tax dollars should be spent

where no private investor had ventured and where existing local communities would have difficulty tapping the economic benefits.

Despite these criticisms, Mr. Caccia might well have allowed construction to proceed. The funds were already committed when he took office. Instead, he decided to re-direct those funds to other local projects and send the marina back to the drawing board. In doing so he displayed an awareness that it is precisely ill-considered developments such as this which nibble away at our precious natural heritage and public trust until they are both gone. Hopefully his commendable sense of priorities will carry through the national parks centennial in 1985 and beyond.

Madoc jumped up 3-0 after first

(Continued from page 1)

final session ended the fixture.

The Madoc band were clicking much better in this match and seemed to be fine tuning themselves for the saw offs to come. It was a much more promising demonstration than was the case in the last few games.

Point getters for Madoc were: Jason Bailey 2 goals, 2 assists (this actually means that Bailey has scored at least one point in all 17 games played and also has stretched his goal scoring string to 14 consecutive games), also he ended the regular season in a tie for the league lead in total points with teammate Brian Forestell at 47 points. Bailey had 30 goals, 17 assists and Forestell had 27 goals and 20 assists. Derek Wood 1 goal, 2 assists; Trevor McTaggart and Peter Denison each had 1 goal and 1 assist; Jim Bonter and Steve Brinks each had 1 goal; 1 assist each to Robyn Plumbe, Shawn Chapman and Brian Forestell (who has also

extended his point-scoring binge to all 17 games

played). Both Jeff McMaster and

Barclay Sexsmith shared the shut-out and had very

few shots to handle. Frankford had 13 penal-

ties and Madoc were guilty of five.

Peewees stats at the end of schedule

Games played: 18; goals scored: 130; assists: 151; total points: 281; goals against: 15.

Individual points: Jason Bailey 30 goals, 17 assists

for 47 points; Brian Forestell 27 goals, 20 assists for 47 points; Trevor McTaggart 14 goals, 19 assists for 33 points; Jeff Sawkins 17 goals 15 assists for 52

points; Peter Denison 15 goals, 14 assists for 29 points; Derek Wood seven goals, 14 assists for 21 points; Shawn Chapman five goals, 12 assists for 17

points; Steven Brinks three goals, 10 assists for 13 points; Jim Bonter six goals, five assists for 11 points; Paul McMaster two goals, nine assists for 11 points; Kert Rosnuk 10 assists for 10 points; Tom Deline four goals, two assists for six points; Robyn Plumbe four assists for four points; and John Pack one

assist for one point.

Goalkeeper's records: Jeff McMaster played eight and one-sixth games, allowed three goals; goals against average .36. Barclay Sexsmith played eight and five-sixth games, allowed 12 goals; goals against average 1.55.

Leading penalty getter: Steven Brinks: 22 minutes.

Scott Chapman breaks leg

After previously engaging in three tight battles 3-2 for Madoc; 3-2 for Frankford and 3-1 for Madoc, Frankford came on with a vengeance and skated all over the Madoc club and came out on the high count of 7-2. This means that these two clubs split the four matches played with each other this year.

Bursting ahead 3-1 after the first buzzer, the two clubs split two goals in session two. Frankford just kept scoring goals (three in period three and "put it away").

A sad note during the game was when Scott Chapman broke his leg in period two. This is a tough loss for Madoc as the playoffs are just around the corner.

Five penalties each were assessed.

Pointgetters for Madoc:

Larry Bird 2 goals; one assist each to Greg Tobin, Craig Miller and Brian Derry. For Frankford: Rob Angelo 3 goals, 1 assist;

Jeff Lawson and Tim Genereaux 1 goal, 1 assist; 2 assists to Mike Wood and Paul Lytle 1 goal, 1 assist; and John Evans 1 goal.

Frankford Midgets drop

Madoc below .500

Madoc, on the only other clash with Frankford Midgets had come out on top in Frankford ice 4-2. This time Frankford reversed the decision on Madoc's pond and scraped past them 5-4.

Frankford 1 Madoc 0 after period one; Frankford 4 Madoc 2 after session two and Frankford 5 Madoc 4 at the final buzzer, was the way the period scoring went.

Madoc Midgets were

outplayed throughout the contest until about the last two minutes of the game when the local Midgets "came alive too late" and banged in two goals, but fell one short.

Frankford were guilty for 12 penalties, and Madoc suffered 11 times.

Madoc's point men were: Pete Brady 1 goal, 2 assists; and 1 goal, 1 assist each to Kevin Bertrand, Kevin Fox and Duncan Koszwick.

Rural seminars, for vital people

The Ontario Ministry of Agriculture and Food is again offering an RSVP one day seminar program across the province to rural organizations. The seminar for Hastings and Lennox and Addington counties will be held on February 21, 1984, at the Sun Valley Motor Inn in Belleville from 9:45 a.m. to 4:30 p.m.

The seminar's theme of communication is designed to develop leadership, organizational and communication skills in the members of all interested rural organizations. The day's agenda includes 3 concurrent sessions looking at the following areas.

1. Interpersonal Communications - becoming a better communicator.
2. Communications within the Community - keeping members informed and involved.

3. Communications within the Community - improving your image in the community.

The cost is \$12 per person which includes the noon meal and resource materials.

Directors and members are requested to attend for transaction of general business. Lunch served.

Ontario Municipal Board
IN THE MATTER OF Section 39
of The Planning Act (R.S.O. 1980,
c.379),

and
IN THE MATTER OF an application
by The Corporation of the
Township of Huntingdon for approval
of its Restricted Area
By-Law 2111-83

APPOINTMENT FOR HEARING

THE ONTARIO MUNICIPAL BOARD hereby appoints Thursday, the 16th day of February, 1984, at the hour of one o'clock (local time) in the afternoon at the Township Hall, Hamlet of Ivanhoe, for the hearing of all parties interested in supporting or opposing this application.

If you do not attend and are not represented at this hearing, the Board may proceed in your absence and you will not be entitled to any further notice of the proceedings.

In the event the decision is reserved, persons taking part in the hearing and wishing a copy of the decision may request a copy from the presiding Board Member or, in writing, from the Board. Such decision will be mailed to you when available.

DATED at Toronto this 5th day of January, 1984.
D.G. Henderson, Secretary

EXPLANATION

The above hearing is being held for the purpose of hearing all parties interested in supporting or opposing the township's application for approval of its comprehensive zoning by-law No. 2111-83 which was circulated to the ratepayers and which prescribes in detail the use to which all the lands in the municipality may be put.

Marmora CGIT

On Wed. Jan. 11th 1984 Miss Rev. Hillary Scrutton visited Marmora's own CGIT.

She spoke to the girls about her experiences growing up as the minister's daughter, being ordained and going through for a minister.

Following her short life story, a question period was held to answer most of the girl's questions.

When all was over, President Cynthia McFall presented Hillary with a CGIT pin and a card that was signed by all the girls present.

Marmora Senior card party

Laura Carty was high for ladies with a score of 94. Dorothy Eggett was second

with 89. Men's high score: Bob Sine 95 and Charles Lajoie 90.

Ladies' curling

The ladies' division of Marmora and area Curling Club Jan. 12 results: E. Wells 14, M. Parkin 8, B. M.J. Goodchild 7, B. Smith 3.

There will be no ladies' curling on Thurs. Jan. 19

due to preparation of ice for mixed bonspiel, Jan. 19, 20 and 21.

Preparations are underway for the Whiteman Trophy bonspiel Feb. 1 when 16 rinks will compete.

Home from Hawaii

Pat and George Osborne returned home after a two week vacation in Honolulu.

Hawaii. They were guests of Pat's sister, Mrs. Irene McTierney.

80th birthday

Elfreda Leal of Matthew Place, Marmora, was given a birthday dinner by her four daughters at the Relm Club on the occasion of her

80th birthday, Sat., Jan. 7. In attendance were 28 adults and nine grandchildren.

HASTINGS-PRINCE EDWARD COUNTY R.C.S.S. BOARD REGISTRATION FOR KINDERGARTEN AND/OR GRADE 1

Will be held at
Sacred Heart School, Marmora
Thursday, January 26, 1984
from

9:00 a.m. - 3:30 p.m.

Kindergarten classes will be offered provided a sufficient number of children are enrolled. To arrange registration of your child please contact:

Mr. B. Vincentine,
Principal

Donna Mumby (left) daughter of Mr. and Mrs. Don Mumby of RR 2, Stirling, had an exchange student friend, Karie Papay, up for a visit last week. Karie and Donna first met during a

Lions' Club Student Exchange several years ago and appear to have become good friends. Karie lives in Slatington, Pennsylvania and the girls have enjoyed several visits despite the

distance between them. Karie enjoyed a different week by attending classes at Stirling Senior School. Slatington is approximately the size of Stirling and is fortunate enough to have a

highschool where Karie attends Grade 9. When asked what is the greatest difference between the two towns Karie did not hesitate for a moment and replied, "It's a lot colder here!"

BEARS - BIG and small

Most wild bears live north of the equator. They are found in Asia, Europe, North America, and in the Arctic near the North Pole. Only one kind, the spectacled bear, lives in South America. According to *World Book*, no wild bears live in Africa, Antarctica, or Australia.

The Alaskan brown bear is the largest meat-eating animal that lives on land. It grows about 2.7 meters long and weighs over 680 kilograms. The sun bear, found in southeast Asia, is the

smallest bear. It is 91 to 120 centimeters long and weighs only 27 to 45 kilograms.

Bears can't see well. Their small rounded ears stand straight up, but they hear only fairly well. However, they have an excellent sense of smell.

A bear's walk is different from that of most other kinds of animals. Most animals walk and run on their toes, but a bear puts its whole foot firmly on the ground with each step.

Property assessment

The council of Marmora and Lake has agreed to invite a representative from the Taxation Office to attend the February meeting of council to talk about

the advantages of the equalized assessment formula for taxation.

A survey was previously made of homes and businesses in the township,

showing 21,000 units of which 1400 are seasonal.

Most of Hastings County has converted to the equalized assessment method.

Stirling Senior Citizens' euchre

The Stirling Senior Citizens held their regular meeting on January 12th with 32 in attendance.

The president, Viola Noland, with pianist Vera Pyear, opened the meeting with The Queen and O'Canada.

Words of welcome were extended to all. Reports on the sick were given and

cards were sent to Irene Montgomery, Jeanne Williams and Jack Donohoe.

Business was dealt with and I must say I did not send in a news report for last week. It was our birthday week and a Happy Birthday was sung for Luella Carson, Evelyn Finkle, Larry Hick, Joe Kellar.

The prizes for last week were as follows: ladies' high Letty Curtis, ladies' low Winnie Upton, men's high Bill Curtis, men's low Vera Pyear.

The prizes this week went to: ladies' high Amy Schram, ladies' low Helen McInroy, men's high Bernice Eggleton, men's low Reita Flood.

A vote of thanks was given to Hazel Morgan.

Erma Sine, and Vera Pyear for the lovely lunch of fruit bread, cheese, celery and Christmas cake.

A sign in my mother's kitchen read: "Never criticize your wife's faults—remember it may have been these little imperfections that stopped her from getting a better husband."

Bill Elms sits in his workshop in Bayside, near Trenton, displaying his latest antique restoration projects. For the past two summers, Bill has attended

the Ontario March of Dimes' camp for disabled adults at two of the organization's locations.

Bayside resident enjoys holiday despite disability

A holiday is a customary pleasure for many. But until recently, such an experience was quite impossible for 35-year-old Bill Elms of Bayside, near Trenton.

Bill has spinal bifida, a congenital spinal abnormality which limits his mobility substantially. He lives alone and can walk only short distances unaided. For this reason, a holiday away from home had always been inconceivable for Bill until two years ago.

For it was then that, for the first time, he spent ten days at a summer camp for disabled adults operated by the Ontario March of Dimes near Claremont. He enjoyed his first vacation so much that he returned to camp last year at the Sudbury facilities.

Last summer, Bill was just one of 220 physically

disabled adults who attended a March of Dimes camp at one of three Ontario locations. Here, even the most severely disabled person has the opportunity to enjoy outdoor recreation and all the pleasures of a summer holiday. More than half of the campers live in institutions throughout the year. Yet, because of the high ratio of staff to campers (1:2), everyone can enjoy an active vacation and still receive the required care.

Bill has many fond memories of his camp experience last July. "The March of Dimes' camp was an unbeatable holiday. It's really nice to get outdoors in the north - the scenery is really something."

Of the many activities offered at camp, Bill enjoyed swimming most of all. He says: "I swam all the

time. I went out one morning and it was pouring rain - but I swam anyway!"

One of the highlights of Bill's summer was the overnight trip. "The overnight" was good fun - my only complaint is that it wasn't long enough."

Bill got a great deal out of camp, but he also put a lot into it. He took his guitar up with him and entertained on several occasions, much to the delight of both campers and staff. His specialties are folk and blues songs and ballads.

The March of Dimes also offers a wide variety of other services to Ontario's physically disabled adults. These include the provision of assistive devices such as wheelchairs, walkers and electronic aids, travelling clinics and research into the use of computers as aids to independent living.

Skin covers - open juried show

"Skin Covers" is an open juried show - open to all artists and craftsmen in the four counties of Hastings, Prince Edward, Lennox-Addington and Northumberland, and working in any medium or material.

If you know of anyone who might be interested in entering this show, please let them know about it and ask them to contact the QAC office. We will be pleased to send them the Call to Entry information.

A slide presentation on wearable art will be given at Queen Mary School, Studio 31, Belleville, at 8 p.m. Jan. 17th.

The presentation is to call attention to the upcoming QAC-Visual Arts Committee's project Skin Covers.

Skin Covers is a series of activities focused around an open juried show of Wearable Art - a critiquing session, prizes, wine & cheese

party, a theatrical presentation, a series of downtown storefront exhibits and a travelling show. All Quinte area artists and craftsmen are being encouraged to let their imaginations run free and create some fabulous pieces of art unlike anything they have done before.

Work in any medium will be accepted for juried as long as the piece can be worn in some way - either as functional clothing and accessories, or as a fantasy costume, body sculpture or body adornment. The emphasis is on the fact that the work is Art first and Wearable second - and not just artsy clothing.

First class jurors Sybil Rampen and Ankael Dean, both with broad experience in the field of Wearable Art, have been engaged to jury the submitted work and, on the evening of submission, say Sat. April 14, will provide a verbal critique of every piece of work submitted.

There will be 3 prizes given: \$100 for Best of Show and \$50 each for Best of Category. This evening session will be a terrific

learning experience for all who submit work, not just for those whose work is accepted.

Once the accepted work is known, Jim Westheuser and his committee will begin planning and rehearsing the theatrical presentation involving music, choreography and commentary which will preview the Wearable Art to the public. On the evenings of Fri. May 11 and Sat. May 12, QAC will sponsor Wine and Cheese Parties and "Skin Covers" presentations in the newly renovated Pinnacle Playhouse. These should prove to be fun events for all - artists, participants and audience alike. What a way to go to an art show and what a fun way to see your art exhibited! A "happening" in the best sense of the word!

For those who are not quick enough to get tickets for the theatrical presentations, the work will be hung in static displays in at least 10 different downtown Belleville storefront locations during the last two weeks of May - again a

novel way to expose art to the general public and one which guarantees far more exposure than a normal gallery setting.

All in all "Skin Covers" promises to be an exciting program next spring.

Player of the month

Brock Baragar of the MTM Hurricanes was awarded the Junior C December Player of the Month Award. The 18-year-old says he plays hockey for fun and does not have plans for a career in hockey.

"When I was 15, I quit playing with the Junior B Bobcats, so I had my chance... I lost my heart for it," said Baragar after last week's home game over Napanee.

Baragar, a resident of Belleville, said he started playing hockey at age eight, and in the years, alternated between playing forward and goalie.

"I had the opportunity to play for the Bobcats again this year, but I'm happy here. When I was 15, it was too serious there - here it's more fun," said Baragar. "And I like Glen."

For the future, Baragar said he plans to attend college.

Award winner

Brock Baragar (above) stands outside the Hurricane dressing room after last week's 10-4 home game victory over Napanee. Bar-

agar was given the Molson's December Player of the Month Award, a Molson's sport bag.

Township of Huntingdon Minutes

The regular meeting of the Council of the Township of Huntingdon was held at the Township Hall at 7:30 p.m. on Tues., Jan. 3, 1984 with all members in attendance.

The meeting was called to order and opened with prayer by Councillor Ketcheson.

Moved by Walton Reid, seconded by Owen Ketcheson, "That the minutes of the last regular meeting held Mon., Dec. 19, 1983 be approved as circulated." Carried.

Moved by Ken Yarrow, seconded by Eric MacMillan, "That council go into the Committee of the Whole on bylaws with the Reeve in the Chair." Carried.

Moved by Ken Yarrow, seconded by Eric MacMillan, "That council come out of the Committee of the Whole and revert to general business." Carried.

Moved by Owen Ketcheson, seconded by Ken Yarrow, "That bylaw No. 2114-84 being a bylaw to establish a time and place for regular meetings of Council of the Township of Huntingdon, receive three readings and be passed." Carried.

Moved by Walton Reid, seconded by Eric MacMillan, "That bylaw No. 2115-84 being a bylaw to authorize the borrowing of \$150,000 in 1984, receive three readings and be passed." Carried.

Moved by Ken Yarrow, seconded by Owen Ketcheson, "That Burton Calvert be contacted to ascertain if he is interested in accepting an appointment as Livestock Valuer for 1984." Carried.

Moved by Eric MacMillan, seconded by Ken Yarrow, "That the following appointments be made for 1984: Township Road Committee - all members of council; Township Property Committee - Walton Reid, Eric MacMillan; Stirling Arena Board - Walton Reid; Madoc and District Arena Board - Doug Phillips, Ken Yarrow, Owen Ketcheson; Lower Trent Region Conservation Authority - Russell Sills; Moira River Conservation Authority - Ted Pollock; Centre Hastings Medical Centre Board - Walton Reid; Huntingdon Township Recreation Committee - Owen Ketcheson, Eric MacMillan, Ted Pollock, Margaret Chislett, Wm. Waugh, Jim Douglas, Gary Ferguson and Randy Hachey; Livestock Valuer - Gordon Preston." Carried.

Moved by Owen Ketcheson, seconded by Ken Yarrow, "That General A/C Voucher No. 1-84 in the amount of \$2,262.20 be approved by payment." Carried.

Correspondence was received from the Village of Madoc regarding changes to the Libraries Program and enclosing a sample contract for library services. Copies of the contract to be

circulated to council for their perusal.

Correspondence was received from the Lower Trent Region Conservation Authority requesting copies of council minutes.

Moved by Ken Yarrow, seconded by Eric MacMillan, "That the township representative on the Lower Trent Conservation Authority be contacted to ascertain if circulation of the minutes is warranted." Carried.

Moved by Walton Reid, seconded by Owen Ketcheson, "That the request from The Canadian National Institute for the Blind, for a donation be received and filed." Carried.

Correspondence was received from the solicitors representing Fabeth Nursing Home in Marmora, requesting support from the township in their attempt to obtain more licensed nursing home beds.

Moved by Ken Yarrow, seconded by Walton Reid, "That the Township Council endorse in principle, the need for more nursing home beds in Hastings County. And, furthermore, that notice of this resolution be sent to the Honourable Keith Norton, Minister of Health." Carried.

A delegation comprised of Bob Rowland, Fire Chief; Randy Hachey, Deputy Chief; Bill and Kim Douglas; attended the council meeting to discuss chimney inspections.

Moved by Owen Ketcheson, seconded by Eric

MacMillan, "That Road A/C Voucher No. 12-C be approved for payment in the amount of \$4,309.70." Carried.

Moved by Owen Ketcheson, seconded by Ken

Yarrow, "That the Road Superintendent be authorized to purchase a new chain saw to be leased to the Canada Works Program." Carried.

Moved by Owen Ketcheson, seconded by Eric MacMillan, "That the municipality petition the Ministry of Transportation and Communications for the balance of the 1983 Road Subsidy." Carried.

Tudor and Cashel Minutes

Minutes of council for Township of Tudor and Cashel Jan. 10/84. Council opened with all present, minutes for Dec. 6/83 adopted as read. Motions as listed:

Phillips-Whittaker - That the clerk-treasurer pay for 1984 be set at \$11,000. Carried.

Cooney-Henley - That the township employees pay be set at: road supervisor increased by five per cent; operators increased by 4.9 per cent; laborers increased by one per cent. Carried.

Phillips-Whittaker - That all accounts be kept as is with

the Toronto-Dominion Bank in Madoc, Ont. Carried.

Whittaker-Phillips - That the clerk-treasurer and former clerk-treasurer be paid for the full month of January 1984 in lieu of vacation-pay and hours of overtime worked. Carried.

Cooney-Henley - That the 1983 tax arrears be turned over to the county treasurer by Feb. 1/84. Carried.

Whittaker-Cooney - That the road superintendent be authorized to rent a steamer when necessary in 1984. Carried.

Henley-Whittaker - That the clerk-treasurer is authorized to purchase items necessary to complete the front office and to include sundry items as needed from time to time. Carried.

Henley-Whittaker - Move to send the road superintendent to a seminar in Anderson School in Quelpch Ont. Carried.

Whittaker-Cooney - That severance approval be given by consent for lot 23 concession 2; file #B1-84 in the Township of Cashel. Carried.

Cooney-Whittaker - That the road superintendent be authorized to put up "No Parking" signs at the bus turn-around at lot 21 and the 5th concession in Cashel Township. Carried.

Cooney-Whittaker - That the council enter bylaws #1-84. That the township authorize borrowing for 1984 of up to \$175,000 to be used if and when necessary. #2-84. That the Townships of Tudor and Cashel reduce, cancel or refund taxes as specified in the statutes of Ont. of 1980-Chapt. 302 Section 496 as listed. #3-84. That the Townships of Tudor and Cashel appoint Andrew J. McMurray alone as being authorized to carry on business with the Toronto-Dominion Bank on behalf of the townships. Motion by Cooney-Whittaker that council pass bylaws as read this first, second and third time Jan. 10/84.

Phillips-Henley - That the council resume normal business.

Henley-Cooney - To adjourn to meet on Feb. 7/84 at 7 p.m. Carried.

Eldorado

Church Women

Eldorado United Church Women held their January meeting at the home of Violet Johnson, Jan. 2.

Acting president Winnie Ketcheson opened the meeting with a poem "Just For Today".

Minutes of the previous meeting were read and business discussed. Winnie had a reading "Prayer", most powerful of ministry and prayer.

Around Madoc

Reverend John McEwen and wife Alice will be vacationing in Tampa, Florida, from Jan. 16 to 26. Reverend McEwen is minister of Madoc Pentecostal Church.

Church.

Reverend Don Dillabough will be holding services at the church during Reverend McEwen's absence.

NOTICE

1984

Classified Advertising Policy

Starting January 1st, 1984, all classified advertising must be prepaid before they can appear in the paper.

This does not mean that you cannot continue to phone your advertisement into the newspaper office in your village. All it means is that we will allow time for you to send in your cheque or money order, or come into the office and pay for the advertisement before 4 p.m. on Friday, before we run it in the coming issue.

Auctioneers and till-further-notice classifieds will not be affected by this policy change.

The reasons for this change in policy is to reduce our costs. Billing a classified advertisement once or even twice has made it painfully obvious over the years that billing costs us more than the advertisement. We've also found it difficult to reach those people who have not paid which also costs us many more man hours and expense. Those people whom we have not been able to contact have forced us to write-off their accounts at a great loss to the company.

Also, starting with our first issue in January, we are increasing our advertising rates - from 10 cents per word to 12 cents per word with a minimum charge of \$3.00 for up to 25 words. All classified-display rates will remain at \$6.90 per column inch.

This increase has been made necessary simply because of labor, material and printing cost increases over the last two years.

You will find that a \$3.00 advertisement is very reasonable for the over 40,000 people in our area who will reach each week.

Should you have any questions in regards to this new policy please do not hesitate to contact your local newspaper office for any further explanation.

Dear Subscriber:

STARTING JANUARY 1ST, 1984, WE WILL NO LONGER BE SENDING OUT SUBSCRIPTION RENEWAL FORMS.

INSTEAD OF RENEWAL NOTICES WE HAVE PLACED YOUR EXPIRY DATE IN THE TOP RIGHT HAND CORNER OF YOUR PAPER. AND IT WILL APPEAR THERE EVERY WEEK. YOU SIMPLY CAN MAIL, OR BRING YOUR CHEQUE OR MONEY ORDER INTO YOUR LOCAL NEWSPAPER OFFICE.

ALTHOUGH THIS POLICY IS NEW TO CEMBAL PUBLICATIONS IT IS IN FACT THE POLICY OF MANY SMALLER WEEKLY NEWSPAPER COMPANIES RIGHT ACROSS CANADA. THIS POLICY HAS BECOME NECESSARY DUE TO THE TREMENDOUS INCREASE IN POSTAGE AND OTHER COSTS.

IF YOU HAVE ANY QUESTIONS ABOUT THIS NEW SYSTEM, PLEASE FEEL FREE TO CONTACT YOUR LOCAL NEWSPAPER OFFICE. THEY WILL BE MORE THAN GLAD TO HELP YOU.

Cemba Publications (1981) Ltd.

Marmora Peewees start playoffs

By Susan M. Cuddy

The Marmora IGA Pee-wees finished their schedule last weekend with one win and one loss. On Friday night they met Colborne in Marmora and won 5-3. The first period was very busy with four goals scored, two for each team. Marmora's goals were scored by Matt Cuddy with Doug Prindle

assisting on both goals and Deryk McNevin on one. The second period saw both teams work hard but no points were made.

Doug Fluke assisted by Deryk McNevin and Brian Sanderson opened the third period just 56 seconds into the period. Colborne came back to tie the game again, but it was also for the last

time. Evan Robinson assisted by Matt Cuddy broke the tie then, and an insurance goal was scored by Matt Cuddy unassisted to give Marmora a win and Cuddy a hat trick.

On Saturday night Marmora hosted Frankford and suffered a 4-1 loss. Marmora's only goal was scored by Evan Robinson unassisted.

The IGA Pee-wees will now start their playoff series. Their first game is on January 18th at 7 o'clock in Tweed.

Hastings ringette

On Sunday January 15th two ringette games were played in Hastings with Warkworth as the opposition. The Petites played a close game ending in a 3-3 tie. Scoring for Hastings were: Rhonda MacMillan, Karen McColl and Jennifer Dwyer with assists by Shawna McCoy, Jennifer Rogers and Rhonda MacMillan. Dawn Stephens played a good game in net.

In the Belle game, Warkworth outplayed Hastings to a 10-0 final score.

Next Sunday, the Madoc Petites and Juniors will be in Hastings.

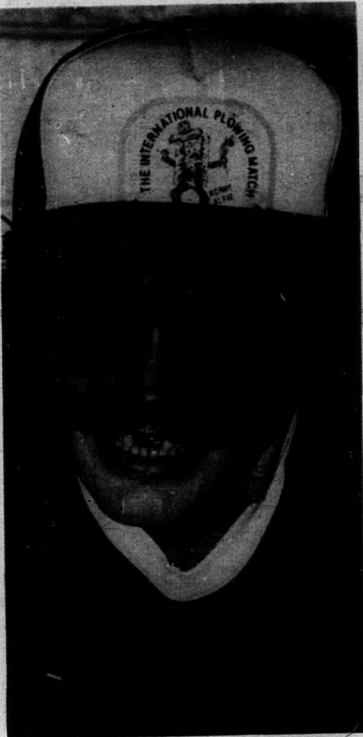

THE MARCH IS ON!

Many physically disabled men and women need your help. Please give generously.

We're Building Our Reputation On Honesty

Managing your money

By Harry L. Mardon

There's no such thing as a "perfect" investment. If there was, every stockbroker would be a millionaire several times over and wouldn't bother about giving investment advice to clients.

In fact, investing is an imperfect art. Some people are very astute and may make a handsome fortune from a particular investment. However, the vast majority of Canadian investors have to be content with rather modest results from their stock market dealings.

It comes down to a matter of how much risk you want to take with your money.

As a general rule, people would like to have their investments achieve three things at once: safety, provide income and, enjoy capital growth. Because it's virtually impossible to find all these conditions in a single investment vehicle, you have to compromise when it comes down to making your investment choices.

You should select an investment which will help you to attain specific investment and lifestyle objectives. And your investment program should be flexible enough that you can redirect your money when

special opportunities present themselves or your personal objectives change.

If safety of your capital is a major concern, you should consider investing in bonds issued by the federal and provincial governments or by top-quality Canadian or foreign corporations.

In the jargon of the investment business, a bond is a debt instrument. When you buy a government or a corporate bond for, say, \$1,000, you are in effect lending that money to the government or corporation. For use of the money the borrowers pay you a set interest rate until the bond matures at the end of a specific time period. The borrower then returns your \$1,000.

People who should consider bonds as an investment are probably "very safety-conscious." It is virtually unthinkable that any government in Canada would not pay back to lenders the full face amount of the bond or bonds you had purchased. Much the same applies to any top-quality business firm.

You should exercise caution when it comes to buying the bonds of companies which don't have a long track record of good performance and reliability. If a company goes bankrupt, the bondholders have a priority over the company's shareholders when it comes to disposal of the bondholders' assets of the firm. However, that may be cold comfort to the bondholders

if there are insufficient assets to meet the company's indebtedness.

Another investment advantage bonds have compared with preferred stocks and common stocks is that they provide bondholders with a guaranteed interest income.

The major disadvantage of a bond is that if you urgently need money before your bond matures and decide to sell it, you probably won't be able to get as much money for it as you originally paid. Your

stockbroker usually will find a buyer but often the price you get will be less than the "face value" of the bond.

If safety of your investment dollars isn't a great concern, you should consider investing in preferred stocks or common stocks offered to the public by corporations.

Preferred shares usually have a guaranteed dividend and you may experience capital growth of your investment, if the company prospers and its shares rise in value.

Common stocks are considered as a less safe investment and the dividends you receive may vary from year to year, depending on the company's profitability. However, if it is a well-run and growing company in an expanding industry, your common shares may experience good capital growth.

(Mr. Mardon is manager of corporate communications for The Investors Group, the Winnipeg-based financial planning services company.)

THE FUEL OF THE FUTURE... NOW!

Civic holidays

Free admission to Provincial Parks

Summer may be months away, but the Ministry of Natural Resources has a Bicentennial New Year's gift to warm your spirits.

There will be no day-use admission charge at Ontario's provincial parks on Monday August 6, 1984 - the Civic Holiday - Natural Resources Minister Alan Pope announced today. And many parks will have even

more to offer that day - Bicentennial events ranging from public picnics to historical demonstrations and pageants.

The Bicentennial holds special significance for two of Ontario's provincial parks. It marks the first full year of operation for Frontenac Provincial Park in eastern Ontario, and the 75th anniversary of the

Ontario Forest Reserve, the forerunner of Quetico Provincial Park in northwestern Ontario.

Frontenac Provincial park, a 70-square-kilometre park 30 km north of Kingston, officially opened in 1983. The rocky, lake-studded park has about 100 km of hiking trails, 40 km of canoe routes, and is renowned for its excellent lake trout, brook trout, northern pike and bass fishing.

Quetico Provincial Park, which is 160 km west of Thunder Bay on the Ontario-Minnesota border, will host a number of special events - including a border ceremony, a public picnic and a historical pageant - during the summer months. These activities will celebrate the 75th anniversaries of both Quetico and the Superior National Forest, which is across the border in the State of Minnesota.

1982 graduates successful in job hunt

Over 88 percent of the university graduates who entered the labor force after graduating in the spring of 1982, are employed, 71.5 percent full-time and 17.3 percent part-time.

The statistics are contained in a graduate employment survey released recently by Colleges and Universities Minister Dr. Bette Stephenson. The survey shows that 11.2 percent of the graduates who entered the labor force did not find employment. At the time the survey was conducted the unemployment rate for all those in Ontario between 20 and 24 years of age was 18.7 percent.

The survey states that those employed, full-time are experiencing a high degree of satisfaction with their jobs, with their salaries and with the opportunities for advancement. Most of those surveyed said a degree was required for the employment they found.

Dr. Stephenson said that the survey confirms the value of a university education in gaining employment. She said that it was also interesting to note that an

equal number of men and women are graduating from the university system.

The survey included graduates from the province's 15 universities, Ryerson Polytechnic Institute and the Ontario College of Art.

Hudson wish to thank their friends & family for their appreciation to relatives, friends & neighbours for the many acts of kindness & expressions of sympathy at the loss of a loved one. Special thanks to attending doctors, nursing staff of 3rd floor Madoc St. Joseph's Hospital, Fellowship Christian Chapel, Lakefield Gospel Centre & Hendren's Funeral Home. God bless you all. Elsie Hudson & family. 5

MY sincere thanks to all those kind people who sent gifts, letters, etc., to me at Christmas. A special thank you to those who took the time to visit me. May the New Year bring you happiness & good health. Sincerely Gordon Manley 3-5-1

THE family of the late Garnet McCann wish to thank their neighbours, friends & relatives for the expressions of sympathy in flowers, donations to Zion Church Memorial Fund, cards, also food which was sent to my home. A special thanks to Rev. Walter Mitter for his help when Garnet was in Kingston Hospital & his comforting message. To St. Andrew's United Church, the ladies of Zion U.C.W. for serving lunch after the funeral. To J. McConnell & the McConnell Funeral Home for all their help. Jean McCann 5

CARD OF THANKS

MY eternal gratitude goes to my family, relatives & friends for their love, support & understanding during my stay in hospital following my accident. My thanks to the staff & doctors at Civic Hospital, Sunnybrook Medical Centre & Ontario Crippled Children's Centre. The visits, gifts, cards & phone calls were greatly appreciated. You all shared in my recovery. I love you all for your thoughtfulness. Mike Rotley. 5

WE would like to thank all our kind friends & relatives for their comforting words, visits, cards & flowers sent in the loss of a dear mother & grandmother, Susannah H. Thompson. A special thanks to the U.C.W. ladies, who served a delicious luncheon following the funeral. Your kindness & thoughtfulness will long be remembered. The family of the late Susie Thompson. 5

WORDS cannot express our gratitude to many friends, neighbours & relatives for the many acts of kindness in a sudden loss of a dear father & grandfather. Special thanks to Rev. Bryson also to nurses of the 4th floor Chronic Care wing of the Belleville General Hospital, Dr. Briggs. Special thanks to the U.C.W. Special thanks to McConnell Funeral Home. Also to Bob Bronson & Lawrence Reid, Minnie Pinender, Glen Sweet & family. 5

MY sincere thanks to Doctors Parker & Moore, & the nurses on the fourth floor of St. Joseph's Hospital for all their good care. Fathers Fitzpatrick and Walsh, the Hastings C.W.L. and all my friends who paid me visits, sent cards, flowers and treats and made enquiries after my long stay in the hospital. God bless you all! Annabel Sullivan 5

MANY thanks to friends & relatives for cards, flowers, visits & outpouring of help while I was in the hospital. Special thanks to my sister, Bonnie, Grandmas & Grandpas for taking care of our children, Linda Terpinia 5

WE would like to express our thanks & appreciation to all our friends & relatives for their part in helping us celebrate our 50th wedding anniversary. Thanks to our children for their thoughtfulness, especially our daughter Jean & her husband, Norm Ellis, our daughter-in-law Irene, our son Charlie Clemens for the time & effort they put into making this Special Day one we will long remember. Thank you all again! Henry & Viola Clemens 5

THANK YOU to everyone who came in to our home over the holidays. We all enjoyed the cards, flowers, gifts & treats. The residents & staff of Madoc Manor Retirement Home join in wishing everyone a very happy 1984. D. Rollins 5

Springbrook News

The first meeting of the UCW for the new year was held in the church dining hall on Thursday evening beginning with a potluck supper for the members and their families. This was the general meeting of both afternoon and evening units.

Following the supper Rev. James Bryson installed the new officers: President, Audrey McPaul; secretary, Marilynne Meiklejohn; treasurer, Judy Danford; leader for the afternoon unit, Lenora Finch; and

leader for the evening unit, Cheryl Westall.

Past President Margaret Thompson was in charge of the worship and conducted a new year candlelighting service. Following this the members held a business

meeting while the husbands did dishes and other kitchen duties.

The annual presbytery meeting of the UCW will be held in Picton this year on Feb. 2. The next meeting of the UCW will be one week later on Feb. 9 beginning with a potluck dinner at noon.

returned home after spending the holiday season with Lois and Ross Bradshaw at Agincourt. Other guests at the same home on Christmas were Mr. and Mrs. Lynn Mason, Derek and Carrie, West Hill, Kevin Bradshaw, Toronto and Kim Bradshaw of Thompson, Manitoba.

Mrs. Lloyd Sedore and family on Thursday.

Mrs. Myrtle Cassidy has returned home after spending some time with Mr. and Mrs. Doug Fox at Belleville.

Winners at the card party at St. Mark's Anglican Church hall on Wednesday evening were: ladies, Audrey McPaul and Dorothy Reid; gents, Doug Brownson and Gerald Broadworth. Reta Mumby won the travelling prize. Card parties will be held each Wednesday evening until further notice.

Obituaries

ANNE GIBSON

Mrs. Anne Gibson of 257 Division St., Oshawa, passed away at the Oshawa General Hospital on Saturday, January 7, 1984. She was born in West Huntingdon, Hastings County, and married the late Percy Gibson on January 11, 1930. She was also predeceased by one sister, Mrs. William Morton.

Mrs. Gibson is survived by two daughters, Mrs.

Vincent Gibbons (Eileen) of RR 1, Brooklin, and Mrs. Orville Holland (Barbara) of RR 1, Kendal; four sisters Miss Isobel Murray, Pontiac, Michigan, Mrs. Blanche Barrons of Oshawa, Mrs. Tom Heath of Bonarlaw and Mrs. William Sparrow (Ruth) of Ajax; three brothers, Fred Murray of Ottawa, Elmer Murray of Oshawa and Norman Murray, also of Oshawa; and six grandchild-

ren and one great grandchild.

The funeral was conducted at the Armstrong Funeral Home, Oshawa, on Tuesday, January 10th, 1984, at 11 a.m.

The Rev. Marshall Jess officiated at the ceremony with interment at the Stirling Cemetery.

Memorial donations to the Cancer Society would be appreciated.

ROBERT H. FARRELL

At the family residence, Pickering, on Sunday, January 1, 1984, Robert H. Farrell, beloved husband of Rita, loving father of Robert of Barrie, Rodney of Oshawa, Rebecca (Mrs. Gibbs) of Callender, Roxanne (Mrs. Chatten) of Janetville, Ramona (Mrs. Lamers) of Ajax and Robin of Pickering.

Dear grandfather of Robert J., Joshua, Katie and Travis.

Mr. Farrell was the son of

the late Alberta Weaver Farrell and W. Henry Farrell.

Mr. Farrell rested at the McEachnie Funeral Home, 28 Kingston Rd. West, Pickering, Ont. The funeral was conducted on Wednesday, January 4, 1984, at 11:30 a.m. to the St. Francis deSales Church (Church St. S. Pickering Village).

ROBERT BORDEN SWEET

Robert Borden Sweet, RR1, Springbrook, Ontario died January 3, 1984, in Belleville General Hospital at age 77 after a year's illness.

Born in Bonarlaw, Ontario

he was the son of Emma and Marshall Sweet and was a lifetime resident of Springbrook.

Predeceased by his wife, the late Florence Mumby, he leaves a son, Glen Sweet, RR 1, Springbrook, Ontario, and a sister Mrs. Jean Jones, Dearborn, Michigan. Four brothers, Nelson, Harry, Jack and Charlie, and three sisters, Maude Lummis, Carrie Griffin and Myrtle McComb, predeceased him.

Mr. Sweet was educated in Rylstone School, SS 18 and was a lifetime farmer. He was a member of the United Church, Springbrook.

Funeral service was held January 5, 1984, at 1 p.m. from McConnell Funeral Home, Marmora. Rev. James Bryson officiating. Interment was in Mont Nebo Cemetery, Springbrook.

CORRECTION

An obituary that appeared in last week's paper stated that Ray Hodgins Binch, 74, who died Dec. 27, 1983, had an illness lasting 41 years. Mr. Binch did suffer a lengthy illness, but it was his length of last residence that totaled 41 years. His address was P.O. Box 359, Madoc. Our apologies for the mistake.

The sacrament of baptism was held during the church service on Sunday when Scott Douglas son of Mr. and Mrs. Lloyd Acorn and Jason Paul son of Mr. and Mrs. Larry Thompson were baptized.

Mrs. Malcolm Mason has

Area lakes are a fairyland this year, their surfaces carpeted with a deep

blanket of snow. Skiers and snowmobilers are enjoying the fine sporting conditions

even if the roads departments do not share their

enthusiasm. Above is a scene on Cordova Lake.

Blanket of snow

By ARLEN HACKMAN
As I watch the first real snowstorm of the season swirl outside my office in Toronto, the thought that a "blanket" of snow will soon whiten the earth doesn't make me feel any warmer. But there are two sides to any blanket and it usually happens that you and I end up on the cold side.

Field mice on the other hand choose the warmer side, a snug world free from bitter winds and surprisingly well-insulated -- at least until someone like me comes along with a snow shovel and opens the door. In this miniature world field mice -- or, more accurately, meadow voles -- enjoy a carefree life though the winter, their tunnel networks extending all through suburban lawns and farm pastures. Once in a while the whole lattice work is exposed by a mid-winter thaw, allowing us to trace the pattern outlined by the ice that rims each tunnel.

The insulation factor of snow which provides this safe shelter for voles, results from the six-sided shape of the snowflake. Take a look at your Christmas cards and you're sure to find a few examples depicted. This shape holds the snowflakes apart, creating tiny air pockets that keep the cold air on our side

of the snow blanket from penetrating through to the other side.

The effect can be very dramatic. Scientists cite instances where the surface temperature of snow reaches as low as 50 degrees below zero, while a mere two feet underneath, the temperature is only minus five degrees. Now that's not likely to occur in Ontario very often, so don't rush off with a thermometer in hand. Just rest assured that a freezing temperature above the snow will be milder below.

Life beneath the snow has other benefits for field mice. Snow makes it difficult for foxes to smell their whereabouts. It also muffles sounds, making hard work for owls who depend on the mouse's noise for guidance. Yes, with the possible exception of church mice, these creatures can produce quite a racket, though I can't say I've ever been bothered by it out-of-doors.

More seriously, field mice are not altogether safe in their winter playground. Shrews, which are even smaller than mice, run them down in their tunnels. Still, with an abundant food supply of grass, weeds, and tender-barked young tree trunks beneath the snow, it's not a bad life.

Queensboro Women's Institute

Mrs. Fred Bosley was hostess for the January meeting of the Queensboro branch of the WI which was held in the WI hall on Wednesday evening January 11.

Mrs. Ken Cassidy, president, opened the meeting in the usual way. The roll call "Share a Riddle or Joke" was answered by 12 members. The minutes of the last meeting were read and

correspondence read.

A thank you card was read from the CNIB for money collected in the fall. This money amounted to \$332. A thank you was also read from the Barry family

for treats sent to their mother at Christmas time.

It was decided to give a donation to the Recreation Committee. Mrs. Mervyn Lees, public relations officer, was in charge of the program. She gave a short reading on the motto "The only Value of time is its use."

Mrs. Arthur Holmes read a selection "What is time?" Current events were given by each member followed by a reading by Mrs. David Gordon. "What else could you do?"

Mrs. Cassidy read an item "Agriculture beating the odds." This was followed by a singsong of old songs.

The meeting was closed with the "Queen" and lunch was served by the hostess and her assistants, and a social time was enjoyed by all.

Alcohol, drugs discussed

Are you aware of the extent of alcohol and drug abuse in our community? Recent statistics tell us that 75 per cent of 3,270 students surveyed in grades 7, 9, 11 and 13 in Ontario drank alcohol and another 50 per cent smoked marijuana. Is this happening in

our local schools?

A group of concerned people in Madoc are working on organizing a task force to meet the problem head on. It is believed to be quite serious.

Randy Walsh, a Trenton CFB alcohol and drug

counsellor will be the special guest speaker at a meeting on Wed., Jan. 18 at 7:30 p.m. Centre Hastings Secondary School. Randy is presently involved in the Belleville area task force.

Show your concern, please be there!

Future stars of tomorrow

A hot line of Madoc Pee-wees is: right wing, Jeff Sawkins; centre, Jason Bailey; left wing, Derek Wood.

One of the reasons the Madoc Pee-wees ended their regular schedule with a convincing 18-0 record was the above scoring combo.

These lads have performed top excellently with a sharp scoring punch. If one were to nick-name these stars it could be as follows: Jeff Sawkins "The Rocket" for his fast starts and flying rushes down the right side. Jason Bailey "Dipseey Doodle-Andy" as his stick handling and ace puck carrying is a thrill to behold. Derek Wood "The Rugged Digger" who demonstrates a hard brawler and sturdy forward who helps force the play. These three last year while playing as a combination on the Madoc Atomz amassed an amazing 68 goals and 66 assists for 134 points in 20 games. This season in the Pee-wee level they have the following scoring feat to share: Jason Bailey, 30 goals, 17 assists

Jeff Sawkins (left), Jason Bailey and Derek Wood are the ace forward line for

for 47 points; Jeff Sawkins, 17 goals, 15 assists for 32 points; and Derek Wood, seven goals, 14 assists for

Madoc Pee-wees. They ended their regular schedule

21 points. Their overall combined total after 18 league games played is 54 goals and 46 assists for 100

this season with an 18-0 win-loss team record.

points. Is it any reason why Madoc Pee-wees would be anywhere else but first in their league?

Graduate employment survey released

Over 88 per cent of the university graduates who entered the labor force after graduating in the spring of 1982, are employed, 71.5 per cent full-time and 17.3 per cent part-time.

The statistics are contained in a graduate employ-

ment survey released today by Colleges and Universities Minister Dr. Bette Stephenson. The survey shows that 11.2 per cent of the graduates who entered the labor force did not find employment. At the time the survey was conducted the unemployment rate for all those in Ontario between

20 and 24 years of age was 18.7 per cent.

The survey states that those employed full-time are experiencing high degree of satisfaction with their jobs, with their salaries and with the opportunities for advancement. Most

of those surveyed said a degree was required for the employment they found.

Dr. Stephenson said that the survey confirms the value of a university education in gaining employment. She said that it was also interesting to note that an equal number of men and women are graduating from the university system.

The survey included graduates from the province's 15 universities, Ryerson Polytechnical Institute and the Ontario College of Art.

Drug task force will go ahead in Madoc

BY ANNA KRIEDEMANN

Although there was a very small turnout for the fourth meeting of citizens concerned about alcohol and

drug abuse, it turned out to be a good meeting, ending on a positive note.

Out of the group of ten persons who attended the

meeting at Centre Hastings Secondary School (CHSS) on Wednesday evening, there was only one mother from Madoc present. Mrs.

Grace Tough said she was "appalled" at the poor turnout. Although others might have felt the same, the encouragement that

came forth from comments in the meeting persisted.

It was decided, regardless how small the interest might seem that it was important to continue efforts to seek information to be able to provide help in a concrete way where alcohol and drugs are a problem. It was indeed brought home that people can no longer turn their heads aside and say, "it isn't happening here."

Chairman for the meeting was Rev. Paul Kompass of St. John's Anglican Church in Madoc. He expressed his thoughts concerning attending the meeting that he hoped that he might be able to be resourceful concerning the issue in question, as well as the fact that he is also a parent. Rev. Kompass stated, "My hopes for this evening are that we can come to some clearer understanding as to whether or not we are to go any further than tonight?" A question he asked, "Should we continue to try and do something in this community?"

Mr. Grant Kyte, Assistant Director of Onesimus House, a Community Resource Centre in Belleville, strongly urged the small group regarding its continuance. "Yes, you should. Even if you get one family, I feel the group would be worth it."

Mr. Randy Walsh, Alcohol Counsellor from CFB Trenton commented concerning the movie, "The Chemical People" which was viewed by concerned citizens from Madoc in two segments last October. The American film outlined the nature of drug and alcohol abuse among teenagers, as well as the steps a community can take against it.

The use of alcohol and drugs exists not only among teenagers but younger children as well, pointed out Mr. Walsh. There have been instances of some eight to eleven year olds smoking up before class every day. "If they're doing it by age ten, where will they be by fifteen or sixteen?" asked Mr. Walsh. He continued to say that the important thing concerning a problem existing is to overcome denial that it does exist.

Also present at the Wednesday night meeting was Dr. Dick Gratton, the co-chairman of the task force, organized to combat the alcohol and drug problem for the military community in Trenton. His group is involved up to grade eight. He told how his group is organized and that by operating in a split group they felt more could be accomplished. Half of his group worked on research, and the other half on publicity. Work was involved in gathering names of organizations that can help, and young people are encouraged to attend.

Discussion by the group at the Madoc meeting also touched on finding what resources are available that would be of any help to any family needing help, and that they could get it with some degree of confidentiality. At the present time there is nothing in the immediate Madoc area for people facing drug problems.

"Every person, even though they do some small thing will help contribute to the whole picture," said Mr. Walsh. "Awareness in the community is a start." During the discussion, See Discussion on page 19

(left to right) Dick Gratton, Co-chairman of Task Force in Trenton, Randy Walsh,

Alcohol Counsellor at CFB Trenton, Grant Kyte, Assistant Director, Onesimus

House in Belleville, and Rev. Paul Kompass, Chairman, at meeting held at CHSS on Wednesday evening.

Fire damages Chapman home

Fire severely damaged the home of Gerry and Lesley Chapman at RR 3, Madoc on Tuesday evening, January 17. At the time of the fire, damage had been estimated to be about \$5,000. Mr. Chapman now surmises that, considering the repairs that have to be done, it will more likely be \$10,000 to \$15,000.

Mr. Gerald Morrison, fire chief of the Madoc Township Fire Department, stated the department got the call at about 6:15 p.m. on Tuesday evening.

The whole Chapman family were home at the time the first suspicion of fire began. Mrs. Chapman was preparing supper, when her brother, Jack Burris, smelled

ed the smoke and, realizing there was a problem, the fire department was called.

The fire is believed to have started somewhere between the fireplace and a window. There is extensive damage to the Chapman home with a lot of smoke and water damage, according to the fire chief. Mr. Chapman reported that a whole hardwood ceiling will

have to be taken out, as well as major floor repairs to be done.

The Chapmans have four children, three girls and a boy. Andrea, age 10, Becky, age 6, and Jennie, age 5. All are students at Madoc Township Public School. Their son, Jesse is two years old.

The night of the fire, the family stayed with Doug

Chapman, Jerry's brother. Until the house is cleaned up the children will stay with their grandparents, while the Chapmans are at their farm.

Fourteen volunteer firemen responded to the emergency. Three fire vehicles went out including one pumper truck, a tank truck and one van.

Together today for a terrific tomorrow

BY ANNA KRIEDEMANN

"Together Today for a Terrific Tomorrow" is a new 4-H slogan. It appeared on buttons sported by the Rural Organizations and Services Branch Specialists

at the Trinity United Church in Madoc on Thursday. The slogan was developed by a 4-H member from Wellington County.

It was a busy day at the church as 4-H leaders gathered for a training session. The all-day event provided a lot of good information concerning food and fitness that the area leaders will be passing on to the girls that they are training in their own areas.

The program, which was covered, included four different aspects of fitness, namely the four S's. These are stamina, suppleness, strength and structure.

The 4-H girls this year will have a busy-time as they will progress in gaining

knowledge regarding food and nutrition, as well as Fitness Fare.

Mrs. Valerie Clark, Rural Organization Specialist for Hastings County from Stirling, conducted the day's proceedings assisted by Susan Leuty, ROS, from Napanee, Ont.

Balancing eating with exercise will be taught to 4-H girls. Some of the foods they will learn to prepare are cornbread with sausages, Spanish omelet, fruit custard, cheesy popcorn, apple crunch sundae, oatcakes. This is only mentioning a few of the goodies in store for them.

4-H leaders attend the training sessions at the beginning of every project.

Achievement Day will be held in May. The girls in 4-H clubs are in the age group of 14 to 21.

Five special bi-centennial projects, plus agricultural projects, will be started in the spring. It will be part of

a new system developed this year which will combine agriculture and home-making.

It certainly looks like "Together Today for a Terrific Tomorrow"

Chimney fire

A chimney fire caused from an estimated \$20,000 to \$30,000 damage to the home of Mr. and Mrs. Bud Sutton in Madoc on Thursday evening.

The chimney fire started about 8 p.m. on Thursday evening and was first noticed by Sutton's son, Peter who was in his bedroom at the time. Most of the damage was in

Peter's room. His room and contents are totally destroyed. The floor and ceiling in the kitchen will have to be replaced. The den and study also suffered damage, and the chimney will have to be replaced as well.

After extinguishing the fire in the Fischer Stove, Mr. Sutton went across the road to the firehall and got See Chimney fire page 19

32¢ car?

A new car for 32 cents? That's right!

That's all it cost Dalton Holmes of Trenton to become owner of a new car.

Mr. Holmes had two proofs of purchase and a coupon he picked up while buying his groceries. After sending them in, as specified, to Proctor and Gamble, he found he was the lucky winner of a five passenger

Mercury Topaz sedan.

The car was picked up by Holmes at Lange & Fettes' Garage in Trenton. Holmes is the son of Goldie Holmes of Queensboro, who was a correspondent for the Review for many years.

So, the cost for Mr. Holmes was the 32 cent stamp to send in the coupons and proofs of purchase.

Happy Wanderers Club

BY VIOLA
WANNAMAKER

The Happy Wanderers Senior Citizens Club 473 held their first meeting of the new year Jan. 11th at 2 o'clock in the church hall. There were 33 members present and one visitor. We were pleased to have Lou Philips join us. The president, Mrs. Bernice Clarke, welcomed all and opened the meeting by reading a poem, All My Friends. The birthday song was sung for the January birthdays. The minutes were read by Helen Wannamaker. The correspondence was read by Hilda Anderson. A letter was received from Ruby Montgomery concerning a bus trip by Franklin Bus Tour to Florida Feb. 1st to the 14th. A letter was to be sent to Hastings and Prince Edward Health Unit concerning some of the sick people of Deloro Nursing Home to

be transferred to Marmora Nursing Home. A letter was received from the Bell Ringing Association, read by Wilfred Forestell, thanking the club for their donation toward the rearing of the bell. We enjoy hearing it ring. A card was received from Gladys and John Muir who are living in Florida for the winter months. A letter was read from Ernie Trembley concerning the Information Booth which the senior citizens looked after through the summer, also about our new telephone book. A letter was received concerning I'm Proud to be Mc Travel Inc. where we were last year at Deer Lodge Fun Olympics, June 1st to the 6th is the date set for this year. The dancercise starts Jan. 16th from 10:30 to 11:30 at the Legion. The Card party will be Jan. 18th at 1 o'clock.

Clara gave a report on the Zone 18 meeting at Thurlow. The next zone executive meeting will be Feb. 13th in Madoc Community Centre.

The treasurer's report was given by Maude Delene. The senior citizens' picnic will be held at the curling rink July 5th at Picton. There will be a show, Seven Brides for Seven Brothers at the Cinema at Quinte Mall Jan. 30th.

The program was conducted by Mary Moorcroft. Evelyn Rollins, Goldie Holmes, Reta Alore and Viola Wannamaker sang How Do You Do, and The Little Brown Jug. Hilda DeClair read Social Life A Hundred Years Ago. Mary Moorcroft read The New Year - How We Would Use It. Goldie Holmes, Evelyn Rollins, Mary Moorcroft and Clara Stevenson sang a song saying How Do You Do and naming different members' names. Francis Taylor showed pictures on the screen of our stay at Deer Lodge, also Viola and Walter Wannamakers' 55th wedding anniversary celebration on Nov. 9th, 1982, and many other important places we visited last year. The meeting closed with singing The Maple Leaf Forever. Lunch was served, and a social half hour enjoyed by all.

UCW meeting

BY VIOLA
WANNAMAKER

The UCW Unit 1 enjoyed a potluck dinner at the home of Verna Empey with 12 members present. Two members came after dinner and one visitor.

Following the dinner, the meeting was opened with Hymn No. 7, Let Us With Gladness Mind, followed with prayer and finished with The Lord's Prayer. The purpose was read in unison. The leader, Mrs. Vera Smith, thanked the hostess for the use of her home and the lovely dinner by all the members. Vera read a meditation for the new year. The minutes were read by the Verna and the roll was each one reading a verse of St. John, the first chapter, verses 1-14.

Thank you cards were received from Lizzie Embury and Elmer, Florence Love and Bill Glover a brother for plate of cookies at Christmas. Lizzie Empey residing at Edward Nursing Home, Stirling, sent thanks for her plant. A donation was received from the Emburys. The treasurer's report was given by Eva

Brownson for December. The card report was given by Reta Alore, and Anna Carman gave a report on cards, stamps and old glasses for the Leprosy Colony. There will be a Presbyterial meeting Feb. 2nd at Picton. On Feb. 4th, Dr. McCure will speak at St. Paul's Church at Stirling, from 9 p'clock until 4 o'clock. The greeters for the month of February were decided on for Unit 1. The next meeting will be at Hilda Devolin's home at 2 o'clock.

The worship was given by Lottie Bailey based on the changing year with several chapters of the Bible mentioned. Followed by prayer the offering was taken and dedicated.

Verna Empey led the program opening with Hymn 16, From All That Dwell Below the Skies. Your New Year, and A Happy Year of New Life and Growth. Hilda Devolin red the UCW Heritage. The meeting closed with the Lord's Prayer.

Quinte Wild Turkey Association Organizes

If you see toms like this in your bush this Spring, don't shoot them with anything but a camera - they are a protected species.

About one week before the arrival of the new year a group of people in the area got together to consider the possibilities of introducing the wild turkey to this neck of the woods. From this initial interest the Quinte Wild Turkey Association has been formed with around twenty paid members to date.

Due to a loss of habitat, (the wild turkeys thrived in tall timber country where they could roost in the high branches and keep an eye on things) these birds of the poultry family did not survive when the farmers and timber merchants moved in on their territory.

One hundred years ago these birds were common to this area and due to the many successes at re-establishment of this species in the United States the association hopes for a similar success story here.

A group in the northern USA dedicated to the same cause has promised to send fifty birds to the local club some time in early March of 1984. In all 49 states in the US have good populations of wild turkey thriving after such releases including many northern states like Michigan and New York.

One of the encouraging facts is that these birds appear to have adapted to living in the countryside consisting of some open fields and bushland. With their wide ranging diet of buds, acorns, grasshoppers, insects and grubs to mention a few, their ability to survive and raise young is

also quite promising.

There will be no hunting season on these birds since they are considered as a protected game bird and the Ministry of Natural Resources and the OPP will be enforcing the laws as they stand.

Membership fees for the Quinte Wild Turkey Association are \$25 for a family, \$20 for a senior member over 18 and \$10 for a junior member. On Monday, Ja-

nuary 30th, there will be a 7:30 p.m. meeting of the group at the Murray Centennial School on the Wooler Rd., between Highway 2 and the Telephone Rd. just west of Trenton.

Two guest speakers from the Ministry of Natural Resources will be on hand and hopefully a film on the wild turkey in Missouri will arrive in time to be presented also.

OBITUARIES

MARGARET JANE DONLY

Mrs. Margaret Jane Donly of Madoc Retirement Home in Madoc, passed away at Belleville General Hospital on January 15, 1984, in her 91st year, after an illness of five months.

She was born in Bannockburn, Ontario, the daughter of Mary Jane and James Hunters.

Mrs. Donly was predeceased by husband, Joe and son Rea. She was also predeceased by brothers Alex and Morley Hunter, and a grandson Steven Donly.

She is survived by her sons, Lorne of Madoc, and Ken of Stirling, and daughter Lola of Belleville.

Mrs. Donly attended high school in Tweed in her youth. She was a former school teacher and was also proprietor of the general store in Bannockburn.

Active in all phases of church life, Mrs. Donly was a member of the Bannockburn Pentecostal Church where she was pianist for many years. Other positions she held were that of Sunday School teacher, superintendent, and secretary.

tary-tr assurer.

Organizations Mrs. Donly was active in included the Missionary Group and the Women's Institute.

The funeral was held on January 16, 1984, at 3 p.m. from the McConnell Funeral Home.

Officiating clergymen were Rev. Dillabough and Pastor J. Rodger.

Spring interment will be at Greenwood Cemetery at Queensboro, Ont.

MARY MATILDA FRANKLIN

Mrs. Mary Matilda Franklin of Fabeth Nursing Home, passed away at Belleville General Hospital on January 15, 1984, in her 95th year, after an illness of two weeks.

She was born in Elzevir Township, the daughter of Julia Genereaux and Charles LePalm.

She was predeceased by husband Percy Allen Franklin.

Mrs. Franklin is survived by a sister, Mrs. Robert Banks (Agnes) of Port Hope.

Predeceased by son Charles, she is survived by her children, Mrs. Dave Genereaux (Anne), Madoc, Mrs. Carl Reid (Mae), Carleton Place, Mrs. Leo Hachey (Dora), Peterborough, Helen Ottawa.

Mrs. Franklin was a member of Sacred Heart Church in Marmora.

The funeral was held from the Sacred Heart of Mary Church in Madoc on Tuesday, Jan. 17, 1984, at 11 a.m. Rev. B. Flurey was the officiating clergyman. Mass was celebrated by Rev. F. O'Neill, Rev. P. Murphy, Rev. P. Cardy and Rev. R. Flurey.

Pallbearers were grandsons, David Genereaux, Larry Genereaux, Michael Genereaux, Tim Franklin, and Bob Hachey.

Interment was at St. Joseph's Cemetery in Queensboro, Ont.

Women's Institute view slides on smoking

BY CAROL PARANUIK

The members of Hart's Riggs' Women's Institute enjoyed a thought-provoking slide presentation on the effects of smoking cigarettes at their regular monthly meeting at the home of Wanda Burnside Monday evening, January 16.

The speaker, Kay Quirt, representing the Hastings and Prince Edward Counties Health Unit, was introduced by Wanda Burn-

side. She began her program with an interesting factual talk on the effects smoking has on women.

Included in these are hardening of the arteries, high blood pressure, shortness of breath, poor circulation, emphysema, as well as several kinds of cancer. The ladies were surprised to learn that there is five times as much carbon monoxide coming off the burning end of the cigarette than there is

coming off the end being smoked, which is one of the reasons so many non-smokers suffer when around someone who is smoking. The effects of smoking by a pregnant mother on her unborn baby included irregular heartbeat (which stops during the time the mother is smoking) and nicotine addiction at birth (the withdrawal symptoms of which are often put off as colic). The speaker stated that in a home where the

mother and father both smoke, the effects on the children are the same as if they were smoking five cigarettes a day themselves. Following the revealing slide presentation, Wanda Burnside thanked the speaker with a token of appreciation.

The regular business portion of the meeting was then held. President Lamoine Foley began with the reading of a poem entitled,

My New Year's Resolution. Roll call, a health rule 1 follow, was answered by 13 members and two visitors. The treasurer's report showed a favorable bank balance with proceeds from the catering to a recent banquet being added to it.

The motto, entitled, "The weed we found the Indian smoking" was read by Wanda Burnside.

The president reported that an estimate of \$400 was

received from Reid Morrison for the repairing, sanding and refinishing of the hall floor. After some discussion, it was decided to get further details on the finishing of the project.

The spring 4-H project is Fitness Fare and Linda Watson will be attending the leadership course to be held in Madoc on January 19.

Else Vierich and Helen Trotter agreed to be the leaders for the spring adult course entitled, More Sense Than Dollars. They will attend the leaders' workshop on February 29 in Madoc.

It was moved by Doris Pigden, seconded by Winnie Keitcheson, that the WI sponsor the Public Relations Officer, Wanda Franks, and the District Director, Carol Paraniuk, to attend RSPV at the Sun Valley Inn on February 21. Sponsored by the Hastings Farm Service Club, it is a workshop on communications.

Ivanhoe Branch is to be our exchange visitor and the secretary was instructed to extend an invitation to them to attend our February meeting at which Constable Norm Papi of the Madoc OPP will be showing a slide presentation on drugs. This will be held at the home of Else Vierich.

Following the closing of the meeting on motion of Dorenda Foley and Eleanor Fleming, a lovely lunch was served by the hostess and her assistants, Lamona Howard and Vera Burnside.

4-H Club plans Centennial year

Once again the 4-H Heritage Club of Madoc Township is starting a new year. They are looking forward to the United Empire Loyalist Bicentennial year and building their theme on this subject.

They have several projects planned for this year including the following: researching and recording the United Empire Loyalist land grants in Madoc Township; tracing United Empire Loyalist families and their contributions to the township.

Some of the members are planning to join the United Empire Loyalist Society after they have traced their direct ancestors back.

The club has been invited to Madoc Township Public School to present a display of their family and farm histories and antiques which they have compiled in the previous years. This

event will take place on January 30th, 1984, at 9 a.m. with a guest speaker, Mrs. Anne Rowe of Tweed, who is very active in the Geological Society and also a researcher in the area of Tweed.

The club is also planning a trip to the next United Empire Loyalist meeting which will be held in Nanapanee on March 3, 1984.

There will also be an evening in April when the club members will demon-

strate The United Empire Loyalist Costumes. Parents are invited to all the events. The white pine is the official bi-centennial tree. It will be recognized by the club in a special planting ceremony in the township this year.

We are looking forward to the previous members and any new members joining us this year. For further information contact Mrs. Jean Robinson 473-2230 or Mrs. Betty Wood at 473-4195.

Midgets beat Stirling 8-1

by Bill Denison

For the second time this hockey season the Madoc Midgets took care of Stirling Midgets right in Stirling. On their first visit the final registered 7-5 for Madoc, and this time by a wide margin of 8-1. It also marked Madoc's third win in as many games against Stirling, as they had also piled up a 9-4 previous victory against them on Madoc's home ice.

This now leaves the Madoc Midgets with a 7-6 regular season's play final

won-loss record. The local boys went out of the regular season's games with two strong consecutive wins under their belt and are not waiting for the first play-off round.

In this 8-1 victory, Madoc held a 2-0, 5-0 and 8-1 period finishes as scores and had little trouble heading back home with a win.

It was again quite rough with Madoc garnering 14 penalties and Stirling six.

Brian Wilman performed steadily in Madoc's goal and allowed only one goal to lower his goals against average to an excellent 3.83 at the end of regular season play.

Point getters for Madoc were: Lawrence Cassibo, 2 goals, 2 assists; Duncan Kosziwki 2 goals, 1 assist; Murray Stickwood 1 goal, 2 assists; Mike Corrigan and Dave Denison 2 assists each; Devin Bertrand, Steve

Needham and Chris Daniels each had 1 goal; and Kevin Fox and Danny Powell each had 1 assist.

Unfortunately the score sheet was not clear enough to interpret Stirling's stats for the game.

At the end of the regular season's action the Madoc Midgets won 7 and lost 6. Goals scored 70; goals against 52.

Individual stats: Duncan Kosziwki 12 goals, 9 assists = 21 points; Kevin Bertrand 8 goals, 13 assists = 21 points; Eric Brinks 9 goals, 9 assists = 18 points; Danny Powell 3 goals, 12 assists = 15 points; Peter Ringelmann 10 goals, 4

assists = 14 points; Peter Brady 6 goals, 7 assists = 13 points; Dave Denison 5 goals, 8 assists = 13 points; Kevin Fox 5 goals, 6 assists = 11 points; Lawrence Cassibo 4 goals, 4 assists = 8 points; Steve Needham 3 goals, 3 assists = 6 points; Alex Love 2 goals, 3 assists = 5 points; Troy Melvin 1 goal, 3 assists = 4 points; Murray Stickwood 1 goal, 3 assists = 4 points; Chris Daniels 1 goal, 3 assists = 4 points; Mike Corrigan 4 assists = 4 points; Brian Armstrong 2 assists = 2 points; Eric Brinks and Chris Daniels shared the penalty leadership with 32 minutes each.

Monday bowling

Bonnie Rollins scored the ladies' high single score at the Madoc Monday Nite's Bowling held January 9 with a score of 277. G. Kramp scored 657 in the high triple position.

H. Tisdale scored 286 for the men's high single position and 749 for the men's high triple.

Bowling over 200 were: A. Sharpe, 219, 224, 216; B. Rollins, 277, 205; D. Chapman, 257; E. Ferguson, 223; G. Chapman, 210; G. Kramp, 247, 215; H. Tisdale, 260, 286; L. Watson, 239; H. Ramsay, 239, 255, 232; J. Quennville, 206; M. Newland, 267, 205; D. Ash, 206; B. Ramsay, 218.

D. Dafoe scored the ladies' high single score on January 16 with a score of 247, as well as the ladies' high triple with a score of 621.

A. Sharpe scored the men's high single with a score of 279, as well as the men's high triple with a score of 777.

Bowling over 200 were: L. Watson, 217, 249; H. Ramsay, 226; K. Stewart, 201; D. Chapman, 237; F. London, 227; D. Dafoe, 247; A. Sharpe, 238, 260, 250; L. Cook, 227; H. Tisdale, 254; L. Miller, 205; B. LaPalm, 235; F. Pringle, 220.

Team Standings: Al Pals 8, Angels - 5, Helldamers - 5, Expos II - 3, Headpins - 2, No Names - 1.

Child rearing

Two-year-old Mary was utterly confused when her visiting grandmother said to her, "I will ask your Daddy to fix it for you", picking up the broken pieces of her toy. Mary would have understood her with no trouble, if she said, "Granny will ask Daddy to fix it for Mary".

Mary is used to hearing her parents say things like, "Mommy is making Mary's lunch now," or "Come to Daddy, and Daddy will give Mary a big hug". Her world is now made of Mary, Mommy and Daddy, and some special people like Granny and Grampa. But there are a whole lot of other people in the world around her who are very confusing to her, because they don't normally use her name and theirs as her parents do (though affectionately).

Mary needs to learn that she and her parents and those who are special to her are people, too. And, as people, they are "I, You, She, He, We and They" in Mary's expanding world.

Around the Village

Mrs. Hazel Beatty is a patient in Belleville Hospital.

Mrs. Sadie Yearwood is a patient in Belleville Hospital.

Mr. Wilfred Forestell is a patient in Belleville Hospital.

Walter and Viola Wananmaker are now residing in Brookside Villa, Apt. 107, Senior Citizens' Apartments.

Mrs. Catharina Franklin and her daughter Mrs. Betty LaPalm attended the

50th wedding anniversary of Henry and Viola Clemens of Marmora on January 8th, 1984.

Ontario Municipal Board
IN THE MATTER OF Section 39
of The Planning Act (R.S.O. 1980,
c.379),

and
IN THE MATTER OF an application
by The Corporation of the
Township of Huntingford for approval
of its Restricted Area
By-Law 2111-83

APPOINTMENT FOR HEARING

THE ONTARIO MUNICIPAL BOARD hereby appoints Thursday, the 16th day of February, 1984, at the hour of one o'clock (local time) in the afternoon at the Township Hall, Hamlet of Ivanhoe, for the hearing of all parties interested in supporting or opposing this application. If you do not attend and are not represented at this hearing, the Board may proceed in your absence and you will not be entitled to any further notice of the proceedings.

In the event the decision is reserved, persons taking part in the hearing and wishing a copy of the decision may request a copy from the presiding Board Member or, in writing, from the Board. Such decision will be mailed to you when available.

DATED at Toronto this 5th day of January, 1984.
D.G. Henderson, Secretary

EXPLANATION

The above hearing is being held for the purpose of hearing all parties interested in supporting or opposing the township's application for approval of its comprehensive zoning by-law No. 2111-83 which was circulated to the ratepayers and which prescribes in detail the use to which all the lands in the municipality may be put.

Snowmobile Club holds poker run

The Centre Hastings Snowmobile Club held their poker run on Sunday, January 8. It proved to be a successful day for those who participated. Persons who registered totalled 194.

The prizes were awarded at the conclusion of the run. First prize of \$100 was won by Ed Challen of Foxboro. Kevin McLaughlin of Madoc won the second prize, and Viola Andrews of Bannockburn won the third prize.

Door prizes were donated by Madoc Village and Madoc Township and assistance was received from Larry Rollins.

The Hair Stop donated prize for Oldest Lady who

went on run, which was won by Betty Terry. Other winners were Jack Challen, Ron Bronson, Martin Hutt, John Fox, Larry Foley, Gordon Wood, Laverne McCann, Dan Howard, Betty Rollins, David Franks, Monty McCauley, Percy Wood, Elmer Trotter, Jack Hunter, Randy Foster, Owen Mumby.

Larry Rollins received the marked card and gained his registration fee. Other winners were Elwood Graham and Annie Ray who won the pickles.

The snowmobile club sponsors a course for anyone twelve years of age and over. Instruction is to enable those applying to obtain a snowmobile li-

cence. A course is presently planned for February. Anyone wishing to take the course may contact Bonnie Foster at 473-2795.

The club plans another poker run for February 19, Children's Day February 26, and Adult Day March 4. The trails are open for anyone to come and enjoy.

Bowl for Millions underway

Bowl for Millions, a major fund-raising event for Big Brothers and Big Sisters of Centre Hastings, is getting under way again for the third year. This year the three main villages are being serviced separately, with a volunteer chairman being responsible for their own area bowling lanes, bowlers and pledge sheet distribution. Garnet Holmes, a teacher at Madoc Public School, is looking after the needs of Madoc, and Madoc Bowl. John Miller, the principal of Marmora's/Earl Prentice School is promoting the event in Marmora with the Bel-Mar Bowl, and Debbie

Kervin, a very busy mother of two is covering Tweed and the Tweed Bowl-o-Way.

This year there is also a great prize for the top fundraiser too - a side of beef. There are also plans to have a free draw for all bowlers after the event which will take place from February 4th to 11th across Canada. One prize that has been donated is a flight around Centre Hastings in a single engine Cessna 172. trophies are available for the top children's group, and other prizes will be available later, ranging from dinner for two to items for the home. The only rule

that applies, in order to be eligible for these prizes is that the pledges must be handed in by March 15th, 1984.

Get your pledge sheet, collect pledges from friends, neighbors and relatives, have fun bowling, and then collect the pledges and hand them in before March 15th and you could be a winner of a great gift for your efforts. Big Brothers and Big Sisters really need your help, and the money raised in this event is essential for their survival. Please help this very worthwhile organization in this once a year effort.

Adult day school

The months of November and December were very successful in raising money for the Centre Hastings Adult Day School including the selling of Christmas trees, a food basket draw, Christmas bazaar in Marmora and donations made by individuals and businesses.

Sincere appreciation goes out to the Kiwanis Club of Madoc, United Church of Canada, Bay of Quinte

Conference, the Loyal Orange Lodge and all other individuals who donated their time and money to this worthwhile establishment.

Susan O'Brien of RR 1, Clove, was the winner of the \$50 food basket draw. Sincere thanks is sent to Fran London for displaying the basket in the window of London Station.

Coming events in 1984 include a food basket draw

at Easter and a street dance in co-ordination with the bi-centennial celebrations held in Madoc during the summer.

Centre Hastings Adult Day School will be holding their annual meeting within the next couple of months. Notification of date and time will be published at a later date. Anyone requesting information can call Laura Thompson at 473-4200, Monday to Friday, 8:30 a.m. to 3:30 p.m.

Castle Hotel wins Annual Carling O'Keefe tourney

Castle Hotel defeated Brighton 4-3 in overtime in the final of the Fifth Annual Havelock Carling O'Keefe Tournament to win the A championship while Belleville Crane Rentals defeated Three Brothers' Pizza 7-3 in the B final.

Twenty-two teams entered the tournament, although the Lakeshore squad dropped out after the first round because they had been heavily penalized for fighting in their game against Oshawa Carousel Inn. A fighting penalty automatically meant a player was out of the tournament.

In the first round which started Friday night, Coombes and Ferguson dropped Havelock IGA 11-1. Brighton Red Wings defeated Doug Waters Norwood 5-4, and Kennedy Sports dumped Belleville Crane Rental 5-2.

On Saturday in the first round, Kyli's Fuels ran away from Fox Theatre 11-3. Castle Hotel dumped Havelock Hawks 9-4. Oshawa Carousel Inn downed Lakeshore Hawks 5-2. Shady Oaks bombed the Ontario Canadians 7-1. Whitty Waterbed was dumped by Comfort Centurions 6-2. Penn Centre

Printing skunked Tamworth 10-0. Oak Ridge Brewers downed West Rouge 6-1, and the Belleville Leftovers

downed Three Brothers' Pizza 5-4. In second round action, Havelock IGA downed

Belleville Crane 7-1. Brighton edged Coombes and Ferguson 2-1 in one of the better games of the tourna-

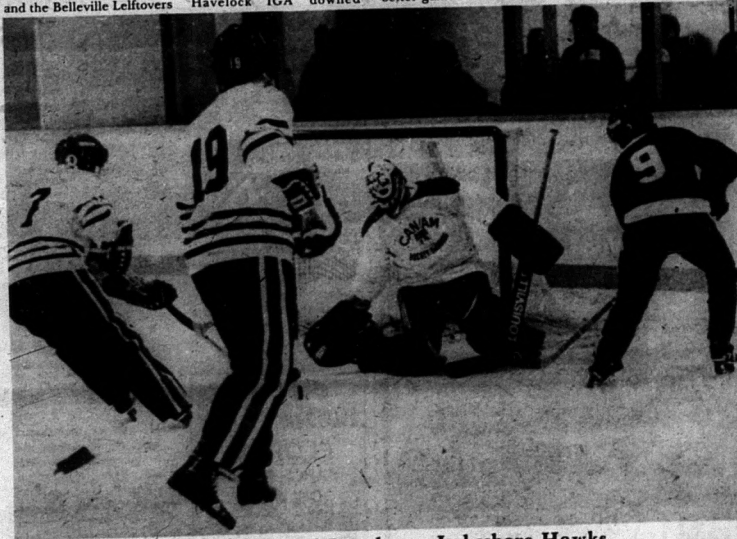

ment. Havelock Hawks crushed Fox Theatre 8-3. Kennedy Sports was shut-out 7-0 by Kyli's Fuels.

The Ontario Canadians won a game by default over Lakeshore. Castle Hotel downed Carougel Inn 6-1. Whitty Waterbed was shut-out by Tamworth 7-0. Shady Oaks dropped Comfort Centurions 5-3. Three Brothers' Pizza downed West Rouge 5-0. Oak Ridge Brewers dropped Belleville Leftovers 4-1. Belleville Crane dropped Norwood 6-1.

In third round action, Brighton dropped Kyli's Fuel 4-2. Havelock Hawks eliminated The Ontario Canadians 6-2. Castle Hotel hammered Shady Oaks 12-1. Three Brothers' Pizza took Tamworth 7-3. Penn Centre downed Oak Ridge Brewers 8-1.

In the fourth round, Three Brothers' Pizza eliminated the Havelock Hawks 5-3. Brighton dropped Britt Murphy, the goalie for Castle Hotel was named the MVP on the A side and Carl Deline of Belleville Crane Rental was named the MVP on the B side.

Winners and runnersup were each given trophies and the A champs skated away with \$1,000 in prize money with the A runnersup earning \$300. B champions collected \$400 and the runnersup earned \$200.

Oshawa Carousel Inn downed Lakeshore Hawks

Stirling Blues defeat Lakefield Farm Machinery

It was a different story this week for the Birds' IGA Juveniles as they went up against the Lakefield Farm Machinery team here on home ice. The Blues were skating hard and their passes were connecting to keep the Lakefield team on the defensive for most of the evening.

In first period, play the Lakefield goalie got a good workout with the Blues pounding away from inside of the blue line most of the period. It was only a matter of time until they found a fluke, which is just what Eddy Vanattan did at 5:42 with an assist by Rod Cooney.

With the one goal lead heading into the second period the Blues returned and promptly put themselves into a 4-0 position with another goal by Eddy Vanattan and a pair by Chris Carson. Again the play was mainly confined to the inside of Lakefield's blue line and tempers began to rise as the Lakefield team members expressed their frustration by roughing things up. Their attempts to break out of their own end were further hampered by the fact that whenever their passes did connect the

players were invariably either standing still or heading in the wrong direction. By the third period Lakefield's style picked up

six penalties and Barry Peterson got a game misconduct and headed for the showers. However, they did manage to spoil Stirling's shutout for goalie, Don

Ashley. Lakefield's second goal came in the closing seconds and although it was too late to do any good as far as the game was concerned the Lakefield team did seem

rather pleased with themselves on managing to get the last goal of the game with only three of their players on the ice and four in the penalty box.

The hockey is exciting in these games, whatever the outcome and if you want some live action on Thursday night's it is usually to be found down at the arena.

Madoc Tykes

defeat Havelock

For the second time in as many games, the Madoc Tykes overturned the Havelock Tykes 6-2. The first encounter in Havelock was 3-2 for Madoc.

Madoc, again outskated the Havelock boys and outthrust them. On one occasion the puck was continually kept in the Havelock end for 10 minutes. Because of superb goaltending on the Havelock team's part the score was kept down.

Billy Harrison playing his first game in goal did exceptionally well and at one point had blocked three breakaway attempts by Havelock.

Scoring for Madoc were: Tommy Sandford 2 goals; Brian Phillips; Gerry Brownson; John Brownson; and Danny Coleman.

The Madoc Tykes have won 2 and lost 0 so far this year.

Pictured above is the Corby's Collection team that captured the "B"

Championship at the Oldtimer's tournament held in Stirling last weekend. They

defeated Madoc 3-2 in overtime to capture the title. The Trenton Rag-Tags

won the "C" division in the weekend play.

SPORTS

Mean Machine double trouble

Threats of violence have caused Mean Machine to announce two secret weapons instead of the one planned. Billy-Bob Gymnjo has decided that it's his turn to be player of the week and we aren't going to argue with him. Billy-Bob lists his hobbies as head butting

with moose in season and taking lots of bubble baths cause those little bubbles are 'real keen, hee hee'.

The Machine's planned secret weapon was Coward Blowzell, a totally honest sports journalist and community leader. Mean Machine is proud to have Coward

as he fits the job perfectly a former washed-up player with the machine, loud mouth and a bit of a wimp.

On Sunday, Jan. 14., the Sports Centre in Belleville was the scene of a really boring game in which the Machine beat Misper Beverages who knows what to

2. Wednesday the 17th in Stirling. Mean Machine took on the Senior Blues and beat them 4-1. Just kidding boys. Actually the score was the other way around. Scoring for the Blues were Pinder with 2, Hagerman and Pearce with 1 each.

Ringette

Hastings defeats Madoc

by Anne Sullivan

Two ringette games were played in Hastings on Sunday January 22 with Madoc as the opposition.

The Petites played a good close game that either team could have won. Dawn Stephens (Hastings) and Kelly Matchett (Madoc) both played well in net. The final score was 8-7 in favour of Hastings. Rhonda McMillan and Karen McCall both scored three goals each. Jennifer Kollard and Jennifer Dwyer added one goal each with Rhonda McMillan and Julie Lynch assisting. For Madoc, Mary Brownson and Leanne Phillips scored three goals apiece, Michelle

Devolin added a single with assists from Mary Brownson and Jayne Daniels.

The Hastings Juniors won their game against Madoc by a score of 11-5. Jennifer Scudds takes credit for six goals, Monica Lynch and Leanna Beavis with two each and Karen Sullivan with a single goal. Assistants went to Karen Sullivan, Leanna Beavis and Kristina Lynch.

Scoring for Madoc were Andrea Peters with two goals, Anna Dennison, Leanne Phillips and Heather Kehoe with one each and Heather assisting on one of the goals.

Bancroft Atom-Pewee tourney

Madoc 5 - Havelock 0
Again an excellently entertaining hockey match was seen. Madoc worked really hard and managed to gain two first period goals by Brian Forestell (the second being a smoldering wrist shot that Havelock's goalie is still looking for!).

The contest stayed that way until period three when John Pack scored a beauty in completion of a smooth 1,2,3 combo with Brian Forestell and Peter Denison assisting.

Point makers for Madoc: PeeWees were: Brian Forestell 2 goals, 1 assist; John Pack 1 goal, 1 assist; Peter Denison 1 assist; Paul McMaster 1 assist; and Derek Wood 1 assist.

Madoc's MVP had winner was Jeff Sawkins for his determined digging and sharpness on right wing.

Jeff McMaster gained a well deserved shut out.

This win assured Madoc PeeWees of a birth in the PeeWee Championship Game.

Game 4 -

Oshawa 2 - Madoc 1

A truly great game was about all anyone could say who saw it. Oshawa were acclaimed champions, but not without a fantastic battle by Madoc PeeWees.

Madoc went ahead 1-0 in period one when Jim Bonter scored, assisted by Tom Deline and Robyn Plumble.

With only 46 seconds left in period one, Oshawa tied it up 1-1 on a high deflected type of fluke shot that sent in over Jeff McMaster's shoulder.

Oshawa, went ahead 2-1 with only 2:20 left in period two. This proved to be the winner as a torrid

third period went scoreless with numerous scoring chances at both ends. Madoc suffered terribly with 3 penalties in the last 5 minutes. Even with the short handed state, Madoc pressed in and came very close to tying the game. Congratulations needs to be extended to both teams for an amazing demonstration of hockey.

Madoc was awarded the Runner-up banner.

Madoc's MVP hat award was granted to stalwart Brian Forestell for his excellent all out effort throughout the entire game.

Madoc Distric Hockey House League Update:

Results from the past 4 weeks: Flyers 9 - Canadians 6; Kings 9 - Hawks 5; Hawks 15 - Canadians 2; Kings 9 - Flyers 5; Kings awarded a default win over Canadians; Hawks 5 - Flyers 4; Canadians 5 - Flyers 5; Team Standings after Sat. Jan. 14: Kings 14 points, Hawks 9 points, Canadians 5 points, and Flyers 4 points.

Top Scoring Leaders as of Sat. Jan. 14: Tom Burnside (F) 31 goals, 2 assists = 33 points; Craig Miller (H) 23 goals, 10 assists = 33 points; Mike Kehoe (H) 16 goals, 15 assists = 31 points; Tim Osborne (C) 10 goals, 4 assists = 14 points; Charlie Brownson (H) 6 goals, 8 assists = 14 points.

Leading Goalie Averages (as of Sat. Jan. 14): Marty Shaw (K) 5, games played, 20 goals allowed 4:00 goals against average; John Chappelle (H) 5, games played, 12 goals allowed, 4:00 goals against average.

Little Britain Merchants tie Lakefield Chiefs

The Lakefield Blakes I.G.A. Jr. C. Chiefs should be thankful that they don't have to meet the Little Britain Merchants in the first round of playoffs.

The Merchants who seem to hold a hex on the Chiefs came from behind a 4-1 deficit Sunday afternoon in Little Britain to gain a 4-4 tie.

In their two previous meetings the Chiefs once held a 8-3 lead and had to

settle for a 8-8 draw while at home they blew a 4-1 lead and lost 9-7.

If not for the fine goaltending of Terry Eggeleson the Chiefs would probably have went down to defeat as the Merchants outshot Lakefield 33-24.

Lakefield took a 2-0 first period lead as captain John Condon scored twice. Little Britain scored a power play goal before Kevin Gilders

retained the Chiefs 2 goal lead. Paul Moore on a fine set up from Chris Palmer gave Lakefield a three goal lead before Little Britain mounted their comeback. With only one minute and forty eight seconds remaining Little Britain scored again on the power play to salvage the tie.

The tie however did ensure Lakefield of a third place finish, highest in the teams history. Lindsay's

23-1 win over Stouffville Friday night and 5-2 win over Uxbridge Sunday ensured the Muskies of second place.

On Friday night in Lakefield Chris Palmer earned six points in the Chiefs 13-5 drubbing over the Cobourg Cougars. Palmer had four goals and four assists for a club record. Andy Shaughnessy, Perry McCracken and Paul Lasch scored two each while singles went to

Gary Nelson, Kevin Gilders and Steve Connolly.

The Chiefs will host first place Bowmanville Friday night at 8:30 and will be missing four regulars from their lineup. Chris Palmer, Gord Davey, Paul Moore and John Ridpath will all be away with their school

team. The Chiefs however will be icing three lines and hope to gain their second win over the Eagles this season.

The Chiefs will also host the Little Britain Merchants Tuesday night at 8:30 for their final attempt to beat the fourth place Merchants.

MTM Hurricanes drop Campbellford

The MTM Hurricanes who are beginning to put things together, as they prepare for the playoffs, came up with a big win over Campbellford on Thursday night.

Coach Glen (Grapes) Nickle and Arnold (Pooh) Ross Monger, had the MTM's in high gear in the second period, as the boys opened up a 4-1 lead, after a slow first period. Brian Maines scored the only goal of the first period unassisted. Scoring goals for the Hurricanes in the second period were Dale Prevost, Jeff Bonter and Mike Franks.

The MTMs out scored Campbellford 5-1 in the final period, with goals coming from Dale Prevost, second of the night; Doug Reid and Randy Grey.

Next home game for the Hurricanes will be Tuesday night against Wellington.

The MTM Hurricanes failed to move up in the standings as they lost a close 5-3 game to Ernestown on Saturday night.

After being down 4-1

after two periods, the Hurricanes put pressure on in the third period to bring the score to 4-3 by the ten minute mark of the period. With a little over a minute left in the third period, Jarvis was lifted for an extra player, but with seven seconds left on the clock, Ernestown got one into an

empty net. The Hurricanes had their chances to win the game as they had two three on one breaks, and Robert Empey had two break ways but failed to score. Goal scorers for the MTMs were John (dead-eye) Desardins with two, with the single to Bruce Palmateer.

Frankford defeats Madoc Atom B's

Frankford won their second straight game over Madoc on their home ice by the score of 9-0. In the first game last month also in Frankford, Frankford Atoms were again winners 7-2.

This was Madoc Atom "B's" 6th consecutive loss since entering the Atom All Star level in Tweed's place.

Again it was because of the Madoc chaps doing their best and their best not being good enough for victory over the higher classed teams.

Frankford held 2-0, 7-0 and 9-0 period advantages in running away with the game.

It was a cleanly played, gentlemanly hockey match

with no penalties needing to be called.

Frankford's point men were: Tony Genereaux 4 goals, 3 assists; Jeff Culp 2 goals; Paul

Carr 1 goal, 3 assists; Greg Stewart 1 goal, 2 assists; Jeff Adams 1 goal; Drew Dey 2 assists; Paul Reid 3 assists; and Steven Chard 1 assist.

Jack Fluke rink wins Marmora Molson mixed bonspiel

The annual Molson Mixed Curling Bonspiel was held last Saturday and Sunday in Marmora and District Curling Rink with 16 teams competing.

The champion rink and winner of the Molson trophy was the Marmora team skipped by Jack Fluke with Enid Fluke vice, Glen

Wentworth 2nd and Audree Wentworth lead.

Runnerup was another Marmora team skipped by Murray Byrne with Bobi Peacock vice, Barry Bell 2nd and Diane Byrne lead.

A Norwood rink skipped by Gord Munro won the 2nd draw with Bev Munro vice,

Steve Menzies 2nd and Betty Dafeo lead.

Runnerup in the 2nd draw was the Marmora rink skipped by Roy Finch with Joy Finch vice, Rick McKee 2nd and Pamela Watson

lead. Third draw winner was Joe MacCauley's rink with Deena MacCauley vice, Vern Strassburg 2nd and Phil Hickey lead.

The runnerup was a team

skipped by Doug Lynch with Eleanor Wells vice, Pat Bertrand 2nd, and Peg Bertrand lead.

Ted Fox skipped the winner of the 4th draw with

Shelly Fox vice, Jim Hughes 2nd, and Joan Fox lead.

Runnerup was Les McDougall as skip, Doris Meiklejohn vice, George Meiklejohn 2nd and Ev McDougall lead.

Bancroft Atom-Pee wee tournament

Game 1 -
Madoc 8 - Napanee 0
Period scores of 5-0, 7-0 and 8-0 were the results of an easy Madoc win. From the outset it was no contest and Napanee could not put

any plays together.

Even though some sloppy plays were shown by the Madoc boys, on the whole, they were really "up" for this one and ran Napanee right into the ice. It was only by fortune that the score had not soared higher.

Peter Denison led Madoc PeeWees with a hat trick (3 goals) which earned him the MVP hat award for Madoc.

Other point getters for Madoc were: Brian Forestell 1 goal, 2 assists; Jason Bailey 2 goals; Steven Brinks 1 goal, 1 assist; Tom Deline 1 goal; 1 assist each to Paul McMaster, Derek Wood, Trevor McTaggart, Jim Bonter, Jeff Sawkins, and Kerr Rosnuk.

Jeff McMaster played first period in goal and Barclay Sexsmith the last two for Madoc to share the shut out.

Game 2 -

Madoc 3 - Port Hope 1

Madoc had their work cut out for them in this one and eased out of period one 1-0 in the lead.

Period two saw Madoc

add one more to enter the final session 2-0 in front.

Brian Forestell scored his second goal of the game on a "picture play" set up by Peter Denison and it was 3-0 for Madoc.

Jeff McMaster's bid for a well earned shut out was ruined with less than 3 minutes left as Port Hope beat him close in.

Shawn Chapman, playing as usual a strong defence for Madoc, was awarded the Madoc MVP hat award.

Point getters for Madoc were: Brian Forestell 2 goals; Peter Denison 2 assists; Jeff Sawkins 1 goal; Trevor McTaggart and Jason Bailey each gained 1 assist.

Legion roll-offs in Madoc

Seven teams from Madoc Marmora, Tweed, Belleville and Deseronto participated in the Legion Ladies Auxiliary Zone F3 Roll-off Bowling Tournament.

The event was held on January 14, at the Madoc Bowl with the following results.

First place finishers were Tweed Branch 428 scoring 2714 pinball. Second place finishers were Belleville Branch 99 scoring 2392 pinball.

These two teams will progress to the next round where approximately forty Zone F3 finalist teams will vie for the honor of

representing the district.

Members of the first place team, from Tweed 428, are Fern Juby, Cathy Rosenplot, Alice Patterson, Claire Thompson, Monica McLaughlin and Betty DeNault.

Betty DeNault scored 716 for the high triple and

Bonnie Gray scored 215 in the high single.

Total points scored by Tweed were 2714, and 2393 by Belleville Team No. 2, Marmora Team No. 1 scored 2291, Madoc 2286, Marmora Team No. 2 scored 2190, Belleville Team No. 1, 2140 and Deseronto 1999.

Madoc Thurs. night bowling

Wanda Bingham bowled 250 for ladies' high single honors at the January 12, Thursday Night bowling. Art Lessard bowled 289 for the men's high single. Jean Asselstine took high triple honors with a 579, and Art Lessard the men's high triple with 807.

Judy Tisdale and Diana Cook tied with a 176 for the ladies' high average. Brian Sharpe bowled 229 for the men's high average.

Over 200 games were bowled, by: Dianne Bernier 222, Diana Cook 218; Jean Asselstine, 204; Lena Rose, 202; Janice Newland, 207;

Judy Tisdale, 205; Doris Langdon, 216; Wanda Bingham, 250; Leon Bernier, 247; Leo Coveney 247; Earl Langdon, 222; Cliff Preston, 216; Del Carrol, 260, 274; Todd Carrol, 224; Ken Adams, 204; Lorne Miller,

225; Mike Newland, 231, 219; Zeol Bernier, 261, 202; Art Lessard, 249, 289, 269; Bob Compey, 216; Brian Sharpe, 205, 221; Weyburn Collins, 265; and Hubert Tisdale, 207.

The league standings

show Wanda's Hopefuls out in front with 34 points, No Names with 32 points, Twilight Zone with 30 points, Behinders and Blue-nose with 28 points, and Bottoms Up with 27 points.

Hurricanes Jr. C hockey

Come to Madoc for an action packed game of hockey on Sunday, January 29, at 2:30 p.m. when the MTM Hurricanes take on the first place Frankford Huskies.

Local girls from the Madoc and District Figure Skating Club will perform a figure skating precision line during intermission.

Jack Douglas is also

going to spin the ticket drum for the \$1,000 lottery draw. Tickets for next year's draws, starting in May 1984, will be on sale in the near future.

Queensboro News

Mr. and Mrs. Harold Tokley visited Mrs. Nettie Alexander in Edward St. Manor nursing home, Stirling, one day last week and also called on Mr. Roy Tokley, also of Stirling.

Mrs. Frank O'Rourke and Mr. Clifford Evans spent

the dinner hour on Monday last, with Mrs. Goldwin (Jessie) Holmes.

Mrs. Arthur Holmes accompanied Rev. Hilary Scrutton to Belleville Presbytery held in Grace United

Church, Napanee on Monday.

Mr. John Barry, Ottawa and Mrs. Rita Seguin, Kingston, spent the weekend at their mother's home here and on Sunday they took their mother, Mrs. Frances Barry of Marmora

Nursing Home, to the home of Mr. and Mrs. Wayne Allore, Stirling, for a family birthday party for her to celebrate her 90th birthday.

Mrs. Arthur (Goldie) Holmes accompanied Mrs. Evelyn Browning, Gladys Ash and Joan Ash of Madoc

to Green Acres Nursing Home, RR 2, Trenton (Bayside) to visit Mrs. Lena Ash on Thursday last.

Guests of Mr. and Mrs. John Thompson during the weekend were Mr. and Mrs. Lud Kapusta and family of Ottawa, Mr. and Mrs. Bill

Luukko and family of Mississauga, Mr. Doug Thompson, Toronto, Mr. and Mrs. Ken Rollins, Lakefield, Miss Hazel Thompson and Mr. and Mrs. Allan Thompson, Belleville. They had a family dinner on Sunday.

The Recreation Committee sponsored a euchre party in their hall on Tuesday evening. Ken Cassidy won the men's prize, Lisa Devolin, women's prize and Brian Ramsay, the door prize.

Mr. and Mrs. Alex Clarke were overnight visitors of Mr. and Mrs. James Clarke, Springbrook, on Tuesday evening.

A number from here attended the official board meeting in Eldorado United Church on Wednesday evening. This was for the Queensboro - Eldorado charge.

Mr. and Mrs. Alex Clarke called on Mr. Herb Trotter and Pearl Hannah near Springbrook on Saturday last and spent the weekend at the home of Mr. and Mrs. James Clarke, Springbrook.

While there they attended two hockey matches in Frankford arena. The Dutch Mill Inn team against the Royals, score was 5-3 in favor of Dutch Mill Inn team on Saturday night; on Sunday, the game was Dutch Mill Inn against the Foxes Den - score 4-2 in favor of the Foxes Den. James Clarke plays for the Dutch Mill Inn.

Goldie Holmes spent two days last week with her aunt Evelyn Rollins and Bert Clare in Madoc.

Miss Christine Jones of Tweed spent the weekend with her grandparents Mr. and Mrs. Ken Cassidy.

Future stars of tomorrow

All Star Defencemen: Paul McMaster (No. 8) and Shawn Chapman (No. 9) for the high flying Madoc PeeWees.

Just try to work you're way around this young dynamic duo and get a goal against Madoc PeeWees, and you have accomplished a feat very few have been able to do this season. With an amazing team record of

18-0 after regular season play, and having been scored upon only 15 times, anyone watching these defencemen in action would quickly realize why Madoc goalkeepers are well defended.

Many times defencemen do not get the recognition they deserve as they often do not produce scoring points. However, both Paul

and Shawn provide an almost invincible wall.

Paul McMaster demonstrates an amazing ability to hound the attacker and take him out of the play, and hook the puck away from him.

Shawn Chapman exemplifies a great puck carrying style and often carries many rushes into the opposition's end.

Last year offensively, Paul had a high 14 goals, and 20 assists for 34 points in 20 games played for the Madoc Atoms. This year in PeeWee hockey, Paul has earned 2 goals, 9 assists for 11 points in 17 games played.

Shawn totalled 11 goals, and 15 assists for 24 points last year with the Atoms in 20 games played. This year Shawn has piled up 5 goals, 12 assists for 17 points in 17 games of action.

Since both these All Stars are not classified for size (both are far from giants or heavy weights) they are two of the best PeeWee defencemen anyone could see perform. Come out and watch them lead the Madoc PeeWees to victory in the upcoming playdowns.

Hurricanes! Keep an eye on these mighty mites/ Madoc PeeWee Playdown Schedule

Classified Advertising Policy

Starting January 1st, 1984, all classified advertising must be prepaid before they can appear in the paper.

This does not mean that you cannot continue to phone your advertisement into the newspaper office in your village. All it means is that we will allow time for you to send in your cheque or money order, or come into the office and pay for the advertisement before 4 p.m. on Friday, before we run it in the coming issue.

Auctioneers and till further notice classifieds will not be affected by this policy change.

The reasons for this change in policy is to reduce our costs. Billing a classified advertisement once or even twice has made it painfully obvious over the years that billing costs us more than the advertisement. We've also found it difficult to reach those people who have not paid which also costs us many more man hours and expense. Those people whom we have not been able to contact have forced us to write-off their accounts at a great loss to the company.

Also, starting with our first issue in January, we are increasing our advertising rates - from 10 cents per word to 12 cents per word with a minimum charge of \$3.00 for up to 25 words. All classified-display rates will remain at \$6.90 per column inch.

This increase has been made necessary simply because of labor, material and printing cost increases over the last two years.

You will find that a \$3.00 advertisement is very reasonable for the over 40,000 people in our area you will reach each week.

Should you have any questions in regards to this new policy please do not hesitate to contact your local newspaper office for any further explanation.

Dear Subscriber:

STARTING JANUARY 1ST, 1984, WE WILL NO LONGER BE SENDING OUT SUBSCRIPTION RENEWAL FORMS.

INSTEAD OF RENEWAL NOTICES WE HAVE PLACED YOUR EXPIRY DATE IN THE TOP RIGHT HAND CORNER OF YOUR PAPER, AND IT WILL APPEAR THERE EVERY WEEK. YOU SIMPLY CAN MAIL, OR BRING YOUR CHEQUE OR MONEY ORDER INTO YOUR LOCAL NEWSPAPER OFFICE.

ALTHOUGH THIS POLICY IS NEW TO CEMBAL PUBLICATIONS IT IS IN FACT THE POLICY OF MANY SMALLER WEEKLY NEWSPAPER COMPANIES RIGHT ACROSS CANADA. THIS POLICY HAS BECOME NECESSARY DUE TO THE TREMENDOUS INCREASE IN POSTAGE AND OTHER COSTS.

IF YOU HAVE ANY QUESTIONS ABOUT THIS NEW SYSTEM, PLEASE FEEL FREE TO CONTACT YOUR LOCAL NEWSPAPER OFFICE. THEY WILL BE MORE THAN GLAD TO HELP YOU.

Cemba Publications (1981) Ltd.

MADOC OPP REPORT

Officers of the Madoc detachment of the Ontario Provincial Police, investigating 33 occurrences during the week of January 8-14, 1984. A total of 55 spot checks were conducted which resulted in 1 person having his driver's licence suspended for 12 hours when a warning was registered on the A.L.E.R.T.

Three break, enter and thefts were investigated and officers responded to one domestic dispute. Two charges of breach of probation, one under the liquor licence act and one under the motorized snow vehicle act were some of the charges laid.

sustained approximately \$1,000 damage. Constable Papi investigated.

On January 9, 1984, a motor vehicle accident occurred on the Old Marmora Road approximately 1 kilometer west of Hwy. 62. Gavin Adams of Madoc was in the process of backing into his driveway when a vehicle driven by Robert Keene, of R.R. 4, Madoc, collided with the Adams vehicle. There were no injuries, but the vehicle sustained a total of approximately \$1,350 damage. Constable Sawkins investigated.

On January 10, 1984, Kenneth Moore of Tweed and Ernest Keller, of RR 5, Madoc, were involved in a motor vehicle accident on Hastings Road 13. 8.9 kilometers east of Hwy. 37. Mr. Moore was travelling westbound operating a snow plow when the east-

bound vehicle operated by Mr. Keller slid out of control and collided with the snow plow. Mr. Keller and his passenger June Keller, were injured and were taken to Belleville General Hospital by ambulance. The vehicles sustained a total of approximately \$3,000 damage. Constable Papi investigated.

On January 9, 1984, Constable investigated a break and enter at the Marmora Curling Club. Between January 8-9, culprits smashed a wooden panel in the garage door at the north end of the club. A quantity of beer, potato chips and a small amount of money was stolen, which was valued at approximately \$35.

Again on January 14, 1984, a local citizen observed two youths at the north end of the curling club at approximately 2:25 p.m. Both the youths were carrying cases of beer and they fled the scene on foot. Entry was gained by smashing out another panel in the same door. Property of an estimated value of \$50 was later recovered by Marmora By-law officer Roland and constable. This property included beer and gum. The investigation, is being conducted by a constable.

A total of six motor vehicle accidents were investigated, three of which were reportable.

On January 8, 1984, Violet Dorson of Port Credit was driving her car eastbound on Concession 9 of Hungerford Township when her vehicle skidded on the slippery road surface and collided with the Otter Creek bridge. There were no injuries but the vehicle

During the past week, several parked vehicles have been interfering the removal of snow and or the movement of traffic. The Highway/Traffic Act gives the police authority to remove any such vehicles and the cost is incurred by the owner. In addition, a charge may be laid which has a set fine of \$53.

An eighteen year old Belmont Township lad is in custody in Peterborough charged with several offen-

sives, including dangerous use of a fire arm as a result of an incident which occurred early on the morning of Jan 12. Stacey Guy Minnis was arrested by officers from the Campbellford detachment assisted by the canine team from number 9 district in Belleville.

An R.R. 4, Colborne man has been charged with mischief as a result of damage which was done to the Warkworth arena on Sat., Jan 14. Larry Larochelle age 31, is to appear later this month at Camp-

bellford Provincial Court, ing to pull back in to the eastbound lane. The McEathron vehicle obtained \$300 damage and the Allen

Our last OPP report re the following should have read as follows:

On December 17, Donna Sarrazin of RR 2, Marmora, was involved in an accident, on Hastings Road 11, as she drove out of a driveway and collided with a vehicle driven by Mable Gifford, RR 2, Marmora. Gifford

received minor injuries. Total damage was estimated at \$700. Constable D.W. Hill investigated.

Tourist guide publisher here

This week, Martin Thompson, Publisher, will be in Madoc area to discuss the all new 1984 Cembal Publications Pioneer Country Tourist Guide with area merchants and business-

men. There will be over 100,000 copies of Pioneer Country distributed throughout the summer of 1984 in an all new magazine format. This distribution

make Pioneer Country the largest tourist guide of its kind in the area and will reach 300,000 people in the area in its fourth year of publishing.

Mr. Thompson is a native of the area and knows the needs of his customers well. Should anyone wish to make direct contact with Mr. Thompson, please call 472-2431.

On Jan 14 at about 2:45 p.m. two vehicles collided as the result of poor visibility caused by blowing snow. David Petrick age 37, of R.R. 4, Marmora was driving a 1984 Chrysler eastbound on County Road 38 when he struck the rear of a 1969 Plymouth being driven by 72 year old Joseph Fletcher of R.R. 3, Marmora. There were no injuries. Damage to the Fletcher car was \$300 and \$500 to the Petrick car. No charges were laid.

At 5:55 p.m. on Jan 13, a two-vehicle accident occurred on highway 7 west of Havelock: A 1979 Dodge driven by Stanley McEathron of Madoc, age 46 was eastbound on Highway 7 as was a 1978 Pontiac driven by 21 year old Gicla Allen of Ottawa. The two vehicles collided as the Allen vehicle was attempt-

Mr. and Mrs. Hiram Munby spent Saturday in Toronto.

Mrs. Leona Jeffrey and Bill Jeffrey, Trent River,

were guests of Mr. and Mrs. Bill Prest on Sunday.

Mr. and Mrs. Ted Preston were luncheon guests of Mr. and Mrs.

Garth Muir and Nicole, Stirling, on Sunday and spent the supper hour with Mrs. Annie Tanner, Stirling.

Mr. and Mrs. Paul Rollins

and Kevin attended the hockey game at Maple Leaf Gardens on Saturday and were overnight guests of Mr. and Mrs. Frank Tunzi and family at Scarborough.

Mr. and Mrs. Roy Solmes are spending a holiday in Florida.

Mr. and Mrs. Emerson Reid were luncheon guests of Mr. and Mrs. Jack Moore, Belleville, on Tuesday.

Winners at the card party at St. Mark's on Wednesday evening were: ladies' high Mary Morton; 2nd Audrey McFaul and Donna Brownson tied. Gent's high Claude McInroy; 2nd Doug Brownson. Travelling prize Clarence McKeown.

Mrs. Mary Sullivan, Toronto, and Mrs. Bernice Rollins, Stirling, were dinner guests of Mrs. and Mrs. Paul Rollins and Ken on Tuesday evening.

Mrs. Kathleen McMullen, Stirling, was a recent supper guest of Mr. and Mrs. Stewart Brownson.

Summer work grant

Bill Vankoughnet, MP for Hastings - Frontenac - Lennox and Addington is pleased to confirm that the riding has been allocated \$325,900 under the Summer Canada Student Employment Program to directly fund the Summer Canada Works Program. Indirectly, other funds will be made available to the riding for other student employment initiatives.

The summer employment initiatives for students are comprised of five elements. These include a job placement service for students as

well as projects within the federal civil service including a trades training program in the Department of National Defence, an RCMP special constables program and the Summer Career Access program to provide, through wage subsidies, internships for students in the private, public and non-profit sectors.

Community organizations, businesses, individuals and (where the provincial government raises no barrier) municipalities are eligible to sponsor community projects. Funding will be

approved for community projects based on recommendations made by Members of Parliament and Canada Employment and Immigration Commission resource people.

Allocations for 1984 Summer Canada funds are based on student unemployment and previous constituency allocations.

Mr. Vankoughnet noted that besides providing summer employment for students, this program benefits local communities also.

Application forms and guides to applicants for community projects will be available for mid-January at all Canada Employment Centres and Employment Development Branch Offices. The deadline for applications is February 24, 1984.

Funds for restoration

An elegant 2½ storey frame home built in Amherstview, on the Shores of Lake Ontario by a United Empire Loyalist in 1793 will get a new lease on life.

Funds have been announced to enable the restoration work, now underway, to be completed. As a result, Fairfield White House will be ready for tourists this summer, the year of Ontario's bicentennial celebrations.

Under the tourism component of the federal-provincial Eastern Ontario Subsidiary Agreement (EOSA), \$90,000 will be contributed; the amount is shared equally between the two governments.

The announcement was made January 23 by federal industry minister Ed Lumley, and by Reuben Baetz, Ontario's Minister of Tourism and Recreation.

William Fairfield's house is one of the oldest surviving buildings in Ontario, and is constructed in the symmetric Georgian style. In 1959 Dr. William

H. Fairfield, a descendant of the first William, deeded the house to the St. Lawrence Parks Commission as a historic site.

The total cost of the restoration and of obtaining furniture and other artifacts nearly two centuries old is estimated at \$355,000.

The tourism component of the Canada-Ontario agreement provides financial aid for feasibility studies, capital infrastructure, historical restoration, and local events associated with tourism development projects of regional significance.

Placement

The 1983 placement report for graduates of post-secondary day programs at Loyalist College shows that 73% of those who were available for employment are employed, 83% of those employed are working in jobs which are directly related to their program of studies.

The economic situation in 1983 had an adverse effect on job recruitment for 1983 graduates. Despite these conditions, however, the job-finding success of Loyalist College graduates has remained relatively high.

Discussion of drug problems

Continued from page 1
the matter was brought forth by Rev. Kompass that perhaps if the cause the group was facing was the alcohol problem, it would attract more interest. Among the comments made it was stated that if someone has been known to have used drugs they are often tagged as addicts, yet some people use alcohol frequently and are not called alcoholics.

Mr. Kyte shared some of his actual work experience with kids with drug problems. He strongly stated, "The problem is here. You have to recognize it and stick with it."

Will expand

Concerning the continuation of the Madoc group, Mr. Kyte encouraged, "Things will expand. Don't worry about numbers."

The discussion was followed by a slide presentation given by Mr. Shannon. Explanation was given by him how alcohol and drug abuse affects a person, mentally, physically and morally. The effects of these substances work on the brain, often causing changes in mood, which could range from depression to shyness and fear. He brought to attention about parents who think it's okay to give their children a beer for Christmas, or give alcohol to a kid to see what happens. He remarked that in beer, liquor and wine, the alcohol content is similar.

The use of marijuana, Mr. Walsh pointed out does result in changes in mood and in perception. It can give a mood swing high or low, and the person will often behave as if they were drunk. Often if they have a beer and have had a joint (marijuana) earlier and happen to be caught, it is the smell of the beer that is noticed, and the marijuana is not suspected.

Grass, hash and hash oil are all part of the cannabis plant. The chemical from these will store in the body, in the reproduction organs or in the brain. While alcohol will leave the body within 24 hours, the effects of a joint will remain for up to five days. On extended use, the body will hardly ever be rid of it, i.e. if someone smokes up once a day, or even once a week.

Many questions arose during Mr. Walsh's presentation. One of which was

why do kids start and why do they continue?

Peer pressure

The answer given by Mr. Walsh was that social pressure is the main reason they want to continue. Peer pressure is very strong. The effects of use are not always the same he said. He repeated, while for some the mood swings up or down, there is laughter for some, lack of concentration or lack of co-ordination. For some, their interests become less and less and life to them becomes "just smoking up".

Comments were made regarding "flashback" experiences which can occur a considerable time after a drug has been taken.

Early intervention is a definite help to combat the problem. Ignoring a problem that exists is a disservice to the individual, said Mr. Walsh and it "can be fatal". His records and experience have indicated how fatal it can be.

The physical, mental and social problems that a person encounters who has a dependency on alcohol and/or drugs is real. Again the changes in mood, feelings, thoughts about reality affect many things, including family, jobs and the rest of society.

Why would a person choose to be around people who are dependent on using these drugs? "Because I am using drugs and it appears

that I have friends" is an excuse for an untruthful thought said Mr. Walsh. He stressed that there should be open communication and dialogue with young people — to keep an open line.

As Chairman Rev. Kompass closed the meeting, it was agreed that a move would be made to continue. Steps will be taken to see that information will be gathered, including resource material. Previous concerned citizens will be contacted, and asked to bring someone else with them to the next meeting, which will be on February 15.

Be sure you keep the date open and plan to attend. "A friend in need is a friend indeed!"

At the Library lately

BY KATHLEEN KOMPASS

I was at the library lately. Late — that is — at a library board meeting which occurs the second Tuesday bi-monthly, after the doors close for the evening.

The doors may close for patrons but that is only so that they can open wider for these same community members. The board, made up of representatives from the village and three adjoining townships, moaned, groaned and gasped over a budget, which while still modest is expanded from previous years. The idea of a budget is new to our library board and how appropriate for bi-centennial year. We can begin again with financing and organization while we recreate and remember the 200 years that have brought us to this point.

The province is dispensing money through Wintario grants which when matched from community funds allows libraries to celebrate bi-centennial year with projects of their own choosing. Of course, the heads of board members are spinning with this opportunity. No project has yet been selected, but ideas for improvements to the boys'

and girls' room are tantalizing as is the possibility of acquiring an audio-visual cassette player. This small machine plays a film and tape simultaneously and could be valuable for individual or small group study. Some paint and a general sprucing up of the library are certainly called for. Then there are people projects. The board is most anxious to publicize the library with its resources and services to our communities. There are plans to inaugurate a series of contests, exhibits and hap-

penings which would draw us all in a few more times next year.

The first event is a bi-centennial Valentine making contest. There are three categories, kindergarten to grade two; grades three to five; and six to eight, with three silver dollar prizes to be awarded in each division. The Valentines are to be handmade and sent to someone from the village's past. There will be more about that in next week's paper, so until then, think some hearty thoughts.

THE MARCH
IS ON!
